Tuesday, May 16: Medicare Basics. 1-2pm. FREE. If you are nearing age 65, have employer insurance and wonder if you need to enroll in Medicare, are already on Medicare but still have questions, or you want to know more about those Medicare commercials you keep seeing, this session is for you. A representative from the Aging and Disability Resource Center will provide participants with a comprehensive and unbiased introduction to Medicare. Topics will include enrolling in Medicare; the parts of Medicare; differences between original Medicare, Medicare Advantage plans, and Medicare supplements; drug coverage options; and options to help pay for Medicare for those with limited income/assets.

To register for any of our classes or events, call the center at 920-746-4970 or email us at sisterbay@nwtc.edu.

Lake Michigan Lake Levels

Forecasted water levels for April 28th for Lakes Superior, Michigan-Huron, St. Clair, and Erie range from 3 to 6 inches above levels a month ago, while Lake Ontario is 10 inches above its level of a month ago. In addition, projected water levels for 28 April on Lakes Superior, Erie, and Ontario are above their levels from a year ago while levels on Lakes Michigan-Huron and St. Clair are 4 and 1 inches, respectively, below what they were a year ago. Projected levels for 28 April are above each lake's respective April long-term average levels. Projected net change in levels on Lakes Superior, Michigan-Huron, and St. Clair by May 28th is to rise 1 to 3 inches, while Lake Erie is forecast to remain near its current level and Lake Ontario projected to climb 6 inches over the next 30 days. See our [Daily Levels](#) web page for more water level information.

Electronic Recycling and paper shredding

The 2023 Electronic Recycling/Shredfest is scheduled for Saturday September 16, 9-12, at the Town of Liberty Grove. Liberty Grove and Sister Bay Residents only.

Outdoor Fires

Having an outdoor fire in the evening is always a fun family event. A portable fire pit with a mesh enclosure to capture hot embers is obviously the safest to use.

If you have an open fire pit please remember that your fires should be no larger than a fire that you would cook over and should never be left unattended. Grass fires can start easily and get out of hand very quickly. Have a hose or a fire extinguisher nearby for safety.
