Public input: Welcome shared that this past weekend, there were several trucks with boat trailers were parked in Mariner Park occupying all the parking areas and much of the grass areas. Ward noted that there was a fishing tournament taking place accounting for the increased boat trailer parking, and the issue of parking will be discussed later on the agenda.

The committee members began discussion on 2027 budget items, noting the sidewalk near the entry to the Ellison Bay Community Center/Women's club is in need of repair, the restroom roofs at Ellison Bay Park, Sand Bay Park, and Hotz Park need to be replaced, and the pier at Mariner Park is in need of some new bolts and rip rap along the northern facing sides to preserve it. They also penciled in a request for funds to be used for a Pickleball Court at Fitzgerald Park, painting of the Gus Klenke Garage, and tee pads at the Death's Door Disc Golf Course. Welcome was excused at 9:45am prior to the end of budget talks.

The Committee members agreed to send the final draft of the new **Town Parks brochure** to the local print company, Innovative Printing, LLC to print 200 copies for visitors.

Ward moved, Schwengel seconded to table the remaining items in item# 7 to the August meeting agenda. **Carried 4 – 0**
