 - d. Northport Pilot Project
 - e. Town Network Design Project
 - f. FCC Map
7. Correspondence
8. Future meeting
9. Adjourn

Chair Kirk Scattergood called the meeting to order at 6:58pm. Committee members Jodi Bensyl, Joel Asher, Cathy Ward, Dan Watts, and Les Keepper were present along with Administrator Walter Kalms, and Clerk/Treasurer Anastasia Bell.

Ward moved, Bensyl second to approve the agenda as posted. Carried 6-0.

Watts moved, Asher second to approve the 12/5/2022 minutes as presented. Carried 6-0.

Public Input – Ward stated she is planning to attend the Destination Door County meeting regarding the Community Investment Fund program and will provide a report.

Business Continuity Project – Asher is working on quotes for a few items.

Survey Participation – Scattergood noted the deadline is 1/15/23 for the map challenge. It was the consensus that there wasn't enough time to get additional fliers out.

Current Survey Results – Scattergood reported we have about 25% response rate and Jessica Hatch believes she has enough data to support the map challenge.

Northport Pilot Project – Scattergood reported 7 drops for this phase are complete and there are 11 scheduled for the next phase. Bell confirmed the letters were sent to the residences.

Town Network Design – Scattergood reported the evaluation phase contract was approved by the Town Board and the engineering is expected to be complete in September.

FCC Map – Scattergood reported the maps were released in December and they show coverage for most of the country. It is anticipated that these maps will be used for future grant disbursements. The County is planning to challenge these maps.

Correspondence – Scattergood noted Baileys Harbor is moving

The next Technology Committee meetings will be Monday, February 6, 2023, and March 6, 2023 at 4:00pm.

Watts moved, Asher second to adjourn at 7:41pm. Carried 6-0.

Respectfully Submitted,

Anastasia Bell, Clerk/Treasurer

Approved at the 3/6/2023 Technology Committee meeting.
