

TOWN OF LIBERTY GROVE PUBLIC MEETINGS

Parks & Property Committee

Date: Tuesday, May 9, 2023

Time: 9:00 AM

Place: Liberty Grove Town Hall, 11161 Old Stage Road

Agenda:

1. Call to Order
2. Declaration of Quorum
3. Approve Agenda
4. Approve Minutes of 4-11-23
5. Public input
6. Green Tier ad hoc Committee Report
7. Review of Ordinance __-23, Regulating Certain Activities in Town Parks and on Town Property Status of current projects:
 - a. Mariner Park at Gills Rock
 - b. Disc Golf Course on Town Property
8. Ellison Bay Marina Boat Washing Station
9. Correspondence
10. Future meetings
11. Adjourn

*** Report items will not be discussed or voted on, all other agenda items may include discussion and possible action. Deviation from listed order may occur***

***Audience members must ask for permission, during public input, to speak on agenda items ***

Anastasia Bell, Clerk/Treasurer

Members of the Town Board or any other Town Committee, who are not members of the body whose meeting agenda is published in this notice, are entitled, as any other citizen of the Town of Liberty Grove, to attend this meeting in an unofficial capacity. It is possible the attendance of one or more non-members may create a quorum of the membership of another body. Such a quorum is unintended, and the non-members are not meeting for the purpose of exercising the powers or duties attendant upon their membership on any Town Committee or Board

Town of Liberty Grove
Minutes of the Parks and Property Committee on April 11, 2023
(This meeting was correctly posted)

Agenda:

1. Call to Order
2. Declaration of Quorum
3. Approve Agenda
4. Approve Minutes of 12-13-22
5. Public input
6. ****Door County Kayak Tours at Mariner Park****
7. ****Sauna at Sand Bay Town Park****
8. Status of current projects:
 - a. Mariner Park at Gills Rock
 - b. Disc Golf Course on Town Property
9. Ellison Bay Marina Boat Washing Station
10. ~~Escarpment Signs in Town Parks~~ ****removed****
11. Review of Ordinance 7-22, Regulating Certain Activities in Town Parks and on Town Property
12. Correspondence
13. Future meetings
14. Adjourn

Chair Cathy Ward called the meeting to order at 9:01am. Committee members Sylvann Welcome, Mike Repp were present along with Clerk/Treasurer Anastasia Bell and 4 members of the public. Committee member Donna Scattergood was excused.

Repp moved, Ward second, to approve the agenda as posted. Carried 3-0

Ward moved, Welcome second to approve the 12/13/2022 minutes as presented. Carried 3-0.

Public Input – Mickie Rasch, Door County North, reported accessibility and convenience came from the Governor's conference, work is occurring for a handicap accessible toilet by the information booth, a car charging station in Ellison Bay as part of the Destination Door County grant, and concerts in the park. Ward noted the Town Board will need to fill Christine Bridenhagen's vacancy on this committee.

Door County Kayak Tours – Paul Haan, requested consideration of a handicap accessible kayak launch at Mariner Park. The cost estimate was \$38,000 for one in Sturgeon Bay. Welcome noted this did not rate highly on the survey and Ward asked if Garrett Bay would be a suitable location.

Sauna at Sand Bay Park – Nathan Lit requested to park his sauna trailer at Sand Bay Town Park for part or all of the summer season. He would rent the sauna to guests and would be present during rentals to operate the fire and monitor clients. The trailer is 16ft x 9ft and results in minimal ash waste. **Ward moved, Repp second** to recommend the Town Board consider a sauna business access to Town Parks. Carried 3-0.

Mariner Park – Ward reported the Town Board is reviewing three proposals to create and implement a plan for the park.

Disc Golf – Ward reported the disc golf group needs to mark the basket location for crew installation after road work is complete.

Boat Washing Station – Ward noted the vendor preferred the marina over the fire station. The unit and installation would cost \$17,000, the annual software would be \$1,200, and internet may be required. The Community Investment Fund and/or the Department of Natural Resources may have grant funds available. Ward will ask the vendor about Fitzgerald Park or the Val-A as alternate sites.

Ordinance 7-22 – Ward noted requests for displays on Town Property should come from the board of an organization. A concern expressed that allowing businesses in Town Parks may ultimately reduce the

accessibility/availability of the spaces to the public. The following was added to the draft for additional review at a future meeting:

Sec. 10. Displays and Signage

- (a) Displays and/or signage to be located on Town property shall be specifically authorized by the Town Board.
- (b) Requests for items in Section 10(a) above shall come from the board of the requesting organization.
- (c) Requests for items in Section 10(a) above shall be provided to the Parks and Property Committee and then recommended to the Town Board.
- (d) Duration of display shall be defined at the time of approval.

Correspondence – Bell reported that a park bench request has been received.

The next meeting will be Tuesday, May 9, 2023 at 9:00am/

Ward moved, Welcome second to adjourn at 10:32pm. Carried 3-0.

Respectfully submitted,
Anastasia Bell, Clerk/Treasurer

Report to the Liberty Grove Parks and Property Committee: A Summary of Liberty Grove's Green Tier Ad Hoc Committee Work

The Liberty Grove Green Tier Ad Hoc Committee was created on October 5, 2022 and given from November 2022 through April 2023 to complete its work. The mission statement for the ad hoc committee was to identify and build upon policies in which the Town of Liberty Grove operates, which reflects *Wisconsin's Green Tier Legacy Communities'* goals of embracing a sustainable and resilient community for Liberty Grove residents and visitors.

The committee first met on November 9, 2022. During that meeting and the 4 subsequent meetings, the committee used the Sustainability Strategies Scoresheet to fulfill the ad hoc committee's mission. The scoresheet document was originally created by the Wisconsin Department of Natural Resources during the early stages of the state's Green Tier initiative and was intended to serve as a guide for identifying areas of need or concern the local governmental units might want to address. Those areas of need or concern cover a wide range of responsibilities and activities and include, zoning and housing, economic development, preserving and protecting natural resources, energy usage, facilitating new technologies or making improvements in existing infrastructures, etc.

The committee work involved identifying areas that fall under the Town's purview or authority, those which do not, and those areas which could be cooperative or supportive in nature. Items on the list were color-coded, the red items were identified as not possible, blue items may be possible with more information or cooperation with other entities, and green items have already been completed or are in process by Liberty Grove. This process also involved understanding terms, designations, creating baseline metrics and making note of policies and actions the Town has already taken which work toward achieving the overall goal of sustainability and resiliency.

Each month's accomplishments were noted on the scoresheet as well as in a separate bullet-point narrative as recorded by the Town clerk. Those are available in the minutes throughout the months of the committee's work, culminating in the minutes of April 12, 2023 meeting.

A new reporting format from the WiDNR is proposed to move away from the current scoring method and take the form of a spreadsheet in which specific goals or programs would be identified, metrics explained, methods to achieve the stated goals and results of actions taken to achieve stated goals. The Town's report will adapt to the new reporting format.

For example: Town A decides to measure the energy use of its municipal buildings. They gather and report monthly and/or annual kilowatt hour usage data for the past several years, note how that data was gathered and sources of the energy Town A used, and then consider setting a goal to reduce usage by 10% over two years. The goal and metrics would be entered under the appropriate year along with methods to be deployed in realizing that 10% reduction. Results of those methods would be entered in the subsequent years. Over time, the document would reflect Town A's efforts in tracking, reducing, maintaining, or otherwise managing energy usage.

The data and findings collected by the ad hoc committee will be transferred to the new format when that format becomes available in the spring of 2023. The 2022 annual reports from the Green Tier Legacy Communities will be due by the end of June 2023.

Submitted on behalf of and with great appreciation for time and thoughtfulness of the Green Tier Ad Hoc Committee members, Hope Bogenschutz, David LaLuzerne, Kirk Scattergood, and Sophie Taubert-Gehan,

by Chairperson Cathy Ward

Max. Score	 GREEN TIER	Sustainability Strategies Scoresheet	
		This Sustainability Strategies Scoresheet is provided for members to track sustainability management strategies in transportation, energy, land use, water, waste, and health. This scoresheet is intended to be dynamic and flexible and will provide structure for annual reporting. In the spirit of continuous improvement toward superior environmental performance, suggested revisions to this scoresheet are always encouraged. (Approved May 2018)	
		TRANSPORTATION DEMAND MANAGEMENT: Transportation demand management strategies aim to reduce GHG emissions and VMT by influencing change in individual behavior. These strategies encourage walking, bicycling, and transit as modes of transportation within a community and seek to curb the number and length of trips by vehicle.	
		Bicycle and Pedestrian Programs/Projects	
2		Require bike parking for all new non-residential and multifamily uses.	0 0 0
1		Set standards for placement and number (as function of intensity of use) for bike parking spaces.	0 0 0
3		Commuter bike routes identified and cleared.	0 0 0
10		League of American Bicyclists certification. (Bronze 5, Silver 7, Platinum 10)	0 0 0
3		Funded and operating SRTS program (or functional equivalent) covering at least 10 percent of students.	0 0 0
1		Conduct annual survey of students' mode of transport to school.	0 0 0
		Employer-Based Programs	
5		Require large employers seeking rezoning to set a price signal (cash-out or charge).	0 0 0
5		Require large employers seeking rezoning to provide subsidized transit.	0 0 0
5		Require large employers seeking rezoning to provide a TDM plan that would reduce trips by 20 percent over business as usual.	0 0 0
		Traffic Volume	
3		Track VMT or traffic counts and report on efforts at reduction (including those on this list).	0 0 0
3		Eliminate parking minimums from non-residential districts.	0 0 0
5		Set parking maximums at X per square feet for office and retail uses.	0 0 0
5		Scheduled transit service at basic level (hour peak service within half-mile of 50 percent of addresses).	0 0 0
10		Scheduled transit service at enhanced level (half-hour peak service within 75 percent of addresses)	0 0 0
		TRANSPORTATION SYSTEM MANAGEMENT Transportation system management strategies aim to reduce GHG emissions and VMT by improving the overall performance of a transportation system. These strategies improve existing infrastructure, introduce new technology, and plan for the future of the system.	
		Preservation and Improvement	
3		Develop and fully fund comprehensive maintenance program for existing roads.	0 0 0
5		Charge impact fees for new roads.	0 0 0

Max. Score	 GREEN TIER	Sustainability Strategies Scoresheet			
5		Calculate lane-miles per capita for arterials and collectors, and show reductions	0	0	0
5		Prepare a plan identifying disconnections in bike and pedestrian networks, prioritizing fixes and identifying potential funding sources for the most important projects.	0	0	0
5		Any proposal to add lanes to a two-lane roadway shall be evaluated for a center turn lane, the preferred option over an expansion to four lanes.	0	0	0
3		Identify four-lane roadways with fewer than 20,000 vehicles per day (AADT) and evaluate them for "road diets" with bike lanes or on-street parking	0	0	0
		Electric Vehicles			
10		Electric vehicles in gov't fleets - 2% of fleet=5 points, 5% of fleet=10 points.	0	0	0
2		Allow NEVs on appropriate roadways.	0	0	0
2		Provide public charging stations	0	0	0
		Vehicle Idling			
5		Ban idling (more than 5 minutes) with local government vehicles.	0	0	0
5		Ban idling (more than 5 minutes) community-wide.	0	0	0
		ZONING AND DEVELOPMENT			
		Zoning and development strategies work toward improving the overall environmental, economic, and social health of a community by promoting mixed-use and infill development, walkable neighborhoods, and an overall sustainable lifestyle.			
		Infill Development			
5		Identify priority areas for infill development, including those eligible for brownfields funding.	0	0	0
10		Create land bank to acquire and assemble priority infill sites	0	0	0
10		Develop an inventory of known contaminated properties for reuse planning, with possible GIS application	0	0	0
		Walkscore			
5		Measure Walkscore at 10 random residential addresses per Census tract, compute average, and improve upon overall score	0	0	0
		Zoning			
5		Adopt traditional neighborhood design ordinance (If population is less than 12,500)	0	0	0
5		Zoning for office and retail districts permits floor-area ratio > 1, on average.	0	0	0
5		Zoning for office and retail districts requires floor-area ratio > 1, on average.	0	0	0
5		Zoning code includes mixed use districts	0	0	0
5		Mixed-use language from Smart Code TBA.	0	0	0
		NATURAL RESOURCE MANAGEMENT			

Max. Score	 Sustainability Strategies Scoresheet					
	Measuring Community Energy Use					
6	Work with local utilities to calculate total electricity and natural gas consumption annually, beginning with the fifth year before entering the program.	0	0	0		yet to determine calculation
5	Achieve milestone reductions in GHG emissions, as specified in the community's science-based GHG reduction goals.	0	0	0		n/a
5	State of Wisconsin Energy Independent (EI) Community designation.	0	0	0		n/a
	MUNICIPAL ENERGY USE					
	Municipal energy use strategies encourage municipal employees to conserve energy, preserve the environment, and decrease greenhouse gas emissions from municipal facilities, services, and vehicle fleets.					
	Government Energy Use Policies					
5	Include transportation energy/emissions as criterion in RFPs for purchases of goods over \$10,000.	0	0	0		consider for future purchases
2	Develop list of lighting, HVAC and shell improvements to raise Energy Star Portfolio Manager or LEED EBO&M score	0	0	0		consider for future projects
10	Reduce motor fuels use for non-transit activities –	0	0	0		n/a
6	Provide transit passes at 50 percent or more off the regular price and/or provide parking cash-out options for local government employees.	0	0	0		n/a
6	Streetlights operate at 75 lumens/Watt or higher	0	0	0		n/a
4	Stoplights are LED or functional equivalent	0	0	0		solar sign-no traffic lights
2	Establish a policy requiring that all major remodeling projects on municipal buildings result in the building receiving an ENERGY STAR score that is five points higher than the building's pre-remodel score.	0	0	0		consider in future
6	Commit to achieving a science-based GHG reduction goal for emissions resulting from all municipal operations.	0	0	0		determine current status
3	Incorporate energy use intensity (EUI) targets into the contracting process for all significant municipal construction projects.	0	0	0		evaluate with each road project as applicable
5	Establish policies requiring that all new municipal buildings achieve an ENERGY STAR score of 75 or higher.	0	0	0		consider in future
2	Municipal electricity purchases are at least 5 percentage points higher in renewable content than the statewide renewable portfolio standard requires. Calculation may include self-generated power and purchased offsets.	0	0	0		consider in future
	Measuring Government Energy Use					
2	Work with Energy Task Force OEI to track municipal facilities - Complete EPA Energy Star Portfolio Manager spreadsheet for government energy use. Or score existing buildings with LEED EBO&M.	0	0	0		office to calculate
3	Achieve milestone reductions in GHG emissions, as specified in the municipality's science-based GHG reduction goal.	0	0	0		determine current status
4	Calculate annual government fleet use of motor fuels, in gallons of petroleum and biofuels, beginning with the fifth year before entering the program.	0	0	0		office to calculate

Max. Score	 GREEN TIER	Sustainability Strategies Scoresheet				
10		All new and renovated municipal buildings must meet LEED Silver or greater.	0	0	0	consider in future
		WATER USE CONSERVATION				
		Water Conservation strategy options set baselines and goals for water and energy performance in municipalities. They measure progress and promote water conservation by the government, business, and the community at-large.				
		Water Conservation				
5		Track water and sewer use annually, beginning with fifth year before entering program, and develop plan for reductions.	0	0	0	Identify portion of Town is LGUD
1		Develop a water loss control plan with targets below the 15% required by the state and include a system-wide water audit implementation and time table	0	0	0	
2		Join EPA's WaterSense Program for water utilities or the Groundwater Guardian Green Sites program and promote them to local business.	0	0	0	Concern is protection not conservation-education is focus
6		Use block rates and flat rates to encourage water conservation among residential, commercial, and industrial users.	0	0	0	Tiered rates
3		Infiltration and inflow reduction by 10%	0	0	0	CMOM & maintenance in place
3		Plan for replacing all toilets using > 1.6 gpf and annual progress sufficient to reach 90 percent replacement in 10 years.	0	0	0	consider in future
		Local Government Use				
2		Install waterless urinals in men's restrooms at municipal facilities (city hall, parks, etc.)	0	0	0	consider in future, education
2		All outdoor watering by local government, excluding parks and golf courses, from rain collection.	0	0	0	n/a
2		Develop a water efficiency and conservation plan for municipal buildings	0	0	0	n/a
		WATER AND WASTEWATER INFRASTRUCTURE MANAGEMENT				
		Setting goals for the sustainable management of water and wastewater infrastructure reduces costs, saves energy, and ensures the protection of public health and the environment.				
5		Develop and implement asset management plans that set targets for the sustainable maintenance, operation and renewal of water and wastewater infrastructure.	0	0	0	CMOM & maintenance in place
5		Wastewater biogas captured and used in operations.	0	0	0	n/a
6		Conduct an energy assessment for municipal water and wastewater facilities and develop a plan to increase energy efficiency	0	0	0	Last done 12/5/2022
3		Financial assistance for sewer lateral replacements.	0	0	0	
4		Set goals for increasing the recovery of resources from wastewater for energy generation (heat or electricity) and fertilizer.	0	0	0	
4		Explore partnership options with high-strength waste.	0	0	0	
4		Upgrade water and wastewater utility equipment (e.g., variable frequency drive motors) to achieve energy efficiency based on total life cycle, triple bottom line costs (e.g. maintenance and replacement strategies in asset management plans).	0	0	0	
		STORMWATER MANAGEMENT				

Max. Score	 GREEN TIER	Sustainability Strategies Scoresheet					
		Stormwater Management strategy options encourage the use of best management practices to achieve a reduction in the amount of harmful pollutants introduced to our streams, rivers, and lakes.					
3		Develop a regular street sweeping program to reduce total suspended solids	0	0	0		
4		Stormwater utility fees offer credits for best management practices such as rain barrels, rain gardens, and pervious paving	0	0	0		n/a
3		Inventory all paved surfaces (e.g., by GIS mapping), and develop a plan for reduction	0	0	0		County
5		Work with commercial or light industrial businesses to develop stormwater pollution plans	0	0	0		County
		WATER AND DEVELOPMENT					
		Water and Development strategy options link water conservation and the preservation of land, wetlands, and wildlife habitat while promoting compact development, restoration and rehabilitation efforts, and long-term planning.					
		Land Development					
3		Identify key green infrastructure areas during plan development and/or implement a plan to acquire and protect key green infrastructure areas	0	0	0		County
		Waters, Wetlands, and Wildlife					
3		Replace concrete channels with re-meandered and naturalized creeks, wetlands, or swales	0	0	0		n/a
4		Develop a system for identifying culverts that obstruct fish migration and install fish friendly culverts where needed	0	0	0		Isle View culvert/standpipe for turtles
4		Provide incentives for protection of green infrastructure, sensitive areas, important wildlife habitat, or for the restoration or rehabilitation of wetlands or other degraded habitats such as credit towards open space or set-aside requirements	0	0	0		areas identified, no incentives available
		WASTE MANAGEMENT AND REDUCTION					
		Waste Management and Reduction strategy options encourage municipalities and their citizens to divert organics and recyclables from landfills and properly dispose of hazardous materials in an effort to reduce waste in a community.					
8		Community waste stream monitored at least annually. Waste reduction plan prepared and updated annually	0	0	0		Education: Going Garbage to provide information to be shared
8		Waste and materials management plan based on "zero-waste" principles, with specific goals, prepared and updated annually	0	0	0		n/a
3		Construction/deconstruction waste recycling ordinance	0	0	0		n/a
5		Mandatory residential curbside recycling pickup that covers paper, metal cans, glass and plastic bottles	0	0	0		n/a
5		Develop a municipal collection program that encourages the diversion of food discards, yard materials, and other organics from landfills to composting or anaerobic digestion with energy recovery	0	0	0		education, support other efforts, federal grants
6		Develop and promote programs that dispose of household hazardous, medical, and electronic waste	0	0	0		recycling event/county clean sweep event
7		Use anaerobic digesters to process organic waste and produce energy	0	0	0		n/a

Max. Score	GREEN TIER	Sustainability Strategies ScoreSheet			
5		Implement municipal ordinances requiring manufacturer takeback for fluorescent bulbs, thermostats and other mercury-containing devices	0	0	0
4		Ordinances in place to reduce the usage of phone books as well as single-use shopping bags, styrofoam food containers and other disposable items	0	0	0
4		Pay-as-you-throw system implemented by municipality or required of private waste haulers	0	0	0
3		Use public education and outreach to promote recycling, backyard composting, product re-use and waste reduction	0	0	0
		HEALTHY COMMUNITY PLANNING			
		Policies and projects related to incorporating health living into community design- whether by built form, programs, education, etc. in an effort to reduce trends in poor nutrition, inactive lifestyles, chronic diseases, such as obesity and heart disease, and other negative health risk factors.			
		Policies Affecting Multiple Program Areas			
7		Adopt a resolution that promotes Health in All Policies at the community level (e.g., HEAL Resolution). Include that educational campaigns supporting a program covered by the resolution are appropriately targeted to all of the populations addressed by the program	0	0	0
8		Establish a Health Impact Assessment's policy, including when an assessment is required and its scope	0	0	0
		Planning			
7		Add health policies in 1 or more of the community's plans, including the comprehensive plan, long-range transportation plan, bicycle/pedestrian plan and open spaces recreation plan (embedded or stand-alone chapter) or develop a comprehensive, community wide wellness plan.	0	0	0
6		Site schools in the Comprehensive Plan for accessibility with existing or new bicycle and pedestrian infrastructure	0	0	0
8		Encourage the formation and/or support of Neighborhood Improvement Districts (NIDs), Neighborhood Development Corporations, or other similar types of neighborhood reinvestment and enhancement strategies in plans or policies.	0	0	0
		Healthy Food Access			
7		Implement strategies (urban agriculture, community gardens on public land, diversified farmer's markets, expanded traditional retail food options, ordinances to allow urban chickens and beekeeping and vegetable gardening in rights of way) that help increase fresh food access in the community, in particular in areas with food insecurity (e.g., "food deserts" and "food swamps"), including access by EBT and WIC participants.	0	0	0
6		Create a Food Systems Plan that addresses the production, distribution, value-added, marketing, end-market, and disposal of food, and charge a new or existing governmental body to oversee the plan's implementation.	0	0	0
		Physical Activity and Access			
5		Provide an on-street and/or off-street trail network connecting recreational areas in the community (e.g. safe routes to parks) and other trip generators, such as shopping malls, ensuring all neighborhoods are included in planning and implementation.	0	0	0

Max. Score	GREEN TIER 	Sustainability Strategies ScoreSheet					
		Employee Health					
5		Implement a wellness program for employees of the local jurisdiction.	0	0	0	0	n/a
5		Encourage or partner with others, such as the Chamber of Commerce, etc., to advance workplace wellness programs within the community.	0	0	0	0	cooperate/support other efforts
		Placemaking					
5		Support placemaking at varying scale (neighborhood to major city facility) and permanence (temporary to permanent) through programming, financial support and removal of regulatory barriers to promote healthy living and social capital in the community.	0	0	0	0	n/a
5		Adopt form-based codes or similar type design guidelines for healthy active living environments.	0	0	0	0	n/a
		Waste Pharmaceuticals					
6		Establish partnerships to reduce waste pharmaceuticals generated in the community and to efficiently collect remaining wastes to prevent their abuse and entry into solid waste or wastewater.	0	0	0	0	county collection events

ORDINANCE NO. __-23
AN ORDINANCE REGULATING CERTAIN ACTIVITIES IN TOWN PARKS AND ON
TOWN PROPERTY

The Town Board of the Town of Liberty Grove, Door County, Wisconsin, pursuant to Section 60.22(1), Wisconsin Statutes, does hereby ordain as follows:

All previous ordinances regulating activities in Town parks and on Town property, including but not limited to 1-85, 3-86, 6-05, 1-16, 1-17, 3-19, 1-21, 3-22, and 7-22 are hereby repealed.

Sec. 1. Purpose.

To enact an ordinance regulating certain activities in Town parks and on Town property of the Town of Liberty Grove, Door County, Wisconsin, in order to enhance and promote to the fullest the public's use, enjoyment, safety of such designated areas.

Sec. 2. Definitions.

- (a) "Dog" means any canine regardless of age or sex.
- (b) "Cat" means any feline regardless of age or sex.
- (c) "Town Park" means any Town Park, property or launch ramp, including, but not limited to the parks known as: Mariner Park at Gills Rock, Ellison Bay Community Center; Fitzgerald, Sand Bay, Porte Des Morts, Will's Park, Hotz Memorial, Grand View, Wisconsin Bay Town Park; and the Ellison Bay, North Bay, Garrett Bay and Europe Lake launch ramps.
- (d) "Town Property" means any property, land or building, owned by or under the jurisdiction of the Town in addition to "Town Parks" as defined in subsection (c) above.
- (e) "Alcohol Beverages" means fermented malt beverages and intoxicating liquor as defined in Chapter 125, Wis. Stats., which definitions are adopted herein by reference.
- (f) "Personal effects" includes but is not limited to watercraft, trailers, vehicles, recreational equipment, and other items that are not the property of Liberty Grove.
- (g) "Private Enterprise" means any entity either individually owned and operated or owned and operated by a corporation for profit or not-for-profit.

Sec. 3. Curfew.

No person may enter, use, leave personal effects at, or remain in any Town Park in the Town of Liberty Grove between the hours of 10:00pm and 6:00am. This section does not apply to seasonal/transient dockage.

Sec. 4 Dogs/Cats.

No cats shall be allowed in any Town Park at any time. Dogs are allowed in Town parks and launch areas on leash only and are not allowed on the beach areas.

Sec. 5. Alcohol Beverages.

No alcohol beverages shall be consumed by any person in any Town Park between the hours of 10:00 pm and 6:00 am without the written permission of the Liberty Grove Town Board.

Sec. 6. Launching and Storing of Boats.

- (a) No agent or employee of the Town shall participate in the launching, retrieving, loading, or mooring of any watercraft.
- (b) No motorboat, sailboat, canoe, kayak, launch or any other boat or watercraft or equipment of any kind shall be parked, left unattended, stored or kept upon property of the Town, including

any Town Park as specified above, other than in designated parking areas, such areas and times to be specified by written permission of the Town Board or its designee. Any watercraft or equipment left on Town property unattended or after the hours specified in Section 3 of this ordinance shall be subject to removal, towing charges, and fines to be paid by the owner as written in Section 9 of this ordinance.

Sec. 7. Rental of Town Parks other than Ellison Bay Community Center.

Rental of the following parks is permitted by written permission of the Town Board of Supervisors of the Town of Liberty Grove or their designee: Gills Rock Park, Wills Park, Mariner Park at Gills Rock, and Fitzgerald Park. These parks will remain open to the public for general use. Fees to rent these parks applies and are listed in the Town's current fees schedule.

Sec. 8. Operation and Launching of Boats in Ellison Bay Community Center.

No person shall operate or launch any motorboat, sailboat, canoe, launch or any other boat or watercraft of any kind within the swimming area of the Ellison Bay community Center. The swimming area is defined as the area bounded by the Community Center dock, a line from the northern tip of said dock in an easterly direction for a distance of 100 feet, thence southeast to the eastern edge of the Town of Liberty Grove property line, then west along the beach to the aforementioned Community Center dock.

Sec. 9. Private Enterprise Operations

- (a) Private enterprises as defined in Section 2(g) above shall not conduct any business in Town parks or in or on Town property except as specifically authorized by the Town board and provided in subsection (b) of this Section below.
- (b) Private enterprises as defined in Section 2(g) above may operate aquatic enterprises as outlined in Ordinance 9-21 in Town parks or in or on Town property provided all the necessary permits and proof of insurance are demonstrated and provided further that such private enterprise obtains the express written permission of the Town Board.

Sec. 10. Displays and Signage

- (a) Displays and/or signage to be located on Town property shall be specifically authorized by the Town Board.
- (b) Requests for items in Section 10(a) above shall come from the board of the requesting organization.
- (c) Requests for items in Section 10(a) above shall be provided to the Parks and Property Committee and then recommended to the Town Board.
- (d) Duration of display shall be defined at the time of approval.

Sec. 11. Enforcement.

- (a) This ordinance may be enforced by the issuance of a citation to any violator of this ordinance by any Sheriff or Deputy Sheriff of the County of Door, State of Wisconsin, by any State of Wisconsin officer with police powers.
- (b) In the alternative, any forfeitures imposed by this ordinance may be sued for and recovered pursuant to Chapter 778, Wis. Stats., in the name of the Town of Liberty Grove.

Sec. 12. Penalties.

Penalties for violations of provisions of this ordinance shall be not less than \$50 nor more than \$300 plus the costs and disbursements of prosecution, for any violation which occurs under the terms of this ordinance. Each violation of any section constitutes a separate offense.

Sec. 13. Conflicting Ordinances.

All ordinances in whole or in part of the Town of Liberty Grove which conflict with provisions of this ordinance are hereby repealed.

Sec. 14. Severance Clause.

If provisions of this ordinance are declared to be severable, and if any section, sentence, clause or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses or phrases of the ordinance.

Adopted at a regular meeting of the Liberty Grove Town Board on _____

Motion to adopt: _____ Second: _____. Vote: _____ aye _____ nay.

I, Anastasia Bell, Clerk/Treasurer of the Town of Liberty Grove, Door County Wisconsin hereby certify that the above is a true and correct copy of an ordinance which was adopted at a properly noticed meeting of the Liberty Grove Town Board on the _____, 2023

Dated this _____ day of _____ 2023.

Anastasia Bell, Clerk/Treasurer
