Public input: Mark Savard of 1691 Wildwood Road expressed concern over the method the Plan Commission is using to amend HL-10.

Culver, Ward, and Miller shared data they've gathered from the County to try to get a more accurate percentage of parcels in the Town that may be affected by the proposed amendments. It was determined that approximately 25% of total vacant parcels could be affected. The Commissioners requested that the Town Clerk submit the online application with supporting documents on City Squared for the county to review.
