Scattergood moved, Gantman seconded to approve the 8/4/25 minutes as presented.
Carried 3 - 0.

Public input: none

Regarding the 2026 Technology budget, the committee decided to prioritize the requested funds for upgrading the aging office computer systems, followed by funds for encouraging Dark Sky lighting in the Town. The committee decided to postpone discussion on having a WiFi access point at the Ellison Bay Community Park until the Townwide Broadband installation project with Frontier begins. The possible public forum with Frontier reps will be scheduled once more information is available on the project. The Committee will revisit shifting municipal lighting to LED once more data on existing structure is gathered.

Correspondence: none

Future Meeting: The next meeting was scheduled for October 6, 2025 at 4:30pm.

Keepper moved, Gantman seconded to adjourn at 5:09pm. **Carried 3 - 0**

Respectfully submitted,
Pamela Donart-Welcome, Clerk/Treasurer
Approved 10/6/25
