After speaking to the owner of Bea's, it was decided to postpone the use of her land until next year or find a different location for a **community garden**, and discuss further at a future meeting. Kroll shared an idea list for addressing **affordable housing**. Committee members discussed having a public forum in the future to discuss affordable housing ideas.

Johnson moved, Welcome seconded to request that the Town Board consider designating ½ of the approved budget for Technology and Economic Development to be allocated to Community Development for 2024. **Carried 3 – 0.**

Johnson reported the ADRC will contact the “Meals on Wheels” recipients to ask if they’d be interested in having their meals in the Town Hall once per week to share in a social setting instead of home delivery, and she offered to provide transportation to those interested. Other future projects discussed included hosting a possible “Community Pot-Luck” at the Ellison Bay Community Center on Sept 14th, and a “Youth Trades & Public Service” night at the Town hall on Nov 9th, as well as a “family game night” in the future.
