

TOWN OF LIBERTY GROVE

Green Tier ad hoc

Date: Wednesday, December 14, 2022

Time: 9:00AM

Place: Liberty Grove Town Hall, 11161 Old Stage Road, Sister Bay

Agenda:

1. Call to Order
2. Declaration of a Quorum
3. Nominate Chairperson for the Committee
4. Public Input
5. Approve Agenda
6. Approve Minutes: 11/9/2022
7. Review of Sustainability Strategies Scoresheet
8. Correspondence
9. Future Meetings
10. Adjourn

***Report items will not be discussed or voted on, all other agenda items may include discussion and possible action.*

*Deviation from listed order may occur***

***Audience members must ask for permission, during public input, to speak on agenda items ***

Anastasia Bell, Clerk/Treasurer

Members of the Town Board or any other Town Committee, who are not members of the body whose meeting agenda is published in this notice, are entitled, as any other citizen of the Town of Liberty Grove, to attend this meeting in an unofficial capacity. It is possible the attendance of one or more non-members may create a quorum of the membership of another body. Such a quorum is unintended, and the non-members are not meeting for the purpose of exercising the powers or duties attendant upon their membership on any Town Committee or Board.

Town of Liberty Grove
Minutes of the Green Tier ad hoc meeting on November 10, 2022
(this meeting was correctly posted)

Agenda:

1. Call to Order
2. Declaration of a Quorum
3. Approve Agenda
4. Review of Mission Statement
5. Review of Sustainability Strategies Scoresheet
6. Correspondence
7. Future Meetings
8. Adjourn

Clerk/Treasurer Anastasia Bell called the meeting to order at 9:01am. Committee members David LaLuzerne, Kirk Scattergood, Cathy Ward, and Hope Bogenschutz were present. Committee member Deborah “Sophie” Taubert-Gehan was excused.

Scattergood moved, LaLuzerne second to nominate Cathy Ward as the chair for this meeting. Passed 4-0.

Each committee member provided a brief introduction.

Scattergood moved, LaLuzerne second to approve the agenda as posted. Passed 4-0.

Mission Statement – The mission statement was reviewed. It was noted that this Committee can make recommendations to the Parks and Property Committee which can make recommendations to the Town Board for any desired actions.

Sustainability Strategies Scoresheet – The DNR scoresheet was reviewed, and the items were identified as “n/a”, “possible-more information needed”, and “currently being done”. The Committee will resume the review on page 5 of the scoresheet at the next meeting.

Correspondence – None.

The next meetings will be Wednesday, December 14, 2022 and January 11, 2023 at 9:00am.

LaLuzerne moved, Scattergood second to adjourn at 11:15am. Passed 4-0.

Respectfully submitted,
Anastasia Bell, Clerk/Treasurer

5	Mandatory residential curbside recycling pickup that covers paper, metal cans, glass and plastic bottles	0	0	0	0	0	0	0	0	0
5	Develop a municipal collection program that encourages the diversion of food discards, yard materials, and other organics from landfills to composting or anaerobic digestion with energy recovery	0	0	0	0	0	0	0	0	0
6	Develop and promote programs that dispose of household hazardous, medical, and electronic waste	0	0	0	0	0	0	0	0	0
7	Use anaerobic digesters to process organic waste and produce energy	0	0	0	0	0	0	0	0	0
5	Implement municipal ordinances requiring manufacturer takeback for fluorescent bulbs, thermostats and other mercury-containing devices	0	0	0	0	0	0	0	0	0
4	Ordinances in place to reduce the usage of phone books as well as single-use shopping bags, styrofoam food containers	0	0	0	0	0	0	0	0	0
4	Pay-as-you-throw system implemented by municipality or required of private waste haulers	0	0	0	0	0	0	0	0	0
3	Use public education and outreach to promote recycling, backyard composting, product re-use and waste reduction	0	0	0	0	0	0	0	0	0
HEALTHY COMMUNITY PLANNING										
Policies and projects related to incorporating health living into community design- whether by built form, programs, education, etc. in an effort to reduce trends in poor nutrition, inactive lifestyles, chronic diseases, such as obesity and heart disease, and other negative health risk factors.										
Policies Affecting Multiple Program Areas										
7	Adopt a resolution that promotes Health in All Policies at the community level (e.g., HEAL Resolution). Include that educational campaigns supporting a program covered by the resolution are appropriately targeted to all of the populations addressed by the program	0	0	0	0	0	0	0	0	0
8	Establish a Health Impact Assessments policy, including when an assessment is required and its scope	0	0	0	0	0	0	0	0	0
Planning										

Max. Score	Sustainability Strategies Scoresheet GREEN TIER										
7	Add health policies in 1 or more of the community's plans, including the comprehensive plan, long-range transportation plan, bicycle/pedestrian plan and open spaces recreation plan (embedded or stand-alone chapter) or develop a comprehensive, community wide wellness plan.	0	0	0	0	0	0	0	0	0	0
6	Site schools in the Comprehensive Plan for accessibility with existing or new bicycle and pedestrian infrastructure	0	0	0	0	0	0	0	0	0	0
8	Encourage the formation and/or support of Neighborhood Improvement Districts (NIDs), Neighborhood Development Corporations, or other similar types of neighborhood reinvestment and enhancement strategies in plans or policies.	0	0	0	0	0	0	0	0	0	0
Healthy Food Access											
7	Implement strategies (urban agriculture, community gardens on public land, diversified farmer's markets, expanded traditional retail food options, ordinances to allow urban chickens and beekeeping and vegetable gardening in rights of way) that help increase fresh food access in the community, in particular in areas with food insecurity (e.g., "food deserts" and "food swamps"), including access by EBT and WIC participants.	0	0	0	0	0	0	0	0	0	0
6	Create a Food Systems Plan that addresses the production, distribution, value-added, marketing, end-market, and disposal of food, and charge a new or existing governmental body to oversee the plan's implementation.	0	0	0	0	0	0	0	0	0	0
Physical Activity and Access											
5	Provide an on-street and/or off-street trail network connecting recreational areas in the community (e.g. safe routes to parks) and other trip generators, such as shopping malls, ensuring all neighborhoods are included in planning and implementation.	0	0	0	0	0	0	0	0	0	0
4	Encourage pedestrian and bicycle site connections from front door of businesses or apartments to a public sidewalk and/or bike lane ensuring connections to all neighborhoods.	0	0	0	0	0	0	0	0	0	0
4	Provide education and establish programming to encourage physical activity, especially by youth.	0	0	0	0	0	0	0	0	0	0
7	Establish an expanded public transit that serves commuters from all neighborhoods and major parks and recreation facilities, and has racks on vehicles for carrying bicycles.	0	0	0	0	0	0	0	0	0	0
5	Require sidewalks in new residential areas and establish a policy for adding sidewalks, as appropriate, in areas built out without sidewalks.	0	0	0	0	0	0	0	0	0	0
2	Implement a Complete Streets policy.	0	0	0	0	0	0	0	0	0	0
5	Provide recreation programs for youth, adults, senior citizens and disabled persons.	0	0	0	0	0	0	0	0	0	0
5	Establish a pedestrian safety task force.	0	0	0	0	0	0	0	0	0	0
Housing											
6	Adopt ordinances and programs to maintain a healthy housing stock (code enforcement, landlord licenses, volunteer program, truth-in housing disclosure before sale, etc.).	0	0	0	0	0	0	0	0	0	0

Sustainability Strategies ScoreSheet

5	Allow life cycle or adaptable housing options, such as "aging in place", accessory dwelling units, Universal or Inclusive Design, Dementia Friendly Communities, Age-Friendly Communities, etc.	0	0	0	0	0	0	0	0
8	Establish a program to make housing more affordable.	0	0	0	0	0	0	0	0
5	Establish a program to address chronic homelessness, such as "permanent housing".	0	0	0	0	0	0	0	0
	<u>Crime Prevention and Other Harm Reduction</u>								
4	Use by policy, ordinance or practice, Crime Prevention Through Environmental Design and active threat planning to make public spaces, such as recreational space, crime free.	0	0	0	0	0	0	0	0
5	Establish and implement Harm Reduction strategies for alcohol outlet density and sexual oriented establishments (e.g. zoning limitations)	0	0	0	0	0	0	0	0
5	Adopt an ordinance or policy that requires tobacco-free and e-cigarette free apartments or places limitations on such structures.	0	0	0	0	0	0	0	0
6	Adopt an ordinance or policy that promotes tobacco-free and e-cigarette free parks and/or public events on local government-owned property.	0	0	0	0	0	0	0	0
	<u>Climate Change</u>								
5	Create and implement a climate change action plan that includes a carbon footprint study, and health related components on reducing air pollution from combustion of fossil fuels and responding to heat episodes and flooding, focusing in particular on most vulnerable populations.	0	0	0	0	0	0	0	0
	<u>Noise</u>								
5	Adopt an ordinance, including conditional use permits, on noise abatement for various zoning districts.	0	0	0	0	0	0	0	0
	<u>Employee Health</u>								
5	Implement a wellness program for employees of the local jurisdiction.	0	0	0	0	0	0	0	0
5	Encourage or partner with others, such as the Chamber of Commerce, etc., to advance workplace wellness programs within the community.	0	0	0	0	0	0	0	0
	<u>Placemaking</u>								
5	Support placemaking at varying scale (neighborhood to major city facility) and permanence (temporary to permanent) through programming, financial support and removal of regulatory barriers to promote healthy living and social capital in the community.	0	0	0	0	0	0	0	0
5	Adopt form-based codes or similar type design guidelines for healthy active living environments.	0	0	0	0	0	0	0	0
	<u>Waste Pharmaceuticals</u>
