Chair Cathy Ward called the meeting to order at 9:05am. Committee members Hope Bogenschutz, and David LaLuzerne were present along with Clerk/Treasurer Anastasia Bell. Committee member Kirk Scattergood was excused.

LaLuzerne moved, Bogenschutz second to approve the agenda as posted. Carried 3-0.

LaLuzerne moved, Bogenschutz second to approve the 2/8/2023 minutes as presented. Carried 3-0. Committee member Sophie Taubert-Gehan connected to the meeting.

Public Input – None.

Sustainability Strategies Scoresheet – The Committee reviewed the scoresheet and noted the following:

- Silent sports maps show suggested bike routes, it is unlikely for the Town to create official bike paths.
- Going Garbage may participate in composting if there is enough material to add and contamination can be avoided. Egg harbor received a grant to start collection points for transfer to their site. Federal grants are typically available annually. Ward will investigate the old landfill site.
- Ephraim has their canopy mapped
- Education is important for BMP guidelines.
- Groundwater Guardian focuses on protection not conservation.
- The county has moved forward where they can, the Town is a small portion of the whole population. They have inventoried wetlands and have a PACE ordinance.
- Going Garbage receives materials which prevents recycling from occurring. They should provide a document for the Town to share.

Correspondence – None.

The next meetings will be Wednesday, April 12, 2023, at 9:00am. The topic will be to create the final report for the Parks and Property Committee.

LaLuzerne moved, Bogenschutz second to adjourn at 11:08am. Carried 4-0.

Respectfully submitted,

Anastasia Bell, Clerk/Treasurer

Approved at the 04/12/2023 Green Tier ad hoc Committee meeting.
