Tis the season for SNOW!

Keep snow ordinances in mind:

Sidewalks-Removal of snow, ice, and

accumulations - It is the responsibility of the abutting property owners to remove snow, ice, and accumulations promptly from sidewalks. If a property owner does not remove snow, ice or accumulations within a reasonable time, the City may do so and assess the costs against the property owner for collection in the same manner as the property tax.

Snow Parking Ban - It is unlawful to park, abandon, or leave unattended any vehicle on any public street, alley, or city-owned off-street parking area during any snow removal period. The ban shall continue from the beginning of the snowfall to 24 hours after the snowfall has ceased. To help our operators perform their plowing duties in a safe and efficient manner, we ask that residents park elsewhere when the snow begins to accumulate.

Fire Hydrants - The Fire Department requests property owners who have a hydrant on their area to clear the snow away for easier access in case of fire.
