REGULAR AGENDA:

I. DISCUSSION OF SECTION 9: ORDERLY CONDUCT OF THE MUNICIPAL CODE OF ORDINANCES

At the City Council meeting from September 23, there were public comments regarding orderly conduct and the enforcement of the ordinances. A few residents asked if City Council could look at the fee schedule as well as the content of the ordinances. Section 9 refers to disorderly conduct, loud and unnecessary noise, and trespassing. A resident that was present mentioned his neighbors were on his property staining their fence and he did not give them permission. He called and wanted them cited for trespassing but a citation was not issued. Chief Shapiro was asked why the citation was not issued and he stated that the City Attorney advised by the City Attorney not to issue the ordinance violation. Council members would like to have clarification from the attorney why he said not to issue the ordinance violation citation. Another resident mentioned loud music, cars and abusive language directed at them. Loken did say that the city ordinance prohibits loud noise as well as disorderly conduct and recommended that the current ordinance is sufficient. Chief Shapiro and Loken will meet with the City Attorney to discuss the violations and ordinances and proceed from there. The residents were directed to document any incidents and the more individuals that report the issues; something can be done.
