I. REPORTS OF MAYOR AND APPOINTED OFFICIALS

Mayor Weiss stated that over the past few meetings, there has been discussion of the replacement of a pump engine for the fire department. Fire Chief Bauer said that they have been working on the purchase of a 2006 Pierce Engine to replace the 1986 engine that is no longer in compliance. The new engine has 24,000 miles on it, will be to hold 6 firefighters and pumps 2,000 gallons of water a minute. The original price was \$279,000.00 and was negotiated to \$240,000.00. The company that we are purchasing it from will perform all inspections and will be delivered to the fire department. Once we receive the engine, we have five days to do our own inspection on site and if it fails our inspection, it can be returned for a full refund. It is a clean truck and comes with a one year warranty. Mayor Weiss stated that we will pull General Fund money to pay for it and roll it over into an upcoming GO Bond to include the Highway 37 street project.

There will be a Personnel Committee Meeting on September 29, 2026, at 8:30 am, to include review and approval of union negotiations, discussion of police interviews and other personnel items.

Oktoberfest event will be on Saturday, October 10th as well as the Mondovi Football fundraiser in coming up this coming weekend September 12th so there will be some street closures.
