Also Present: Jeffery Gaier

Prior minutes approved as filed with the Clerk.

Appearances: None

Discussion and Action on Bureau of Aeronautics Petition and Funding: Gaier explained that the Bureau of Aeronautics has entitlement funding for the City's airport. Currently, we have approximately \$300,000.00 of which requires no contributions on the City's part. The projects that the Bureau of Aeronautics recommended are maintenance on the runway, runway lighting upgrades, drainage improvements and other taxi way and parking lot maintenance. Gaier went over the attached resolution petitioning the Secretary of Transportation for airport improvement aid. Gaier also explained that this will require a Public Hearing before passing.

Motion Petkovsek, second Seelow, to approve the petition as is and move it to the Planning Committee. All Aye.

Motion Friemoth, second Petkovsek, to adjourn. All Aye.
