

## **Missouri Public Drinking Water Primacy Fee Missouri Water Pollution Control Permit Fee**

Dear New Haven Water / Wastewater customer,

Included on your water and sewer bill this month are two fees imposed by the State of the Missouri: the Missouri Public Drinking Water Primacy Fee and the Missouri Water Pollution Control Permit fee. Municipal water and wastewater systems are required to collect these fees from customers and remit them to the State of Missouri.

The Drinking Water Primacy fee was first established in 1992 and has been extended through September, 2017. The fees for systems our size (from 1 to 1,000 connections) are shown in the table below. More information is from the Missouri Department of Natural Resources at the following website: [www.dnr.mo.gov/env/wpp/primacyfee.htm](http://www.dnr.mo.gov/env/wpp/primacyfee.htm)

| <b>TYPE OF CONNECTION</b>                                   | <b>FEE PER CONNECTION</b> |
|-------------------------------------------------------------|---------------------------|
| Residential customers (1 to 1,000 connections)              | \$3.24                    |
| Meters greater than 1-inch but less than or equal to 2-inch | \$7.44                    |
| Meters greater than 2-inch but less than or equal to 4-inch | \$41.16                   |
| Meters greater than 4-inch                                  | \$82.44                   |

**The Missouri Water Pollution Control Permit Fee** was established in 2000. This fee is assessed to each sewer service connection on publicly-owned systems. The schedule of fees are shown in the table below. More information on this fee is also available on the Missouri DNR website: <http://dnr.mo.gov/pubs/pub2564.htm>
