David Hollar, Sec, 2029			Mimi Ramos, 2028	
Eric Fried, Co-Chair, 2028	X		Mike Schaefer 2029	X
Bob Pierce, 2029	X		Doug Cannon, TC Member	X

Meeting called to order – 7:00 pm

Reintroduction and welcome back to long-time member Mike Schaefer

Approval of Minutes of the Tuesday, March 24th 2026, meeting – Approved unanimously

Old Business :

Junk Car Ordinance: Eric and Rich have reviewed the existing ordinance and recommend adding the following one new definition to the existing junk car ordinance:

“Any vehicle that is currently inoperable”

Jim will fill out the GCR Proposal Ordinance Change Form and submit it to the Town Council before the July 2026 Town Council Meeting.

Resident Reminder Letter: Along with a cover letter from the Current Town Council President the reminder letter was sent out to all current Ogden Dunes Residents using the current Water/Sanitation address database.

There was no update to the Prior Recommendations Awaiting Town Council Approval:

(1) Staggered terms for committees, (2) Three-year committee member terms (mostly set up this way already); (3) 3-7 members per committee (mostly set up this way already); (4) Elimination of existing two term limit; and (5) No change to Shore Drive speed bump type or placement.

Monthly Town Council Meetings: Reminder to the GCR Committee Members to try to attend the Town Council Meeting when possible.

The group agreed that the speed bumps along shore drive need to be reinstalled as soon as possible.

New Business:

Leaf Collection: Jim mentioned that the resident reminder letter referred to leaf collection to take place *only* in the fall. Prior to the letter being issued this was discussed and agreed to by the Street/Water Department Superintendent.

Town EV Charging Stations: Jim mentioned that the Town is currently looking at the possibility of installing three EV charging stations somewhere in town. The stations will be provided as part of an existing government grant and the only charge to the town will be the required electrical hookup. The Environmental Committee is currently taking the lead on this project.

New OD Web Page: Jim mentioned that the new Ogden Dunes Web Page is in its final stages of development with new features such as AI Assistance in Town/Committee Minutes Development.

Adjourn – Meeting adjourned at 8:05 pm.

Next meeting - July 28th, 2026, at 7 pm.
