

Minutes Beach Nourishment Committee Meeting January 17, 2023

Meeting called to order by Sandy Boyer 6:37 P.M. at OD Fire Station

Attendees: Sandy Boyer, Bruce Boyer, John Lawicki, Peter Mavrelis, Paul Panther, Dave Snyder(remote), , C.J. Jackson, Scott Kingan (remote)

The minutes of the December meeting were approved.

Reports:

Middle and west engineering- no new developments, awaiting for permit approval so that cost estimates can be made.

Restore the Shore - Still working with government agencies to secure help

Permitting – final application being prepared and submission later this month

Litigation/Mitigation – no new development. Lawyers to meet next month

Timeline - Agreed that no work to be done during the summer months. This may push the start date for revetment to fall 2023.

Dune grass – residents encouraged to plant grass. Final plans will include grass

Donation – some discussion regarding fund raising was made.

Long range planning – A more comprehensive long-range plan was suggested.

Resilient coastal projects initiative – still trying to connect with Bridget Brown

DNR Lake Michigan Coastal Program – Sandy and Scott have made connections

Snow Fencing – an ordinance regarding the proper type and timing of snow fencing is needed. John and Bruce will work on a proposal.

New Business:

Receipts for donations will be issued by the town by the end of January

Next meeting February 21 at town hall

Meeting adjourned at 7:22

Peter Mavrelis
