

Beach Nourishment Committee Agenda September 17, 2024

Approve minutes from August meeting.

Recognition for donors will go on FB pages. Thank you letters for EZ Steps donors are ready to sign.

Reports

Reconciliation - Scott

Litigation & Mitigation - Scott

- Save the Dunes
- Brack
- OD v USACE & NPS

Construction next steps - Bruce

EZ Beach Steps

- Lower handrail installation for access 7 and 9 steps
- The Town is adding a short rail on the east side of the steps at 7 to keep people from accidentally going onto the rocks.
- Access 16 installation
 - The sand fences along the south side of the wall were removed. We could not get out all the orange plastic as it was grown into the grass, so we got what we could and got all the posts. I hope homeowners will remove the rest of the plastic, even if they can only do it a little at a time.
 - The vegetation on the path owned by the Town was removed. Thanks to my elves, Allan, Patty, & John.
 - ODHA trimmed back the overgrowth on the accessway that they own.
 - We did not collect any additional funds for Access 16.

Donations

- Requesting donations for homeowners for phase II and III
 - I am working on documents for homeowners in the central and west end. We need a summary of points to hand out as we talk to people.
