

Beach Nourishment Committee Agenda December 17, 2024

Approve minutes from September meeting.

Reports:

Reconciliation - Scott

Litigation & Mitigation - Scott

- Save the Dunes
- Brack
- OD v USACE & NPS

Construction next steps and timeline - Bruce

Donations for shore protection– Sandy

- Keep in mind that donations for shore protection are needed before we purchase stairs.
 - The revetment is finished at accesses 7, 16, 17, and 19.
 - The funds to restore Access 18 after the shore protection goes in will be covered by participating homeowners.
 - We have commitments for 12 and half of 14.
- I have been speaking to homeowners about donations for phase II and III. It is going well. I have been told by two homeowners that they will not participate. Most people have been receptive.

EZ Beach Steps – Sandy

- The steps at access will need to extend farther north after the rocks go in. We have the funding.
- We have an additional platform piece in storage for access 9. We hope that is sufficient.
- We also have funding for access 12.
- We received \$3,000 in donations for steps in other places.

New Business

Old Business – Fundraisers

Community Comments/Questions

Issues on hold: gifts purchased for donors, matrix, beach storage for kayaks and paddleboards.

Next meeting: 6:30, January 21
