Meeting called to order 707 pm–

Approval of Minutes of the Tuesday, Aug 24 meeting – Unanimous consent

Officers/Meeting Schedule:

Appointment of Officers: By unanimous consent, Jim will serve as Chair. Eric will serve as Co-Chair. Dave will serve as Secretary.

Meeting Plan for 2025: Committee plans to meet every other month (4th Tuesday, 7 pm, Town Hall). Other meetings may be scheduled as needed.

Old Business:

Proposed Ordinance re: Duty of Maintaining Land. Issue has been discussed at Town Council but no resolution yet reached.

Proposed Repeal of Trespass Ordinance. Issue remains pending with Town Council.

Recommendations re: Town Committee Members & Term Limits. Discussion regarding ordinance on committees. GCR recommends that the limitation to two terms on town committees be repealed. Reaffirm the need for staggered terms, 3 year terms, and 3-7 members per committee (excluding liaisons and excluding temporary committees). Jim will prepare draft ordinance for review at next meeting.

Signs Ordinance (824): Time limits for political signs should be amended to 60 days before and 6 days after to comply with state law.

New Business

Dogs on Beach: Committee reviewed the current ordinance at request of Town Council. Committee recommends leaving existing ordinance as is.

Items left on Beach Issues (Ordinance 904): Ordinance has worked relatively well. Some discussion about adding fines or posting signs at Access 14 or 18 to alert people to the ordinance.

Possible 2025 Summer Preparation: Recommendation to send out letter or other form of announcement in April 2025 reminding residents of summer/beach ordinances.

Member Comments

Speed Limits: Doug discussed possibility of placing 3-way stop signs at major Shore Drive intersections (Tamarack, Diana, Cedar, and East Hill). Jim suggested a possible alternative would be one or more electric speed limit signs. Cones have been used on Shore in the past but may make the street too narrow. Members agreed to brainstorm ideas and discuss next meeting.

Adjourn – Meeting adjourned at 823 pm

Next meeting - March 25, 2025 @ 7pm @ Town Hall
