

CITY OF PITTSVILLE
Public Hearing on the 2025 Tax Rate for
Taxes Payable in 2026 and the 2026 Budget
Monday, November 24, 2025
6:00p.m. – Pittsville Community Hall

Mayor, Dale Nichols called the public hearing to order at 6:00 p.m.

Alderspersons present: Mark Darr, Mike Hobbs, Bob Schooley and Dennis Todd, Brian Kissner Absent:
Casey Krohn Also present: Diana and Dan Schooley

Budget paperwork was reviewed from the previous Committee of the Whole Council – Finance meeting. There was an update to the levy amount due to the fact the clerk was made aware that the Levy limit worksheet from the Department of Revenue was the levy limit amount we were to be using. A decrease of \$6,137.85, changing the levy amount from \$504,882 to \$498,744 and a new Mill Rate of \$7.99 vs \$8.09. Clerk spoke with our accountant and he indicated the change was okay since the published notice had not been approved yet and a resident could even come in yet today and ask us to change amounts.

Diana Schooley questioned the revenues going down but expenses going up. The mayor explained that with previous budgets we do have a surplus to offset the deficit and since the city has no debt or bonding issues, we should not have an issue covering the expenses if everything was expended.

Diana indicated that she had no further comments/questions and there were no comments/questions from the council. Motion by Kissner, second by Schooley to adjourn the Public Hearing. Motion carried and the public hearing was adjourned at 6:10p.m.
