

Town of River Falls Road Committee Minutes

Date: September 11, 2025

Present: Terry Kusilek, Brad Mogen, Don Rodewald, Cole Hanson, Dalton Flick and Peter Stern

Excused absence: Rob Schaar

1. Meeting was called to order at 4:00 PM. Motion by Don to approve the agenda.
Second by Terry. Motion carried.
2. Motion by Terry to approve the minutes of August 21, 2025. Second by Don. Motion carried.
3. Public comments. None.
4. Saddle Club Road paving is scheduled for October 8th.
5. The grader has a leaking pinion and one of the mowers has a stump jumper issue. It has been fixed for now but will need to be replaced before next year.
6. 750th Street or Beldenville Pass - Waiting for Darrel Hubble to come back to finish some of the ditch work.
7. 710th Avenue ½ mile of seal coating was completed as of September 10th. 3/8 inch Dresser Rock was used.
8. 650th Avenue waiting on Darrel Hubble. It looks like we may possibly need some rip rock to keep water away from road.
9. 820th Street or Sleepy Hollow will be next for tree trimming. Terry has notified the residents. Mowing is almost complete, and some road patching will be next.
10. It was decided we should purchase the propane furnace for about \$3,000.00 from River Falls Heating. It will be installed by the Town but will be started by River Falls Heating. This is a back up to the used oil furnace. Joe M. has scheduled a maintenance check on the used oil furnace.
11. The budget request for the roads committee has been submitted. One thing that was mentioned is that more blade patching should be done next year to extend the life of a number of roads.
12. WISLER needs to be completed by October 15th. Don and Brad will work on this.
There are also training videos on LRIP, PASER and WISLER on the State website that should be watched.
13. The individuals that purchased the home at the end of 747th Street or Dugway Street would like some of 747th street to be abandoned, and a turnaround will need to be added. Signed requests from landowners to start the process are required.
14. Future agenda items. Seal coating update, PASER update, shop furnace update, 750th street and 650th avenue update, Saddle Club road blacktop update and budget update.

Motion by Don to adjourn the meeting. Second, by Cole. Motion carried at 5:10 PM.
Next meeting date is October 9th at 4:00 PM.

Respectfully submitted,
Peter Stern
