# TOWN OF RIVER FALLS

**December 2025**

## 2026 Elections

We have an exciting Election update! Starting in 2026, the Town of River Falls will utilize an electronic poll book system called Badger Books. Badger Books is used to check in voters, process Election Day Registrations and record absentee participation. Badger Books are not voting machines – you can't cast votes on them. Voting will continue to be done on paper ballots. They are not vote tabulators – they don't count votes. The vote tabulation process will not change. Badger Books are not connected to the internet. Residents with questions about the electronic poll books should please contact Town Clerk Sarah Meyer, 715-629-8240 or clerk@riverfallstown.com

**2026 Election Dates**

- February Primary Election: February 17, 2026 (if required)
- Spring Election: Tuesday, April 7, 2026
- Fall Primary Election: Tuesday, August 11, 2026
- Fall General Election: Tuesday, November 3, 2026

## Town Roads Update

The primary road rebuilding project undertaken by the Town in 2025 was an approximate 0.92 mile stretch of 850th St. (Saddle Club Road) north of Highway 29 to the Kinnickinnic town line. This is a very heavily traveled stretch of road as it's an arterial from the north. This section was completely rebuilt over the summer which entailed tree/brush removal, milling the old asphalt, new gravel/breaker rock underlay, shoulder enhancement, ditch shaping, culvert evaluation and 3 inches of new asphalt. Asphalt was laid toward the end of October and only some shouldering remains to be done to finish up. The total cost of this project was approximately $356,000, far less than the cost would otherwise be if the Town did not have its own road equipment and employees. Over the next two years the tentative plan is to continue rebuilding an additional 1.5 miles of Saddle Club Road south of Highway 29 with final paving expected in 2027.

A huge thanks goes out to Rob Schaar and Dalton Flick, our two Town road employees, who work amazingly hard to manage these projects and are committed to keeping our roads maintained and safe for all residents. If you should ever wonder who is out plowing snow at 3:00am so you can get to work on time after a storm, it's Rob and Dalton.

## Dog Licensing

Dog Licensing & Rabies Vaccinations are required by state law. A Town license will help quickly reunite lost dog and owner!! Please license your dog(s) using the form on the back side of this page. These payments are made to the Town Treasurer as indicated on the form (not the County Treasurer). Contact Rita Kozak, Town Treasurer (715-425-8554) if you have dog licensing questions.

## Upcoming Events

Annual Town Caucus: 1/20/26, 6:30 P.M.

Dog Licensing: Sat., 1/24/26, from 9:00 A.M. until noon

Annual Town Meeting: Tuesday, April 21, 2026, 7:00 P.M.

Winter Recycling Center Hours: Saturdays 8:00 A.M. to 4:00 P.M.

## Reminders

Pushing snow across the road is a safety hazard. The practice of pushing snow across the road when plowing creates a safety hazard for the traveling public and creates a problem for the road plowing operation.

If you believe your mailbox was damaged during a snow event, assess if the mailbox was hit by the force of the snow hitting the mailbox or if it was physically hit by the plow equipment. The mailbox policy states that a damaged mailbox will be replaced with a plain standard mailbox when it is evident that the snow removal equipment damaged the box. If you believe the damage was caused by the plow equipment, call the Town Chair Terry Kusilek (715-821-4049) to report the damage.

## Permits Required

Home remodeling, deck building, and new home or shed construction are all examples of activities requiring permits. This is not an all inclusive list. Businesses (homebased or not) also require permits. Remote officing or businesses where the only contact with customers is remote do not require a permit. Contact Don Rodewald, Zoning Administrator:
715-307-0564 or zoning@riverfallstown.com

## Burn Permits

2026 Burn Permits are available at the Town Recycling Center during center hours. Burn permits are also available from Town Board and staff members by appointment.

**Town of River Falls Property Tax Preparation Statements**

**L&M Service/Pierce County Treasurer**

**October 2026**

Due to retirements in Treasurer's Office, Pierce County will only print the Town's tax statements but will not handle folding in newsletter, sorting and stuffing envelopes. Kathy Fuchs, Pierce County Treasurer, has reached out to a firm in Eau Claire, L & M mail service to prep, sort and possibly send statements. Both Kathy Fuchs and Pat Burfield from L & M have responded to my questions and provided the following.

Based on **2025** numbers, **Pierce County's** charges for 1683 statements were:

| | |
|---|---|
| Envelopes, prep and stuffing | $ 522.24 |
| Postage--$.78 x 1683 | $1312.74 |
| Additional postage for large holdings | $ 200.00 (envelope size and weight-approx.) |
| | **$ 2034.98** |

**L & M** has provided an ESTIMATED quote based on 2025 tax statement printing of 1683 parcels.

Pierce County Treasurer's Office will provide printing of tax forms at no cost (approx. $58.91)

| | **L & M Standard Service** | **L & M Postage Saving Service** |
|---|---|---|
| Envelopes (.08) | 134.64 | 82.72 |
| Prep | $80 + $.04/tax bill | $80/setup + $.11/tax bill |
| Postage (.0746 ea) | 1255.52 | 771.36 (consolidation of like property owners) |
| | 1537.47 | 1119.21 |

For taxpayers receiving a high volume of bills, mailing a large envelope ("flat") may be required; that postage is billed as incurred.

All mail now goes to St. Paul, even if mailed locally. L & M delivers envelopes to post office prior to last departure of mail to St. Paul. L&M barcodes/presorts mail prior to USPS submission so it typically arrives next day despite heading to St. Paul.

**Newsletter** can be sent via 8.5" x 11" pdf and printed two sided black and white for approximately .09/copy (1700 x .09 = $153). These would be inserted with tax statements and add about $93 to mail prep.
