Glossary of Terms

General Terminology:

Fiscal Year

The Village's fiscal year runs from June 1 through May 31. This fiscal cycle is commonly used by villages throughout New York State.

Tax Levy

The total amount of revenue that must be raised through property taxes to fund Village operations.

Tax Rate

The tax rate is calculated by dividing the tax levy among municipalities (Towns) based on their proportionate share of total assessed property value. The rate is influenced by changes in property assessments, equalization rates, and the overall tax levy.

General Fund

The General Fund is the primary operating fund of the Village. It accounts for most day-to-day governmental activities and excludes enterprise operations such as water and sewer services, as well as most capital projects.

Enterprise Funds (Non-General Fund)

The Village maintains separate enterprise funds for water and sewer operations. These funds are self-supporting, generating sufficient revenue to cover their associated expenses. Property tax revenues are not used to support these funds.

Appropriated Fund Balance (Assigned)

This represents the portion of fund balance designated for use in the upcoming fiscal year. It is typically applied to reduce the tax levy and help stabilize tax rates.

Unassigned Fund Balance (Unreserved)

This is the portion of fund balance that is not designated for a specific purpose and is carried forward into the next fiscal year. These funds remain available for future appropriation, subject to the Village Board's approval.

Expense Accounts

The Village follows the New York State Comptroller's Uniform System of Accounts for Villages. Expense accounts are organized by department and by category, such as contractual services, equipment, and employee benefits.

Revenue Accounts

The Village also uses the New York State Comptroller's chart of accounts to classify revenues. These accounts are categorized by source, including property taxes, fees, permits, and intergovernmental revenues.

Capital Projects

Most capital projects are accounted for in separate funds. This ensures that project-specific revenues and expenditures are tracked independently from ongoing Village operations.

REVENUES:

How are village revenues forecasted for the next fiscal year?

Village revenues are forecasted in various ways. Some information is made available prior to the development of the budget (state aid.) Some can be calculated based on agreements in place (leases and pilots.) Many revenues are forecasted based on trends with some modified assumptions based on general economic outlooks (Mt Pisgah.)

EXPENSES:

How are expenses forecasted for next year?

Expenses are also forecasted in various ways. Some may be based on existing contracts (parking lot, auditor, service agreements) that allow for fairly accurate estimates. Some are based on simple trend analysis. Many expenses are forecasted with cost increases that are related to increased energy costs. Although the Village is budgeting for higher energy costs related to electricity, heating oil and fuel oil, we also take into account higher material costs. Our vendors, who are experiencing the same energy increases, will pass those energy increases on to us through higher material costs or delivery charges. Most supply cost increases in the budget are related to this issue and do not represent additional purchasing.

What Are the “Mandated” Expenses?

Everyone seems to have a different interpretation of what “mandated” means. For the Village, it relates to expenses the village incurs as a result of complying with various laws or regulations imposed upon the municipality. The Village has no control, nor does it have any recourse when it comes to mandated expenses.

What are the “contractual” expenses?

The term “contractual expense” has two different meanings depending on the context. First, the Village has contracts with unions and a variety of leases that are contracts...therefore, they are bound by a contract...thus “contractual” obligations.

The word “contractual” in a line item of the budget can also mean “services”. The Village uses the NYS Uniform System of Accounts (Chart of Accounts) which has a 401 code representing supplies and a 400 code which represents services (non-material.) This non-material category is often referred to as contractual (electrician, auditor, lawyer etc.)

Why are the tax rates different between towns?

NYS Department of Taxation and Finance makes an annual determination if various Towns are either over or under assessed. If they make such a determination, they apply an “Equalization Rate” to the respective townships. If all Towns have a 100% Equalization Rate, then every Town would have the same tax rate. It is not unusual for NYS to issue Equalization Rates that are more or less than 100%. This is the basis for different tax rates for different towns. The Village has no control over the Equalization Rate process.

**VILLAGE OF SARANAC LAKE
BOARD OF TRUSTEES
ADOPTION OF 2026-2027 SEWER RATES**

WHEREAS, the Village of Saranac Lake Board of Trustees held a Public Hearing regarding the proposed 2026-2027 sewer rates on April 13, 2026, at 5:00pm, and

WHEREAS, it is the responsibility of the Village of Saranac Lake Board of Trustees to ensure an adequate level of services to the community at reasonable rates to meet its budgetary needs, and

WHEREAS, it is the responsibility of the Village of Saranac Lake Board of Trustees to provide adequate financial resources in order to meet Federal and State requirements,

NOW, THEREFORE BE IT RESOLVED, The Village Board of Trustees hereby approves the adoption of the 1% increase to sewer rates as proposed in the 2026-2027 Budget which will take effect on June 1, 2026 for any billing after August 1, 2026.

**GENDER BASED VIOLENCE AND
THE WORKPLACE POLICY**

VILLAGE BOARD OF TRUSTEES

Gender-Based Violence and the Workplace

Purpose

Gender-based violence occurs within a broad spectrum of relationships; therefore, the Village of Saranac Lake will take appropriate measures to prevent and/or address gender-based violence as it impacts the workplace. The Village of Saranac Lake recognizes the rights of victims to have self-determination and the need to respond in a survivor-centered, trauma-informed, and culturally responsive manner. This policy shall apply to all victims of gender-based violence, regardless of where the incidents took place.

The Village of Saranac Lake to the fullest extent possible, without violating any existing rules, regulations, statutory requirements, contractual obligations, or collective bargaining agreements, designates and directs Village administration to implement the following Gender-Based Violence and the Workplace Policy. This policy includes the means by which the Village of Saranac Lake will share information regarding gender-based violence, refer employee survivors to services, complies with all applicable state laws, including the New York State Human Rights Law, and offers support to employees facing gender-based violence. The policy also prohibits retaliation against anyone based on their status as a domestic violence victim or for otherwise utilizing the resources within this policy.

I. Definitions:

- a. **Gender-Based Violence:** Violence or threats that happen because of someone's sex, gender, sexual orientation, gender identity or expression, or other related characteristics. Gender-based violence is an umbrella term that includes domestic violence, sex-based discrimination, sexual harassment, sexual assault, and sexual violence, and can also include stalking or human trafficking.
- b. **Domestic Violence:** A pattern of coercive behavior, including acts or threatened acts, used by a perpetrator to gain power and control over a victim, as defined in New York State Social Service Law § 459-a, including, but not limited to physical, sexual, psychological, economic, and/or emotional abuse; or the threat of any of the acts as mentioned earlier. Domestic violence includes but is not limited to family violence, intimate partner violence, dating violence, or dating abuse.
- c. **Sexual Harassment:** Sexual Harassment is a type of gender-based violence. As defined by NYS Law and the Village of Saranac Lake Harassment and Anti-Discrimination Policy, sexual harassment is defined as behavior that is not welcome, that is personally and objectively offensive, that fails to respect the rights of others, that lowers morale and that, therefore, interferes with an employee's work performance and/or effectiveness or created an intimidating, hostile or offensive working environment.

Anyone who experiences sexual harassment in the workplace can report it under the Village of Saranac Lake Harassment and Anti-Discrimination Policy, and/or to the New York State Division of Human Rights or Federal Equal Employment Opportunities Commission ("EEOC.")

- d. Survivor-Centered:** An approach to supporting and assisting survivors focused on meeting their needs as they prioritize and define them. Key elements of a survivor-centered approach include confidentiality, safety, respect, and non-discrimination.
- e. Trauma-Informed:** An approach to supporting and assisting survivors that realizes trauma is common, recognizes the signs, activators, and symptoms of trauma, and uses this knowledge to inform practices, policies, and procedures.
- f. Culturally Responsive:** A holistic approach to supporting and assisting survivors that recognizes a person’s complex identities and cultural values, by responding to differences in identities to actively meet the needs of all survivors and communities.
- g. Victim of Domestic Violence – pursuant to NYS Social Services Law § 459-a (1):** Any person over the age of sixteen, any married person, or any parent accompanied by their minor child or children in situations in which such person or such person’s child is a victim of an act which would constitute a violation of the penal law, including, but not limited to, acts constituting disorderly conduct, harassment, aggravated harassment, sexual misconduct, forcible touching, sexual abuse, stalking, criminal mischief, menacing, reckless endangerment, kidnapping, assault, attempted assault, attempted murder, criminal obstruction of breathing or blood circulation, or strangulation, identity theft, grand larceny, or coercion; and
 - i. Such act or acts have resulted in actual physical or emotional injury or have created a substantial risk of physical or emotional harm to such person or such person’s child; and
 - ii. Such act or acts are or are alleged to have been committed by a family or household member.
- h. “Family or household members” means the following individuals pursuant to NYS Social Services Law § 459-a (2):**
 - i. persons related by consanguinity or affinity (blood or a person’s relation to blood relatives of their spouse);
 - ii. persons legally married to one another;
 - iii. persons formerly married to one another, regardless of whether they still reside in the same household;
 - iv. persons who have a child in common, regardless of whether such persons are married or have married or have lived together at any time;
 - v. unrelated persons who are continually or at regular intervals living in the same household or who in the past continually or at regular intervals lived in the same household;
 - vi. persons who are not related by consanguinity or affinity and who are or have been in an intimate relationship regardless of whether such persons

have lived together at any time. Factors that may be considered in determining whether a relationship is an “intimate relationship” include, but are not limited to: the nature or type of relationship, regardless of whether the relationship is sexual in nature; the frequency of interaction between the persons; and the duration of the relationship. Neither a casual acquaintance nor ordinary fraternization between two individuals in business or social contexts shall be deemed to constitute an “intimate relationship”; or

vii. any other category of individuals deemed to be a victim of domestic violence as defined by the Office of Children and Family Services in regulation.

- i. **“Parent” pursuant to NYS Social Services Law § 459-a (2):** means a natural or adoptive parent or any individual lawfully charged with a minor child’s care or custody.
- j. **Victim or Survivor:** A person who has experienced or is experiencing any form of gender-based violence. People of all genders, sexual orientations, and gender identities may experience gender-based violence, but women and girls are impacted the most. Some people will have a strong preference for which term to use.
- k. **Perpetrator or Abusive Partner or Person who Causes Harm:** A person who commits or threatens to commit coercive or violent acts, which may include, but is not limited to, physical, psychological, sexual, economic, and/or emotional abuse against a victim.
- l. **Order of Protection (OP) (“Restraining Order” or “Stay-Away Order”):** An order issued by any court to limit the behavior of someone who harms or threatens to harm another person. Orders of Protection may direct the offending party not to injure, threaten, or harass the victim, their family, or any other person(s) identified and may include, but are not limited to ordering the person causing harm to stay away from the home, school, business, or place of employment of the victim; vacate a shared residence; abide by any active orders of custody and visitation; and surrender any firearms.
- m. **Workplace:** For the purposes of this policy, any permanent or temporary location away from an employee’s domicile where an employee performs any work-related duty in the course of employment.
- n. **Gender-Based Violence Liaison (GBVL):** Where possible, a designated employee(s) or outside organization designated by the County who assists victimized employees with referrals to local service providers. The GBVL may or may not be a Human Resources employee.
- o. **Local Service Providers:** An organization in a given geographical area whose mission is to provide services to victims of gender-based violence. In New York

State, each county has a designated service provider(s) for domestic violence and sexual violence. Services can include emergency shelter, advocacy, accompaniment to hospitals and court, safety planning, counseling, etc. Visit opdv.ny.gov for a list of New York State-based domestic and sexual violence service providers.

II. Persons covered by this policy

This policy shall extend to all full, part-time, temporary employees, volunteers, and interns working for the Village of Saranac Lake in any official work capacity. Whenever possible, this policy also covers consultants, contractors, and other on-site providers.

III. Statement of Confidentiality

The Village of Saranac Lake recognizes and respects the employee's right to privacy and confidentiality. All information, including details an employee shares about being a victim, shall be kept confidential to the extent permitted by law without the employee's written permission, unless doing so creates a substantial risk of imminent danger to the victimized employee, other employees, or the worksite. If such a situation arises, the Village will:

- a. Inform the victimized employee of the actions the Village will take.
- b. Share information only with the specific employees who need to know.
- c. Limit the information shared to only what is necessary. Ensure victimized employees know and understand this policy and their rights, including all possible options available to them, and are aware of accommodations outlined in section VI of this policy, such as the use of alternative scheduling or a change in work location, and assisting the employee in identifying the best use of attendance and leave benefits.

IV. Survivor Rights

Victims of domestic violence are a protected class under New York State Human Rights Law § 296, which applies to settings like employment, housing, education, and public accommodations. Every Employer in the State of New York is required to follow the New York State Human Rights Law. This means it is unlawful to discriminate against an employee based on their status as a victim of domestic violence.

- a. Employees have the right to:
 - i. Disclose or not disclose experiences or details of gender-based violence.
 - ii. Ask for reasonable accommodations to address concerns related to gender-based violence.
 - iii. Be free of discrimination and retaliation in seeking such accommodation.
 - iv. Access gender-based violence services.
- b. Employers may require an employee to provide documentation, such as an attestation, to substantiate their need for an accommodation or to use sick or safe leave.

V. Employer Responsibilities

- a. The Village of Saranac Lake shall implement the Gender-based Violence and the Workplace policy and where possible, designate the Human Resources department or appropriate staff personnel to perform duties associated with implementing the policy. Where possible, the Village will designate at least one employee as its Gender-Based Violence Liaison (GBVL).
 - i. The GBVL is a designated employee who assists victimized employees with referrals to local service providers. The GBVL may or may not be a Human Resources employee.
- b. Increase awareness around gender-based violence and create an informed workforce by posting information in such places where employees can utilize the information without having to request it or be seen removing it (i.e. organization intranet, employee newsletters, restrooms, kitchen and lounge, and any other frequently used areas.) The information should include:
 - i. Employee Assistance Program (EAP) information, if applicable,
 - ii. Human resources staff,
 - iii. NYS Domestic and Sexual Violence Hotline Number (1-800-942-6906), Chat and Text Line (1-844-997-2121), and
 - iv. Contact information for local gender-based violence programs.
- c. Ensure victimized employees know and understand this policy and their rights, including all possible options available to them, and are aware of accommodations outlined in section VI of this policy, such as the use of alternative scheduling or a change in work location, and assisting the employee in identifying the best use of attendance and leave benefits.
- d. Offer support to those victimized through the following minimum steps:
 - i. Provide information on available sources of services and assistance for victims and survivors, such as the New York State Domestic and Sexual Violence Hotline or local victim services provider.
 - ii. Educate employees on disciplinary practices that may be implemented in the event of retaliation for reporting or used with employees who commit acts of gender-based violence. Assist supervisors to ensure that all employees who knowingly violate this policy are held accountable.
 - iii. Include this policy as part of the written materials provided to all new employees and provide the policy to all employees on an annual basis.
 - iv. Provide a detailed explanation of employees' rights under this policy during new employee orientation, including information about anti-

discrimination protections for victims of domestic violence under the New York State Human Rights Law.

- v. Provide confidential support services, such as safety planning, and refer anyone who discloses they are a victim to the EAP, if applicable, the NYS Domestic and Sexual Violence Hotline (or the statewide hotline for workplace sexual harassment, if appropriate), and any local programs serving victims of domestic and sexual violence. Additional referrals may be made to the appropriate resources to meet the employee's needs best.
 - vi. Consider conducting programs and activities throughout the year to increase awareness about gender-based violence, such as supply drives for local domestic and gender-based violence programs, brown bag lunch discussions, and/or presentations by local gender-based violence programs.
- e. Human Resources (and/or GBVLs) The Village of Saranac Lake Human Resources staff must create a safe and supportive workplace culture for anyone who has experienced gender-based violence. They can do this by communicating that information and resources are available to victims and that abusive behavior by any employee will not be tolerated.
- f. Supervisors

The Village of Saranac Lake Supervisors shall ensure that any employee who discloses being a victim of gender-based violence is aware of and understands this policy and their rights, including the right to request accommodations or time off as discussed below. Additionally, supervisors shall refer employees to the Human Resources department and/or GBVL to receive referrals and resources as outlined above.

VI. Non-Discrimination and Responsive Personnel Policies

Under the New York State Human Rights Law, and the Village of Saranac Lake Harassment and Anti-Discrimination Policy, all persons are protected from discrimination in the workplace on the basis of their status as a victim of domestic violence, and on the basis of sex, sexual orientation, gender identity, and gender expression. If such discrimination occurs, the employee can report it under the Village of Saranac Lake Anti-Discrimination Policy, and/or to the New York State Division of Human Rights for potential investigation and remediation.

- a. Victims of domestic violence are a protected class under New York State Human Rights Law (Executive Law § 296(22)) and as such;
 - i. Employers may not refuse to hire or license and may not terminate someone solely based on their status as a victim of domestic violence.

- ii. Employers may not discriminate against victims of domestic violence in compensation, terms, conditions, or privileges of employment.
 - iii. Employers may not inquire about an applicant or employee's status as a current or past victim of domestic violence in any way that directly or indirectly expresses discriminatory treatment based on that status.
 - iv. Employers may inquire about status as a victim of domestic violence to provide reasonable accommodations.
 - v. Employers may not refuse to provide certain reasonable accommodations to an employee who is known by the employer to be a victim of domestic violence and who needs such accommodation to seek medical care and/or obtain certain services connected to an incident or incidents of domestic violence, as further set forth in the New York State Human Rights Law.
 - vi. Employers are prohibited from retaliating against an employee for opposing unlawful discrimination and/or filing a formal complaint over alleged discriminatory conduct.
- e. Time Off for Legal Proceedings: Employers are also required to grant time off, with prior day notification, and may not penalize any employee who, as a victim or witness of a criminal offense, is appearing as a witness; consulting with a district attorney; or exercising their rights as provided by law.
- f. Changes to Benefits: Employees who are victims of gender-based violence who separate from a covered family member due to incidents of gender-based violence shall be allowed to make reasonable changes in benefits at any time during the calendar year, where possible and in accordance with statute, regulation, contract, and policy.
- g. Work Performance Impact: the Village of Saranac Lake recognizes that victims of domestic and gender-based violence may experience temporary work performance difficulties or be unable to complete certain job aspects because of safety reasons. If performance is affected as a result of being a victim of gender-based violence, the Village will work with the employee on solutions which may include specific work plans, taking leave, reasonable accommodations, referrals to the GBVL or HR, EAP, if applicable, and/or the local domestic violence service provider.
- i. Employees should be made aware that not all employees' requests for assistance can be accommodated.

VII. Non-Retaliation Policy

The Village of Saranac Lake shall not engage in any retaliatory practices against employees who disclose they are a victim of gender-based violence, or any employee seeking accommodations or to exercise their rights under this policy.

The Village of Saranac Lake will not retaliate, tolerate retaliation by any superiors, terminate, or discipline any employees for reporting information about alleged incidents of gender-based violence that may have been committed by an employee, including those in management positions.

Retaliatory practices may include, but are not limited to:

- a. Commencing discipline against victimized employees for actions taken to promote their safety
- b. Fewer promotions
- c. Inappropriate jokes
- d. Comments that communicate bias or minimization
- e. Excluding the employee from conversations, etc.
- f. Discussing employee's status or experience in open/non-private settings with individuals other than the employee and the related staff (GBVL, HR, etc).

Retaliation may be carried out by anyone, not just the original perpetrator.

Any employee or organization engaging in retaliatory practices may be subject to disciplinary actions. If you believe you have been subject to retaliatory practices, please see Section XIV: Violations of Policy.

Retaliation against any employee who files a complaint of violation of the policy is also prohibited.

VIII. Orders of Protection

The Village of Saranac Lake shall comply and assist with the enforcement of all known Orders of Protection (OP).

- i. If requested by the victim or by law enforcement, the Village will provide any relevant information regarding an alleged OP violation.
- a. Disclosing an Order of Protection: If an employee has an active OP, they are encouraged to disclose it to the GBVL or designated staff member at their work site. Employees should not be compelled to disclose an OP or provide a copy, but it may assist the employer in implementing a safety plan. Copies of Orders of Protection will be maintained in a locked, confidential location, separately from the employee's personnel file. In the event of an emergency or if the OP needs to be presented to law enforcement, the liaison, other designated staff member, director of Human Resources, or a member of executive staff/management shall retrieve and present the order.
 - i. Employees should notify the liaison in the event of a relevant modification or revocation of the OP.

- b. Developing a Safety Plan: When requested by the victim, Human Resources staff will work with the employee to develop a plan on how best to increase safety for the victim, other employees, and the workplace.

IX. Accountability for Employees who Perpetrate Acts of Gender-Based Violence

The Village of Saranac Lake will hold accountable and shall subject to corrective or disciplinary action any employee who violates this policy, in accordance with existing collective bargaining agreements, applicable statutes, and regulations. The following behaviors are prohibited under the policy:

Employees may also report alleged violations of the New York State Human Rights Law to the New York State Division of Human Rights (DHR). DHR is the state agency responsible for enforcing the New York State Human Rights Law. DHR reviews every report of discrimination filed with the agency. In every case where the alleged discrimination falls within the agency's jurisdiction, DHR will investigate and seek to hold violators of the law accountable. The discrimination reporting form and all related information can be found on [DHR's website](#).

OUTLINE OF REVISIONS

SUMMARY OF PROPOSED REVISIONS TO THE VILLAGE OF SARANAC LAKE EMPLOYEE HANDBOOK

1. Section 500 Operational Policies

502 Meal and Rest Breaks and Breaks for Nursing Mothers

Breaks for Nursing Mothers to Express Breast Milk – Employees who are nursing mothers shall be allowed to use a reasonable break (generally between twenty to thirty minutes) in addition to the employee’s meal and rest breaks to express milk for a nursing child. The Village will provide this break at least once every three hours if requested by the employee. This provision applies to nursing mothers for up to three years following childbirth.

~~Employees who require breaks other than their normal break times to express breast milk may work before or after their normal shifts to make up for the break time they take to express breast milk as long as that time falls within the department’s normal work hours.~~

The Village will make a reasonable effort to provide a room or location other than the restroom or toilet stall, within walking distance to the employee’s work space, or other location in close proximity to work so that nursing mothers can express in private. An employee wishing to avail herself of this break is required to give the Village advance notice, preferably prior to the employee’s return to work following the birth of her child, to allow the Village an opportunity to establish a location and to schedule leave time for multiple employees, if needed.

2. Section 700 Compensation

702 Overtime

FLSA Exempt Employees – In accordance with the Fair Labor Standards Act, FLSA exempt employees will not be paid for overtime. However these employees will be entitled to accrue up to 80 hours of “compensatory time”; **this time will be earned on an hour and a half-for-hour basis**, and will not exceed a total of 80 hours. Under no circumstances will the compensatory time be paid in cash.

3. Section 800 Employee Benefits

801 Holidays

Designated Holidays – The Village of Saranac Lake will observe the following holidays:

1. New Year's Day	7. Columbus Day
2. Martin Luther King Day	8. Veterans Day
3. Memorial Day	9. Thanksgiving
4. Juneteenth	10. Day after Thanksgiving
5. Independence Day	11. Christmas Day
6. Labor Day	12. Day before or after Christmas

**RESOLUTION CALLING FOR A PUBLIC HEARING AND APPROVING THE 2026
SLVFD CONTRACT BETWEEN THE VILLAGE OF SARANAC LAKE AND THE
SARANAC LAKE VOLUNTEER FIRE DEPARTMENT**

WHEREAS, the Village Board of Trustees shall hold a public hearing pursuant to Village Law 4-412 (b) in the matter of the Saranac Lake Volunteer Fire Department contract on Monday, May 11, 2026 at 5:45pm in the Village Board Room located at 39 Main Street on the second floor.

THEREFORE BE IT RESOLVED, that the Village Clerk give notice of the public hearing by publication in the newspaper so designated by the Village Board of Trustees for legal and public notices at least 10 days prior to the hearing.

AGREEMENT

THIS AGREEMENT, made effective the _____ day of May, 2026,

BETWEEN: VILLAGE OF SARANAC LAKE, INC., a municipal corporation duly organized and existing under the laws of the State of New York with principal offices located at 39 Main Street, Saranac Lake, New York, (hereinafter designated as the "Village")

and

SARANAC LAKE VOLUNTEER FIRE COMPANY, INC., a not-for-profit corporation duly organized and existing under the laws of the State of New York with principal offices located at Broadway, Saranac Lake, New York (hereinafter designated as the "Fire Company"). Contract to be in place and fully in effect from May 11, 2026 to December 31, 2026.

WITNESSETH:

WHEREAS, the Village maintains a Fire Department pursuant to the provisions of New York Village Law Article 10 for the purpose of providing and furnishing within the Village's corporate limits (a) fire protection and (b) emergency services, including but not limited to emergency rescue in cases of accidents, calamities, alarms of fire, personal injuries and other emergencies in connection with which the services of firemen and emergency rescue personnel would be required; and

WHEREAS, the Fire Company has heretofore been organized, established and incorporated with the approval of the Village's Board of Trustees pursuant to Village Law §10-1004 for the purpose of providing volunteer members to operate the Village's Fire Department and provide such fire protection and emergency services in accordance with and subject to the requirements of applicable State and Federal laws, rules and regulations, including but not limited to New York Village Law Article 10; and

WHEREAS, the Village annually appropriates funds in its municipal budget to finance the operations of its Fire Department; and

WHEREAS, there has been duly established in Franklin County Town of Harrietstown and in Essex County Towns of St. Armand and North Elba, Fire Protection Districts embracing territory in each said Town; and

WHEREAS, contracts with said Towns, and Trustees for their respective fire Protection Districts, have heretofore been entered into by the Village providing for the furnishing to said districts and the properties therein fire protection pursuant to General Municipal Law Article 10; and

WHEREAS, the Fire Company has approved and consented to said agreements; and

the Fire Company represents that its members are qualified, trained and capable of providing and furnishing such services and that the Fire Company and its members possess the leadership and professionalism necessary to properly and competently perform such services; and

WHEREAS, a public hearing has been held pursuant to Village Law 4-412(b) following proper notice as required thereby, and,

WHEREAS, the Village and the Fire Company desire to set forth their respective rights and responsibilities relative to the operation of the Village's Fire Department and the furnishing of {a) fire protection and emergency services within the corporate limits of the Village and (b) fire protection and emergency rescue in the town fire protection districts with which the Village contracts for such services.

NOW THEREFORE, in consideration of the mutual terms, conditions and covenants herein, the receipt of good and valuable consideration, the receipt and sufficiency of which is acknowledged by both parties, the parties hereby agree as follows:

1. The monies required to be paid or expended by said Towns under the terms of the contracts with the Village shall be apportioned between the Village and the Fire Company as follows: The Village agrees to pay the Fire Company the annual sum of Ninety-two Thousand and Two hundred dollars (\$92,200.00) during the term of this contract. Said annual sum shall be paid in two equal installments with the first such installment being paid on April 1, and the second such installment being paid on October 1.

2. The Village does hereby engage and retain the Fire Company, and the Fire Company hereby agrees to provide all necessary qualified, trained and competent personnel, to furnish:

(a) Fire protection and emergency services (including but not limited to emergency rescue) within the corporate limits of the Village in cases of accidents, calamities, alarms of fire, personal injuries and other emergencies in connection with which the services of firemen, fire equipment, and emergency rescue personnel and equipment would be required; and

(b) Fire protection pursuant to Article 10 of the General Municipal Law to the town fire protection districts for which the Village has entered into a contract therefore and which has been approved by the Fire Company pursuant to General Municipal Law §209-d, and/or

(c) Emergency rescue and first aid squad relief pursuant to General Municipal Law §209-b to the town fire protection districts for which the Village has entered into a contract therefore and which the Fire Company pursuant to General Municipal Law §209-d has approved.

3. In consideration of the services to be provided and furnished by the Fire Company, the Village agrees to:

(a) Provide suitable space in the Village's firehouse for the Fire Company and its members to use and occupy, and in which to store their own equipment, in connection with the fire company's performance of this agreement;

(b) Provide communications equipment and dispatching facilities;

- (c) Provide and pay for the costs of insurance coverage as follows:
 - (1) Worker's compensation insurance for the members of the Fire Company and any other fire department personnel including but not limited to paid fire drivers;
 - (2) Public liability insurance insuring the Village and the Fire Company in an amount of not less than \$1 million dollars per occurrence, single limit for bodily injury for death and/or property damage;
 - (3) Fire, casualty and multi-peril insurance insuring the firehouse and all of the contents thereof owned by the Village.
- (d) As part of the consideration paid by the Village to the Fire Company under this Agreement, in addition to the cash payment to be made, and in furtherance of a proper Village purpose, this Agreement includes the value of the Village providing regular maintenance and repairs to all fire department and Fire Company vehicles, apparatus and equipment including but not limited to annual hose testing, ladder testing, air pack servicing/inspection and extrication tools servicing/inspection.

4. In addition to the services to be provided and furnished by the Fire Company, the Fire Company agrees to:

- (a) Provide the Village with a copy of the Fire Company's Federal tax return each year after the said return has been filed with the IRS;
- (b) Provide, prepare, maintain and file all report forms and other documents required by State and/or Federal law, rule or regulation, as well as those customarily kept by municipal fire departments in the State of New York and as requested by the Village;
- (c) Provide qualified, competent, trained and experienced personnel to perform and furnish the services required of the Fire Company under this agreement;
- (d) Comply with and abide by all lawful rules, regulations and directives of the Village's Board of Trustees, so long as said rules, regulations and directives do not directly contradict the Fire Company's certificate of incorporation or its by-laws;
- (e) Comply with and abide by all applicable State and Federal laws, rules and regulations governing the performance and rendition of the services to be furnished under this agreement subject to funding by the Village.
- (f) Obtain and keep in full force and effect any and all licenses, permits and certificates required by any government authority having jurisdiction over the rendition and performance of the services to be furnished by the Fire Company under this agreement; and
- (g) Promptly advise the Village of all damages to property of the Village or of others, or of injuries incurred by persons (including but not limited to members of the Fire Company), in any manner relating, either directly or indirectly to the performance of this agreement.

5. All policies of insurance to be provided by the Village and/or the Fire Company shall provide that the same may not be cancelled except upon twenty (20) days prior written

notice to the Village and Fire Company. The Village shall provide written proof of such insurance to the Fire Company at the time of the execution of this agreement, and whenever such insurance coverage are renewed during the term of this agreement.

6. It is understood and agreed that ownership in and title to any equipment, supplies, materials, vehicles, apparatus, appliances, goods and/or other personal or real property purchased or otherwise acquired with Village funds shall be with and remain with the Village and the Fire Company shall make no claim of any kind or nature therein or thereto. It is understood and agreed that ownership in and title to any equipment, supplies, materials, vehicles, apparatus, appliances, goods and/or other personal or real property purchased or otherwise acquired with Fire Company funds, including funds paid to the Fire Company by the Village pursuant to paragraph 1 (a) of this Agreement, shall be with and remain with the Fire Company and the Village shall make no claim of any kind or nature therein or thereto.

7. This agreement shall expire at the end of the day of December 31, 2026.

8. This agreement may be terminated without cause by either party upon 180 days prior written notice. In the event this agreement is terminated by either party, and the Village has paid monies to the Fire Company pursuant to paragraph 1 above, the Fire Company shall promptly refund the remaining monies to the Village. To arrive at the refund amount, a proration shall be used based on the termination date and the number of days remaining in the payment period as described in paragraph 1 above.

9. The Fire Company and its members, while engaged in the performance of their duties in providing the services to town fire protection districts, shall have the same rights, privileges, and immunities as if performing the same inside the corporate limits of the Village.

10. The Village and the Fire Company each agrees to indemnify, hold harmless and defend the other from all damages, claims, judgments, losses, costs and expenses, including but not limited to attorney fees, which may after this agreement may at any time be incurred, suffered, sustained by or imposed upon the other by third parties, by reason of acts or omissions of the other, arising out of, by virtue of, or incident to the services contemplated to be provided by the other under this agreement, including but not limited to bodily injury, sickness, disease, death, or destruction of tangible property which is caused in whole or in part solely by the act or omission of the Village or Fire Company, or anyone directly employed by one or the other. Whenever any loss, cost, damage or expense covered by this paragraph is paid in whole or in part by insurance proceeds, then the party so insured releases the other party from any liability they have on account of such loss, cost, damage or expenses to the extent of the amount recovered by reason of such insurance, and waives right or subrogation which might otherwise exist in or accrue to any person on account of

it, provided that such release of liability and waiver of the right of subrogation shall not be operative in any case where the effect is to invalidate such insurance coverage or to increase its cost, except as otherwise provided by law including but not limited to General Municipal Law 205-b and 205-g.

11. The services to be furnished and rendered under this agreement by the Fire Company shall be available to any and all residents of the Village and/or the town fire protection districts without regard to race, color, creed, sex, religion, national or ethnic origin, handicap, or source of payment.

13. The Fire Company shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter collectively "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Village Treasurer and/or Manager, the State Comptroller, the Attorney General or any other person or entity authorized to conduct an examination, shall have access to the Records during normal business hours at an office of the Fire Company within the State of New York, or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Village shall take reasonable steps to protect from public disclosure any of the records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that; (a) the Fire company shall timely inform an appropriate Village official, in writing, that said records should not be disclosed; and said records shall be sufficiently identified; and (b) designation of said records as exempt under the statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Village's right to discovery in any pending or future litigation.

14. The Village shall have no liability under this contract to the Fire Company or to any other person or entity beyond the amount funds appropriated and available for this contract.

15. This agreement may not be assigned, subcontracted, transferred, conveyed, sublet or otherwise disposed of in whole or in part, by the Fire Company, without the prior written consent of the Village, and any attempts to assign the contract without the Village's written consent are null and void.

16. Whenever the term "Fire Company" is used in this agreement, such term shall include and apply to all members, employees, officers, directors and agents, if any, of the Fire Company.

17. This agreement may not be amended, modified or renewed except by written agreement signed by the Fire Company and the Village.

18. This agreement is the entire agreement between the parties, and the same shall be construed in accordance with the laws of the State of New York.

19. In the event that, for any reason, a new contract is not executed and effective at the end of the term of this Agreement, then the Parties hereto acknowledge that the terms of this Agreement will continue for a period not to exceed sixty (60) days or as long as the Parties hereto are engaging in contract negotiations, whichever is longer. Upon the termination of or failure of contract negotiations, the Agreement shall terminate, if not agreed upon, and the parties shall negotiate a new agreement. Nothing however, shall impair the rights of the parties to negotiate and agree to a new agreement retroactive to the termination date of this agreement or any extension thereof pursuant to Village Law 4-412(9)(c).

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Agreement effective the day and year first above written.

STATE OF NEW YORK CONTRACT FOR GRANTS SIGNATURE PAGE

IN WITNESS THEREOF, the parties hereto have electronically signed and agreed to this Contract, or approved this Contract on the dates below their signatures.

In addition, I, acting in the capacity as Contractor, certify that I am the signing authority, or have been delegated or designated formally as the signing authority by the appropriate authority or official, and as such I do agree, and I have the authority to agree, to all of the terms and conditions set forth in the Contract, including all appendices and attachments. I understand that (i) payment of a claim on this Contract is conditioned upon the Contractor's compliance with all applicable conditions of participation in this program and if applicable, the accuracy and completeness of information submitted to the State of New York through the New York State prequalification process and (ii) by electronically indicating my acceptance of the terms and conditions of the Contract, I certify that (a) to the extent that the Contractor is required to register and/or file reports with the Office of the Attorney General's Charities Bureau ("Charities Bureau"), the Contractor's registration is current, all applicable reports have been filed, and the Contractor has no outstanding requests from the Charities Bureau relating to its filings and (b) all data and response in the application submitted by the Contractor are true, complete and accurate. I also understand that use of my assigned User ID and Password on the State's contract management system is equivalent to having placed my signature on the Contract and that I am responsible for any activity attributable to the user of my User ID and Password. Additionally, any information entered will be considered to have been entered and provided at my direction. I further certify and agree that the Contractor agrees to waive any claim that this electronic record or signature is inadmissible in court, notwithstanding the choice of law provisions.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
- 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report*: The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report*: The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report*: The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report*: The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
- 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report*: The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report*: The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report*: The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report*: The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

STATE OF NEW YORK CONTRACT FOR GRANTS SIGNATURE PAGE

IN WITNESS THEREOF, the parties hereto have electronically signed and agreed to this Contract, or approved this Contract on the dates below their signatures.

In addition, I, acting in the capacity as Contractor, certify that I am the signing authority, or have been delegated or designated formally as the signing authority by the appropriate authority or official, and as such I do agree, and I have the authority to agree, to all of the terms and conditions set forth in the Contract, including all appendices and attachments. I understand that (i) payment of a claim on this Contract is conditioned upon the Contractor's compliance with all applicable conditions of participation in this program and if applicable, the accuracy and completeness of information submitted to the State of New York through the New York State prequalification process and (ii) by electronically indicating my acceptance of the terms and conditions of the Contract, I certify that (a) to the extent that the Contractor is required to register and/or file reports with the Office of the Attorney General's Charities Bureau ("Charities Bureau"), the Contractor's registration is current, all applicable reports have been filed, and the Contractor has no outstanding requests from the Charities Bureau relating to its filings and (b) all data and response in the application submitted by the Contractor are true, complete and accurate. I also understand that use of my assigned User ID and Password on the State's contract management system is equivalent to having placed my signature on the Contract and that I am responsible for any activity attributable to the user of my User ID and Password. Additionally, any information entered will be considered to have been entered and provided at my direction. I further certify and agree that the Contractor agrees to waive any claim that this electronic record or signature is inadmissible in court, notwithstanding the choice of law provisions.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
- 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report*: The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report*: The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report*: The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report*: The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
- 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
 - a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
 3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
 4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
 5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report*: The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report*: The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report*: The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report*: The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

STATE OF NEW YORK CONTRACT FOR GRANTS SIGNATURE PAGE

IN WITNESS THEREOF, the parties hereto have electronically signed and agreed to this Contract, or approved this Contract on the dates below their signatures.

In addition, I, acting in the capacity as Contractor, certify that I am the signing authority, or have been delegated or designated formally as the signing authority by the appropriate authority or official, and as such I do agree, and I have the authority to agree, to all of the terms and conditions set forth in the Contract, including all appendices and attachments. I understand that (i) payment of a claim on this Contract is conditioned upon the Contractor's compliance with all applicable conditions of participation in this program and if applicable, the accuracy and completeness of information submitted to the State of New York through the New York State prequalification process and (ii) by electronically indicating my acceptance of the terms and conditions of the Contract, I certify that (a) to the extent that the Contractor is required to register and/or file reports with the Office of the Attorney General's Charities Bureau ("Charities Bureau"), the Contractor's registration is current, all applicable reports have been filed, and the Contractor has no outstanding requests from the Charities Bureau relating to its filings and (b) all data and response in the application submitted by the Contractor are true, complete and accurate. I also understand that use of my assigned User ID and Password on the State's contract management system is equivalent to having placed my signature on the Contract and that I am responsible for any activity attributable to the user of my User ID and Password. Additionally, any information entered will be considered to have been entered and provided at my direction. I further certify and agree that the Contractor agrees to waive any claim that this electronic record or signature is inadmissible in court, notwithstanding the choice of law provisions.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
 - 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report:* The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report:* The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report:* The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report:* The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

MEMORANDUM OF UNDERSTANDING**

WHEREAS, the Village of Saranac Lake, will secure an organic waste material hauler to pilot a food waste diversion project on behalf of the residents of the Village oof Sarana Lake

WHEREAS, Village of Saranac Lake will leverage this project as a component of it's Climate Smart Comminutes program participation.

NOW, THEREFORE BE IT RESOLVED, the Saranac Lake Village Board of Trustees authorizes the agreement to partner with River Valley Regeneratives (RiVR) LLC at 36 Church St, Redford, NY 12978.

Memorandum of Understanding
River Valley Regeneratives (RiVR) LLC at 36 Church St, Redford, NY 12978
&
The Village of Saranac Lake at 39 Main St, Suite 9, Saranac Lake, NY 12983

Purpose:

The purpose of this Memorandum of Understanding (MOU) is to secure an organic waste material hauler to pilot a food waste diversion project on behalf of the residents of the Village of Saranac Lake (The Village). The Village will leverage this project as a component of its Climate Smart Communities program participation.

Parties of the Agreement:

This agreement and is made and entered into between RiVR LLC at 36 Church St in Redford, NY 12978, hereinafter referred as the Agency, and the Village of Saranac Lake at 39 Main St, Suite 9, Saranac Lake, NY 12983, hereinafter referred to as the Partner.

Background:

The Agency is an organic waste hauling business located in the Hamlet of Redford, NY. They currently process 12-14 tons of wasted food/week into compost which is distributed to local farms and gardens. They collect scraps from haulers from residents, restaurants, institutions, schools and food processors across Essex, Franklin and Clinton counties. Diverting food waste from landfills offsets greenhouse gas emissions (buried food waste generates the potent GHG methane) while generating a local source of nutrient dense soil fertility to local growers.

Terms of the Agreement:

The Agency agrees to provide the Partner:

- Weekly food waste collection commencing on May 2, 2026 - bins will not be collected during colder temperatures if they are less than ½ full
- 1 fifty-gallon bin to be sited at 33 Petro Avenue, Saranac Lake, NY 12983. and retrofitted with a padlock - the Agency will notify the Partner in the event that the capacity of the bin is insufficient
- Educational materials for public education and engagement
- Management of potential users through an online quiz and intake form
- Promotion of the program at 3 farmers' markets throughout the summer
- Field questions from residents
- During warmer months, provide a supply of wood chips to mitigate odors and flies
- Monthly invoices including the total pounds of wasted food collected
- Draft a press release to be issued by the Partner in advance of launch of the program

The Partner agrees to:

- Remit \$15/bin collected to the Agency upon receipt of invoice
- Communicate with the Agency if there are any issues with the collection site
- Provide a promotional sign at the site to direct the public
- Maintain the collection site for public safety and easy access for the Agency

- Promote the collection program through their website, social media and other options
- Partner with the Agency to submit Climate Smart Communities points when appropriate

Termination Clause:

The agreement may be terminated by either party, at any time with or without cause, giving a thirty (30) days written notice of intention to the other party.

STATE OF NEW YORK CONTRACT FOR GRANTS SIGNATURE PAGE

IN WITNESS THEREOF, the parties hereto have electronically signed and agreed to this Contract, or approved this Contract on the dates below their signatures.

In addition, I, acting in the capacity as Contractor, certify that I am the signing authority, or have been delegated or designated formally as the signing authority by the appropriate authority or official, and as such I do agree, and I have the authority to agree, to all of the terms and conditions set forth in the Contract, including all appendices and attachments. I understand that (i) payment of a claim on this Contract is conditioned upon the Contractor's compliance with all applicable conditions of participation in this program and if applicable, the accuracy and completeness of information submitted to the State of New York through the New York State prequalification process and (ii) by electronically indicating my acceptance of the terms and conditions of the Contract, I certify that (a) to the extent that the Contractor is required to register and/or file reports with the Office of the Attorney General's Charities Bureau ("Charities Bureau"), the Contractor's registration is current, all applicable reports have been filed, and the Contractor has no outstanding requests from the Charities Bureau relating to its filings and (b) all data and response in the application submitted by the Contractor are true, complete and accurate. I also understand that use of my assigned User ID and Password on the State's contract management system is equivalent to having placed my signature on the Contract and that I am responsible for any activity attributable to the user of my User ID and Password. Additionally, any information entered will be considered to have been entered and provided at my direction. I further certify and agree that the Contractor agrees to waive any claim that this electronic record or signature is inadmissible in court, notwithstanding the choice of law provisions.

STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as 'Contract' or 'Agreement'), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with the grant award, the order of precedence is as follows:

1. Appendix A -- Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

¹ For modifications required by the Federal government see Section I(M)

The documents above, collectively, comprise the entire Agreement and govern the

program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant

to the Contract.

- I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.
- J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.
- K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.
- L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor's notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.
- M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.
- N. Renewal:**
- 1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.
 - 2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for

implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants

and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.
2. If requested by the State, the Contractor agrees not to enter into any

subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.
4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).
5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.
6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.
2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.
 - a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.
 - b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

- c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this contract for use or acquisition of Property to carry out its obligations under the Contract.
 - d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.
 - e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.
2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:
- a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169-2).
 - b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.
3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).
4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.
5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

E. Records and Audits:

1. General:

- a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).
- b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:
 - i. personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals,

cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

- ii. payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.
 - iii. non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.
 - iv. receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.
- c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.
- d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.
- e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

F. Confidentiality

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.
2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.
3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
4. Contractor may disclose Confidential Information if such information is required

to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.
6. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

G. Publicity:

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.
2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior approval of the State. Any such publication, presentation or announcement shall:
 - a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and
 - b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.
3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III(F)(2) (Publicity) hereof.

H. Web-Based Applications-Accessibility:

Any network-based information and applications development, or programming delivered to or by the State pursuant to this contract or procurement, will comply with Section 508 of the Rehabilitation Act of 1973, as amended, and be consistent with New York State Enterprise IT Policy NYS-P08-005, Accessibility of Information Communication Technology, as such policy may be amended, modified, or superseded (the "Accessibility Policy"). The Accessibility Policy requires that State Entity Information

Communication Technology shall be accessible to persons with disabilities as determined by accessibility compliance testing. Such accessibility compliance testing will be conducted by (State Entity name, contractor or other) and any report on the results of such testing must be satisfactory to (State Entity name).

I. Unemployment Insurance Compliance:

The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

1. The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following: a) any records of unemployment insurance (UI) contributions, interest, and/or penalty payment arrears or reporting delinquency; b) any debts owed for UI contributions, interest, and/or penalties; c) the history and results of any audit or investigation; and d) copies of wage reporting information.
2. Such disclosures are protected under Section 537 of the State Labor Law, which makes it a misdemeanor for the recipient of such information to use or disclose the information for any purpose other than the performing due diligence as a part of the approval process for the Contract.

J. Charities Registration:

If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Contract.

K. Vendor Responsibility:

The Contractor hereby acknowledges that the State Vendor Responsibility Questionnaire (Questionnaire) and certification are made part of this Contract and that any misrepresentation of fact in the Questionnaire and attachments, or in any Contractor responsibility information that may be requested by the State, may result in termination of this Contract.

The Contractor shall at all times during the contract term remain responsible. During the term of this Contract, any changes in the provided Questionnaire shall be disclosed to the State Agency, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this Contract. Furthermore, the Contractor agrees, if requested by the State, it must present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The State, in its sole discretion, reserves the right to make a final determination of non-responsibility at any time during the term of the Contract, based on any information provided in the Questionnaire and/or any updates, clarifications, or amendments thereof; and/or when it discovers information that calls into question the responsibility of the Contractor. Prior to making a final determination of non-responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

The State reserves the right to suspend any or all activities under this Contract, upon discovery of such information warranting review of responsibility. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under this Contract.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Contract shall be void and of no force and effect unless the Contractor shall provide and maintain

coverage during the life of the Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrates its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give

something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State

of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently

and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall

apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New

York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify

the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing,

paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012"

("Prohibited Entities List") posted at:
<https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency

shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

CONTRACT PERIOD: From: 04/01/2026
To: 03/31/2029

The Phase 1 Lake Colby Beach/William Wallace Park Accessibility Upgrade project in the Village of Saranac Lake, NY, aims to improve accessibility, safety, and community access at one of the Village's most popular public waterfront recreation areas. The overall goal is to produce shovel-ready drawings and bid documents that modernize the beach and bathhouse facility, ensure ADA compliance, and prepare for future construction.

The target population includes residents of all ages and abilities, seasonal visitors, and families from Franklin and Essex Counties, with an estimated 2,500-3,000 individuals served annually. The service delivery method focuses on creating a fully accessible public space that can be safely and equitably enjoyed by the community, including barrier-free routes to the waterfront, upgraded facilities for lifeguards and staff, and improved pedestrian connections from parking areas to the beach.

The site is publicly accessible year-round, with peak use during the summer months for swimming, picnicking, and outdoor recreation. By addressing accessibility, infrastructure, and safety, the project seeks to enhance the overall visitor experience, support inclusive recreation, and promote equitable access for all community members.

Cost Effectiveness - Phase 1 focuses on producing shovel-ready construction drawings and bid documents, ensuring funds directly support project readiness. Costs are reasonable based on market rates, comparable municipal park projects, and historical Village project costs. The Village will competitively bid all design and bid preparation work, as it lacks internal capacity for professional construction documents. Budget allocations prioritize contractual services for design while covering administrative oversight and contingency. Supporting documentation are provided to demonstrate cost effectiveness and justify expenditures. Each expense is aligned with achieving ADA-compliant improvements and preparing for future construction.

Partnerships - Phase 1 Lake Colby Beach/William Wallace Park Accessibility Upgrade project has strong support from Village leadership and the community. Identified through the Village's LWRP, which included extensive public engagement, the project reflects resident priorities and addresses diverse needs. The Village Board, Village Manager, and Community Development Department will oversee the design and bid document phase, while local organizations and agencies have expressed support for its role in enhancing access, recreation, and tourism. Letters of support and local media coverage document this broad-based backing, ensuring the project aligns with community priorities and fosters transparent, inclusive

Planning Support - Phase 1 Lake Colby Beach/William Wallace Park Accessibility Upgrade builds on the Village of Saranac Lake's planning and economic initiatives, including the Comprehensive Plan, Local Waterfront Revitalization Program (LWRP), Parks Vision Plan, Tree City USA, and Monarch Friendly Community certification.

The Comprehensive Plan emphasizes community-centered growth, reinvestment in public assets, and quality of life. The LWRP identifies Lake Colby Beach as a priority for improved accessibility, modernized facilities, and safe waterfront access.

The Parks Vision Plan underscores accessibility, inclusive recreation, and environmental stewardship, guiding improvements that support visitor enjoyment and ecological health. Monarch Friendly emphasizes pollinator-friendly landscaping, native plantings, and sustainable habitat design. Tree City USA reflects the Village's commitment to urban forestry and green infrastructure, integrated into landscaping and stormwater management improvements. Producing shovel-ready construction drawings and bid documents translates these priorities into actionable improvements that modernize infrastructure, ensure ADA compliance, and enhance equitable access for residents and visitors of all ages and abilities. It reflects Smart Growth principles by reinvesting in an existing hub, strengthening recreation while preserving Lake Colby's natural character.

Overall, this project advances local and regional goals by improving infrastructure, supporting inclusive recreation, reinforcing community identity, and fostering long-term economic and social vitality aligned with Village planning efforts and Adirondack Park priorities.

Alignment with Special Conditions of the ADK Park - Phase 1 Lake Colby Beach/William Wallace Park

Accessibility Upgrade strongly aligns with the Special Conditions of the Adirondack Park. Lake Colby Beach is one of the Village's most popular public recreation areas, providing swimming, picnicking, open space, and waterfront access for residents and visitors. This project strengthens the Park's tradition of high-quality, nature-based recreation by ensuring opportunities are fully accessible to people of all ages and abilities.

The project addresses current challenges: outdated infrastructure, inadequate accessibility, and stormwater runoff causing erosion and water quality threats. Shovel-ready plans will allow the Village to implement durable, ADA-compliant, environmentally sound improvements that safeguard Lake Colby for future generations.

By advancing a long-standing local priority into construction readiness, a modernized, accessible beach will expand outdoor recreation, improve public safety, and increase equitable access. These improvements support tourism, benefit small businesses and hospitality services, and enhance year-round economic vitality, while enriching daily life for residents.

The project also buffers the Park from environmental and economic threats. Sustainable grading, drainage, and erosion-control strategies will protect water quality and scenic resources. Economically, an inclusive public space broadens the visitor base and strengthens resilience to tourism fluctuations by diversifying participation in Park experiences. In summary, this project builds on the Park's strengths, addresses pressing challenges, leverages community and economic opportunities, and implements solutions that buffer the Park from future risks. Lake Colby Beach will become a model of sustainable, inclusive, community-centered recreation, reflecting the Park's balance of conservation, accessibility, and vitality.

ATTACHMENT D
PAYMENT AND REPORTING

A. General Terms and Conditions:

1. In full consideration of contract performance, the State Agency agrees to pay, and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained and the contract is fully executed. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.
3. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. Payment for invoices submitted by the Contractor shall be rendered electronically in accordance with OSC's procedures and practices governing electronic payment unless payment by paper check is expressly authorized by the head of the State Agency, in his or her sole discretion after the Contractor establishes extenuating circumstances requiring payment by paper check.
7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by the State Agency, and, if actual expenditures by the Contractor are less than such sum, the amount payable by the State Agency to the Contractor shall not exceed the amount of actual expenditures.
10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. However, if this contract is funded, in whole or in part, with Federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures and submit the claim to the State Agency.
11. The State shall not be liable for payments on the Contract if it is made pursuant to a

Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System ("CFR"). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

B. Advance Payments and Claiming Requirements:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179-u for both multiyear and renewal contracts and the provisions of this contract. Federally funded contract advances will be made as set forth by the Federal grant award requirements and applicable Federal regulations and this contract.
2. For simplified renewals, the payment schedule will be modified as part of the renewal process. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year.
3. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
4. All Claim Submissions including Advance Payments, Initial Payments, and Reimbursements shall be made in accordance with the State Agency approved Schedule A: Claiming Requirements below.

Schedule A: Claiming Requirement

Period : -			
Claim Number	Claim Type	Claim Period	Due Date
		-	

5. Milestone/Performance Reimbursement is based upon the Contractor satisfactorily meeting specified and meaningful events or milestones in performance of duties under this Contract. Requests for such payments be severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.
 - For non-performance based contracts, the Contractor's costs must be allocated pursuant to a plan that meets the requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR Part 200. Methods used to determine and assign costs shall conform to generally accepted accounting practices and shall be consistent with the method(s) used by the Contractor to determine costs for other operations or programs. Such accounting standards and practices shall be subject to approval of the State.
 - For performance-based milestone contracts, or for the portion of the contract amount paid on a performance basis, the Contractor shall maintain documentation demonstrating that milestones were attained.
6. Fee for Service Reimbursement is based upon a rate established by the Contractor for a service or services rendered. Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable in accordance with the State Agency

approved Schedule A: Claiming Requirements.

7. Rate Based Reimbursement is based upon an established rate per unit at defined intervals to be paid to the Contractor in accordance with the State Agency approved Schedule A: Claiming Requirements. Payment shall be limited to rate(s) established in the Contract and may be requested no more frequently than monthly.
8. Fifth Quarter Payments occur when there are scheduled payments and an expectation that services will be continued through renewals or subsequent contracts. Fifth quarter payment shall be paid to the Contractor at the conclusion of the final scheduled payment period of the preceding contract period. The State Agency shall generate a voucher in the fourth quarter of the current contract year to pay the scheduled payment for the next contract year.
9. If the Expenditure Based Budget is used in Attachment B-1 and the Expenditure Report is selected below, the Contractor shall submit, not later than the time period listed in the State Agency approved Schedule A: Claiming Requirements above, a detailed expenditure report, by object of expense. This report shall accompany the voucher submitted for such period.

Expenditure Report Required

C. Refunds:

1. In the event that the Contractor must refund the State for Contract-related activities, including repayment of an advance or an audit disallowance, the refund must be made payable as set forth by the State Agency, must reference the contract number with its payment, and include a brief explanation of why the refund is being made.
2. If at the end or termination of the Contract there remains any unexpended balance of the monies advanced under the Contract in the possession of the Contractor, the Contractor shall make payment within forty-five (45) calendar days of the end or termination of the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

D. Progress Reporting Requirements:

If the State Agency determines that Work Plan Based Reporting is required to summarize the progress made on the performance measures established in the Contract, such reporting shall be made online as directed by the State Agency.

If Work Plan Based Reporting is not required, the Contractor shall comply with the following applicable provisions and the Contractor shall provide the State Agency with one or more of the following reports as required by the State Agency:

1. *Narrative/Qualitative Report:* The Contractor shall submit no later than the time period identified in Schedule B: Progress Reporting Requirements, below, a report, in narrative form, summarizing the services rendered during the quarter. This report shall detail how the Contractor has progressed toward attaining the qualitative goals enumerated in the Work Plan. This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.
2. *Statistical/Quantitative Report:* The Contractor shall submit, on a quarterly basis, no later than the time period listed in Schedule B: Progress Reporting Requirements, below, a detailed report analyzing the quantitative aspects of the program plan, as appropriate (e. g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)
3. *Final Report:* The Contractor shall submit a final report as required by the Contract, not later than the time period listed in Schedule B: Progress Reporting Requirements, below, which reports on all aspects of the program and detailing how the use of funds were utilized in achieving the goals set forth in Attachment C (Work Plan).
4. *Consolidated Fiscal Report:* The Contractor shall submit a consolidated fiscal report, which includes a year-end cost report and final claim not later than the time period listed in Schedule B: Progress Reporting Requirements below.

I. POLICY STATEMENT

In accordance with the Village of Saranac Lake adopted procedures, the Purchasing Official is authorized to administer all purchasing activities with regard to materials, supplies, services and equipment. The primary function of the Purchasing Official is to ensure that the Village of Saranac Lake receives the best possible products and services that meet the needs of the requesting department at the lowest possible cost.

In this document, unless otherwise noted, the term "political subdivision" applies to the Village of Saranac Lake in its entirety. The term "Purchasing Official" may also apply to an appropriate designee for whom the Purchasing Official oversees.

Rules governing purchasing and contract procedures were established under the concept of open competitive bidding as set forth by General Municipal Law (GML §§ 103 and 104-b). Under this system, purchase awards are made to the lowest responsible vendor who meets the Village's specifications and is capable of delivering the service or product. These specifications and conditions are outlined in bid packages that are available to all interested vendors.

The Village of Saranac Lake encourages all segments of the business community to participate in its purchasing program. The Purchasing Official coordinates vendor contracts and supervises the procurement process to ensure compliance with purchasing policies and procedures.

II. THE PURCHASING PROCESS

The Purchasing Official maintains a list of qualified vendors for solicitation of quotes and bids. Vendors wishing to be included on the Vendor Bid List may contact the Purchasing Official to have their company's name added.

III. METHODS OF PURCHASE

The following purchasing methods are used by the Village to acquire products, services and equipment:

COMMODITIES, EQUIPMENT & GOODS/ PROFESSIONAL SERVICES

Dollar Limit	Required Procedure
\$1 – \$2,499	At the discretion of the Department Head. All purchases require documented justification
\$2,500 – \$4,999	Documented telephone quotes from at least 3 separate vendors ; purchases of \$2,500 or more require PRIOR Finance Committee approval.
\$5,000 – \$20,000	Written quotes from at least 3 separate vendors; purchases require PRIOR Finance Committee approval.
\$20,001 and above	Sealed bids in conformance with General Municipal Law § 103; purchases of require PRIOR Finance Committee approval.

PUBLIC WORKS PROJECTS / CONTRACTS

Dollar Limit	Required Procedure
\$1 – \$2,499	At the discretion of the Department Head. All purchases require documented justification;
\$2,500 – \$4,999	Documented telephone quotes from at least 3 separate vendors; purchases of \$2,500 or more require PRIOR Finance Committee approval.
\$5,000 – \$35,000	Written quotes from at least 3 separate vendors (if available) ;purchases require PRIOR Finance Committee approval.
\$35,001 and above	Sealed bids in conformance with General Municipal Law § 103; purchases require PRIOR Finance Committee approval.

PROFESSIONAL SERVICE CONTRACTS

Dollar Limit	Required Procedure
\$1 – \$2,499	At the discretion of the Village Manager. All purchases require documented justification;
\$2,500 – \$4,999	Documented telephone quotes from at least 3 separate vendors; purchases of \$2,500 or more require PRIOR Finance Committee approval.
\$5,000 – \$10,000	Written quotes from at least 3 separate vendors (if available); purchases require PRIOR Finance Committee approval.
\$10,001 and above	Sealed bids in conformance with General Municipal Law §103; purchases require PRIOR Finance Committee approval.

A good faith effort shall be made to obtain the required number of proposals or quotations. If the required number cannot be obtained, the purchaser will document the attempt, including the vendors contacted and the reason no quote or proposal could be secured. The failure to obtain the required number of proposals shall not be a bar to procurement.

In the course of normal business, departments are authorized to secure quotes in accordance with the above thresholds. All quotes secured by individual departments are subject to review and approval by the purchasing official. Vendors should exercise particular care when quoting prices to ensure accuracy of quantities, units of measure, pricing, and delivery terms.

Telephone quotes should be provided the same day as requested, if possible. Written, faxed, or electronic quotes are solicited by issuance of a "Request for Quote" form; the vendor should return the completed form within the designated time period. The Village will accept quote responses via US Mail, courier service, scanned email, or fax.

IV. COUNTY CONTRACT

County governing boards within New York State may make provision in county purchase contracts allowing political subdivisions and districts to piggyback off their contracts—that is, to purchase materials, equipment and supplies under such contracts. These purchases must be made in accordance with rules adopted by the county board prescribing the conditions under which such purchases may be made (County Law § 408-a).

Pursuant to GML § 103(3), purchases made through the county are exempt from the competitive bidding requirements of GML § 103.

V. STATE CONTRACTS

Pursuant to GML § 104, political subdivisions are authorized to make purchases of materials, equipment and supplies (except printed material) through the NYS Office of General Services (OGS), subject to rules established by OGS (see State Finance Law § 163). GML § 104 provides that such purchases are exempt from competitive bidding requirements.

VI. PURCHASING INVOLVING SOME STATE AND FEDERAL FUNDS

When purchases are made using funds from state or federal sources, including but not limited to grants, aid programs, or disaster recovery funding, the procurement procedures required by the funding agency shall take precedence over this policy if they differ. In such cases, the Village shall comply with the most restrictive applicable requirements to ensure eligibility and proper use of funds. It is the responsibility of the purchasing agent or department head to identify such funding conditions in advance and follow all mandated procurement procedures, including documentation, solicitation, and contract requirements.

For purchases involving the use of Community Development Block Grant funds, the Village of Saranac Lake shall follow the procedures outlined in the 'Federal Procurement Addendum,' which complies with 2 CFR §§ 200.318–.326 and includes provisions for MWBE, Section 3, and Equal Employment Opportunity compliance.

VII. PIGGYBACK CONTRACTS

A "Piggyback Contract" is a contract let by the United States or any agency thereof, any state, or any other county, political subdivision, or district therein. For the piggyback contract exclusion to apply, the contract must have been let in a manner consistent with GML § 103 and made available for use by other governmental entities.

GML § 103 stipulates three prerequisites that must be met for a procurement to take place under this exception:

- The contract must have been let by the United States or any agency thereof, any state, or any other political subdivision or district therein.
- The contract must have been "made available for use by other governmental entities," meaning the contract must include language extending its terms and conditions to other governmental entities.

- The contract must have been "let to the lowest responsible bidder or on the basis of best value in a manner consistent with GML § 103."

Each contract presented under this section must be individually evaluated on a case-by-case basis. Any proposed agency or political subdivision must have a due diligence assessment performed to ensure compliance with GML. If the due diligence demonstrates compliance with GML § 103, a resolution must be presented to the Village Board approving the purchase.

VIII. PURCHASING POLICIES AND CONTROL

Planning

A. Anticipate Your Needs: Once you have established what you need, within the limitation of your budget, requisition these needs as far in advance as possible. Adequate lead time affords the Purchasing Official the opportunity to solicit competitive bids or quotes and obtain the best possible value.

B. Emergencies: An exception to competitive bidding requirements exists for emergency situations. Three basic statutory criteria must be met to fall within this exception:

- The situation arises out of an accident or other unforeseen occurrence or condition.
- The circumstances affect public buildings, public property, or the life, health, safety, or property of the political subdivision's residents.
- The situation requires immediate action that cannot await competitive bidding.

In short, if the need can be foreseen in the future, the standard bid process should be followed.

IX. SOLE SOURCE

Competitive bidding is not required under GML § 103 in those limited situations when a political subdivision, in the public interest, requires particular goods or services that uniquely serve the public interest, for which there is no substantial equivalent, and which are in fact available only from one source.

In making a sole source determination, the political subdivision should document, among other things:

- The unique benefits of the item as compared to items available in the marketplace.
- That no other item provides substantially equivalent or similar benefits.
- That, considering the benefits received, the cost of the item is reasonable compared to other products or services in the marketplace.
- That there is no possibility of competition for the procurement.

X. PROFESSIONAL SERVICES

The courts have held that "professional services" are not contracts for public work as that phrase is used in the bidding statutes, and therefore are not subject to competitive bidding procedures. Generally, professional services involve specialized expertise, the use of professional judgment, and/or a high degree of creativity.

Services held to be exempt from competitive bidding under this exception include those of engineers, architects, land surveyors, attorneys, physicians, and insurance brokers. To assist the Purchasing Official in selecting a vendor for professional services—particularly where market rates for services may fluctuate—the use of a Request for Proposal (RFP), or Request for Quote (RFQ) where appropriate, specifying the services requested is required for engagements of \$10,000 or more, unless waived by the Board. All professional services engagements require PRIOR Finance Committee approval regardless of amount.

PROFESSIONAL SERVICE CONTRACTS

Dollar Limit	Required Procedure
\$1 – \$2,499	At the discretion of the Village Manager. All purchases require documented justification;
\$2,500 – \$4,999	Documented telephone quotes from at least 3 separate vendors; purchases of \$2,500 or more require PRIOR Finance Committee approval.
\$5,000 – \$10,000	Written quotes from at least 3 separate vendors (if available); purchases require PRIOR Finance Committee approval.
\$10,001 and above	Sealed bids in conformance with General Municipal Law §103; purchases require PRIOR Finance Committee approval.

XI. PURCHASE ORDERS

A. Requisitions: In ALL instances and without exception, the requisition must be entered and a purchase order completed before a purchase is made. If the Chief Fiscal Officer receives any claims for materials, supplies, or services for which no purchase order was issued, the Purchasing Official in conjunction with the Treasurer will have the authority to nullify payment of such claim. Direct payment claim vouchers should be avoided.

B. Confirming Purchase Orders: No purchase shall be made without prior approval and issuance of a purchase order. Unauthorized purchases shall not be paid. Confirming purchase orders are prohibited except in documented emergency circumstances approved by the Purchasing Official.

C. Blanket Purchase Orders: Issued as requested to various vendors for purchase of items considered to be of an immediate or recurring need, or for the purpose of consolidating purchases (such as electric or telephone bills involving ongoing purchases). Blanket Purchase Orders must be issued on a monthly basis.

XII. FORMAL SEALED BIDS FOR COMMODITIES OVER \$20,000, PROFESSIONAL SERVICES OVER \$20,000 AND PUBLIC WORKS PROJECTS/CONTRACTS OVER \$35,000

All purchases of "like" commodities exceeding \$20,000, and public works projects/contracts of "similar scope" exceeding \$35,000 in the aggregate for all departments combined annually, are acquired through the formal sealed bid process.

The sealed bid process includes the following steps:

- Legal notices are published in local newspapers informing the public of the products or services being bid.
- Bid packages are prepared with detailed specifications and conditions, including items bid, units and total quantity desired, instructions for bidding, delivery information, bid opening dates, and any special requirements.
- Bid notices are distributed to Bid Services (companies that inform prospective vendors of bids in their field of work). Bid packages are available for pickup at the Village of Saranac Lake Offices and can be shipped by US Mail. Vendors may request shipping via a package service (e.g., FedEx or UPS) at the vendor's expense.
- The Vendor Bid List (those vendors who have picked up bid packages) shall not be released prior to a bid opening, as this may adversely affect bids received and/or encourage collusion. Any requests for this information will be directed to the Purchasing Official. No exceptions are made to this policy.
- Any bids not arriving prior to the bid-opening deadline will be rejected and returned to the bidder unopened. Sealed bids are publicly opened and read at the time and place designated in the bid documents and legal notices.
- All bid tabulations showing bid results are available for public inspection during regular business hours at the Village of Saranac Lake Offices.

Purchase orders and/or contracts are awarded to the lowest responsive and responsible bidder(s) meeting Village specifications. The Village reserves the right to reject any and all bids, or parts of bids, when such rejection is in the best interest of the Village, and reserves the right to award bids on an item-by-item or aggregate basis, whichever is deemed to be in the best interest of the Village.

XIII. REQUEST FOR PROPOSALS (RFP)

Requests for proposals are traditionally used as a means of obtaining all types of professional services. A Request for Proposals (RFP) and the evaluation of proposals may consider price plus other factors such as experience, staffing, service areas, level of service, quality of service, and professional reputation. The RFP process involves soliciting proposals from various firms and evaluating the proposals received.

XIV. BID PRICES SUBMITTED

The bid price submitted shall be exclusive of Federal and State taxes and must not include any tax for which the bidder may claim exemption because of doing business with the Village. All prices submitted must include all delivery charges to the Village of Saranac Lake.

XV. PREVAILING WAGES

Prevailing wages shall be paid for each contract in which the municipality involves the employment of laborers, workmen, or mechanics, as outlined in Article 8 of the New York State Labor Law.

XVI. INSURANCE

The Village may require that insurance be procured with specified coverage amounts, and that an insurance declaration page and/or copy of the policy be provided prior to issuance of a purchase

order or payment. The declaration page or policy certificate provided must name "The Village of Saranac Lake" as an Additional Named Insured.

Additionally, if the service being provided is considered a "Professional Service," the Village may require that a "Certificate of Professional Liability" be provided, naming the Village of Saranac Lake as an Additional Named Insured.

XVII. SECURITY

If security is required, the bid invitation will indicate the kind and amount of security needed. Submitted bid packages will not be considered by the Village if the specified security is not enclosed.

The Village uses two types of security:

A. Bid Deposit (Certified Check or Bid Bond): The deposit must be for the amount specified in the bid invitation. The deposit will be forfeited to the Village should the successful bidder fail to enter into a contract or to accept a purchase order. Bid Deposits are returned to unsuccessful bidders by mail.

B. Performance, Labor and Material Bonds: These bonds may be required from a successful bidder on certain bids. The Village holds these bonds until all contract obligations are satisfactorily met. The bonds may be forfeited to the Village should the successful bidder fail to comply with the terms and conditions set forth in the specifications and the award. Bonds are to be made payable to "The Village of Saranac Lake."

XVIII. AWARD OF CONTRACT

Award of contract will be made to the lowest responsible qualified bidder whose proposal complies with all provisions required in the bid package. The Village reserves the right to waive any informality or to reject any or all proposals, and may advertise for new proposals if, in its opinion, the best interest of the Village will be served.

The Village may require any or all bidders to present evidence of experience, ability, and financial standing, as well as a statement regarding the equipment they will have available for execution of the contract. The Village reserves the right, at its discretion, to award a contract either on an item-by-item basis or as a total award of all items in combination.

XIX. AWARD TO OTHER THAN THE LOWEST RESPONSIBLE DOLLAR OFFEROR

Whenever any contract is awarded to other than the lowest responsible dollar offeror, the reasons that such an award furthers the purposes of General Municipal Law § 104-b shall be documented. The Village of Saranac Lake may award purchase contracts and service contracts that have been procured pursuant to competitive bidding under GML § 103(1) by either the lowest responsible bidder standard or the best value standard.

Best Value Standard

- i. **Definition.** "Best value" is defined in State Finance Law § 163 as "the basis for awarding contracts for services to the offeror which optimizes quality, cost and efficiency, among

responsive and responsible offerors." The Board of Trustees adopts this definition as may be modified from time to time by the State Legislature.

- ii. **Applicability.** The best value standard may only be used for purchase contracts, including contracts for service work, but excluding any purchase contracts necessary for the completion of a public works contract pursuant to Article 8 of the Labor Law. When awarding contracts under the best value standard, the Village must consider the overall combination of quality, price, and other elements of the required commodity or service that in total are optimal relative to Village needs. Use of the best value standard must rely, wherever possible, on objective and quantifiable analysis. The best value standard may identify as a quantitative factor whether offerors are small businesses or certified minority- or women-owned business enterprises as defined in New York Executive Law § 310.
- iii. **Approval.** Use of the best value standard for the procurement of goods and services requires approval from the Board. The Board must also approve the factors to be considered when awarding contracts under this standard.

XX. DELIVERIES

Deliveries to departments are to be completed between the hours of 8:00 AM and 4:00 PM, unless otherwise specified on the purchase order.

All Bills of Lading must include a complete "Ship To" address and purchase order numbers as they appear on the purchase order received.

XXI. INVOICING AND PAYMENT

To ensure prompt payment of a purchase order, invoices containing the proper information must be submitted to the "Ship To" address indicated on the purchase order. Invoices must contain the Purchase Order number, quantities, unit of measure, and total prices as stated on the purchase order. Authorized Village representatives will issue no payments prior to receipt and acceptance of products and services.

The Village of Saranac Lake is exempt from paying all Sales Tax and Compensating Use Tax imposed by the State pursuant to N.Y.S. Tax Law § 1116(A)(1). Upon request, a letter attesting to this fact will be executed and signed by the Village Treasurer as the Chief Fiscal Officer.

XXII. GIFTS AND GRATUITIES

Village policy prohibits acceptance of gifts at any time, other than advertising novelties. Employees must not become obligated to any supplier and shall not participate in any Village transaction from which they will benefit directly or indirectly.

XXIII. CREDIT CARDS

The Village of Saranac Lake authorizes credit cards for the Village Manager and the Village Accounts Payable personnel (two physical cards in total) for purchasing of goods and services from vendors that do not accept purchase orders. The Village will obtain two credit cards from the financial institution in which it has established its account.

Authorized Credit Card Users

- Primary: Village Manager
- Secondary: Accounts Payable

Additional Cardholders

Each additional credit card for every additional designated cardholder must be approved by the Village Manager. The Village Manager must notify the Village Treasurer regarding each additional cardholder so that the Treasurer's monthly credit card payment audit is accurately conducted.

Credit Limits

- \$10,000.00 per designated credit cardholder.

Purchasing Restrictions

A. In-Store Purchases: Either the Village Manager or the Accounts Payable personnel must be physically present at the time of conducting the sale.

B. Online Purchases: Department heads, or an employee assigned to an item purchasing request per the department head's instructions, must contact Accounts Payable. Accounts Payable personnel will complete the purchase after all necessary information is provided (item website link, item quantity, shipping address, shipping type, etc.). A standardized form for submitting order information will be provided to departments.

C. Personal Use Prohibited: No personal use of the Village's credit card is permitted. Any unauthorized expenditures charged to an issued credit card are the responsibility of the designated cardholder and must be reimbursed to the Village immediately.

D. Phone Payments: Over-the-phone payments are not permitted.

XXIII. ADDITIONAL PURCHASING CONTROLS

The following controls supplement all other sections of this Purchasing Policy and apply across all purchase types and thresholds:

- **Purchase Splitting Prohibited:** Splitting purchases into smaller transactions to avoid dollar thresholds or competitive bidding requirements is strictly prohibited and may constitute a violation of General Municipal Law.
- **Finance Committee Approval:** Finance Committee approval is required PRIOR to commitment for all purchases of \$2,500 or more, including professional services regardless of amount. Departments may not commit to any vendor or service engagement above this threshold without documented Finance Committee authorization.
- **Emergency Purchases:** Emergency purchases made outside the normal procurement process must be fully documented in writing, including the nature of the emergency, the vendor selected, and the amount committed. All such purchases must be formally ratified by the Board of Trustees at the next regularly scheduled meeting.

The intent of the Purchasing Policy of the Village of Saranac Lake is to provide guidance. It is not intended to be all-inclusive, as no single publication can encompass every question or scenario. Any question that cannot be answered by these guidelines should be directed to the Purchasing Official in writing.

In any matter not specifically addressed in this policy, New York State General Municipal Law §§ 103 and 104-b will guide the Purchasing Official in making a determination.

DRAFT

Village of Saranac Lake Procedures for Village Committees and Task Forces

1. Applicability

- These procedures apply to all Village committees and task forces that have not adopted their own bylaws.
- Any board or committee that has adopted bylaws shall be governed by those bylaws. In the event of conflict, the bylaws control.
- All boards, committees, and task forces — whether or not they have adopted bylaws — shall comply with applicable state law, including the New York State Open Meetings Law and the Freedom of Information Law.

2. Meetings

Regular Meetings

- Regular meetings should be scheduled on a consistent day and time and held in a location that is open and accessible to the public.
- Meetings shall be publicly noticed on the Village website and Village online calendar.
- Agendas shall be prepared by assigned staff under the direction of the Chair and posted to the Village website at least 24 hours before the meeting.

Special Meetings

- Special meetings may be called by the Chair or by a majority of the appointed members.
- Written notice of a special meeting shall be provided to all members at least 48 hours in advance, unless a shorter period is agreed to by all members.
- Public notice of a special meeting shall be provided in accordance with the Open Meetings Law.

Minutes

- Assigned staff shall record minutes of each meeting.
- Minutes shall be posted to the Village website within one (1) week of the meeting.
- All agendas, minutes, and supporting materials shall be retained in accordance with the village's record retention policy.

3. Quorum and Voting

- A majority of the members shall constitute a quorum for the transaction of business.
- Actions shall be taken by a majority vote of members present at a meeting at which a quorum is present.
- In the absence of a quorum, those present may recess the meeting to a later time.

4. Conduct of Business

- The Chair shall preside at meetings and is responsible for maintaining order and ensuring the agenda is followed.
- In the absence of the Chair, the Vice-Chair (if one has been designated) shall preside. If neither is available, the members present shall elect a presiding officer for that meeting.
- Subcommittees or working groups may be designated by the Ex-Officio as necessary to investigate and report on specific matters.

5. Public Participation

- Meetings are open to the public.
- The Chair may provide an opportunity for public comment in accordance with procedures established by the body.
- Time permitting, the Chair may allow public comment from individuals not on the agenda following the call to order. Written comments may be submitted at any time and shall be noted in the minutes of the next regular meeting.

6. Remote Participation

- Members may participate remotely.

7. Attendance

- Members are expected to attend all regularly scheduled meetings.
- Upon a member's third consecutive unexcused absence, or fifth unexcused absence within a twelve-month period, the Chair shall notify the Ex-Officio. The Board of Trustees may remove the member and appoint a new member to finish the term.

8. Conflicts of Interest

- Members shall adhere to the Village's code of ethics and shall disclose any known conflict of interest before discussion of the affected matter.
- A member with a conflict of interest shall not vote on the affected matter.

9. Staff Support

- Assigned staff shall provide administrative support, including meeting coordination, preparation of agendas and materials, recording of minutes, and communication with members.

10. Annual Reporting

- Each board or committee should submit an annual report to the Board of Trustees summarizing its activities, accomplishments, and recommendations for the preceding year.
