To: VOSB Personnel Committee

From: Julie Schmelzer, Village Administrator

Re: Bylaws discussion from October meeting

Discussed at the October meeting – to be continued at a future meeting:

Committee recommended changes to the Committee Bylaws:

1. *Approve, implement, and maintain a mechanism for the performance evaluation of employees.*
2. *Review and establish employee recruiting, hiring and retention procedures, including review of resumes, observation of interviews of department heads by a member of the committee (typically the Chair) and above, and participating in all Department Head Exit Interviews.*
3. *Recommend compensation schedules to the Finance Committee.*
4. *Develop, approve and annually update personnel policies in the Personnel Handbook.*
5. *Consider recommendations from the Village Administrator for the organizational structure and staffing levels of Village departments.*
6. *Review departmental requests for creation, deletion, reallocation, and changes in ~~of~~ position (not an individual).*
7. *Periodically review employment application forms and hiring guidelines,*
8. *Responsible for recruitment and hiring of the Village Administrator.*
9. *Conduct an annual performance evaluation of the Administrator and make recommendations to the Board.*

They also proposed changes to the committee description:

The Personnel Committee shall consist of three trustees. The Personnel Committee shall:

- (a) Consider and review all matters relating to wages, hours, fringe benefits and conditions of employment for Village employees, including discipline, promotion and job descriptions;*
- (b) Act on grievances submitted by employees and be the arbitrator between the employees and the Village Board;*
- (c) Review requests for new positions from committees; and,*
- (d) Prepare an annual budget and submit it to the Finance Director to present to the Finance Committee.*

It was also decided to hold off on 'b' above until the Handbook is updated with a grievance procedure. How would the committee like to proceed? Any recommended changes would be presented to the Board when they update their and the various committees' bylaws.

STAFF REPORT – PERSONNEL HANDBOOK

Date: January 8, 2025

To: VOSB Personnel Committee

From: Julie Schmelzer, Village Administrator

Re: Updating the Personnel Handbook

Discussed at the October meeting: Have the HR Consultant update the Handbook, ideally by January 1, 2025, and then have the committee review it. Since that time Schmelzer spoke with the HR Consultant and it was determined Schmelzer would update it, and the consultant would review it, thereby reducing costs to the village.

Attached is the current handbook. Do we want to keep the section on “Stand By Duty” (No. 7 on page 2)?

Also attached is my first redraft. It is not complete, and I have questions on those areas with red type.

VILLAGE OF SISTER BAY – PERSONNEL HANDBOOK
Amended December 19, 2023

I. PURPOSE.

This Handbook is intended to serve as a general reference for all employees of the Village of Sister Bay (Village). It is intended to provide the employee with a general overview of the benefits, policies, practices and work rules of the Village.

It is obviously not possible for this handbook to cover each and every aspect of Village benefits, practices, policies and work rules. For this reason, the benefits, practices, policies and work rules described in this handbook are summarized and are not intended to be all encompassing, nor applicable in every situation.

2. NOT A CONTRACT OF EMPLOYMENT.

This Personnel Handbook has been prepared for informational purposes only. This handbook and the policies contained in it are not intended to create, nor should they be construed to create, a contract of employment between the Village and any of its employees. All employees are at-will employees, with an undefined period of employment. Termination of employment may occur at any time, with or without notice, and for any reason. An employee signing a statement that he or she has read this Handbook does not constitute a signature meaning a contract of employment exists between the Village and the employee. All employees not subject to a specific contract shall be subject to a Ninety (90) day probationary period.

3. CHANGES IN PERSONNEL HANDBOOK.

The Village may, in its sole discretion, modify, add to or eliminate any of the benefits, policies, practices and work rules in the existing Personnel Handbook at any time. This handbook supersedes all previous handbooks, statements, policies, procedures, rules or regulations given to employees, whether verbal or written. This handbook may only be modified by action of the Village Board confirmed in writing.

4. EQUAL OPPORTUNITY EMPLOYER.

It is the policy of the Village to recruit and select for employment those individuals who, in the sole discretion of the Village, meet the requirements and expectations of each particular employment position. Recruitment and selection shall be conducted in an affirmative manner, which ensures open competition and provides equal employment opportunity without regard to race, color, creed, religious or political affiliation, national origin, sex, age, handicap or disability, marital, citizenship, or veteran status, or any other class protected by the discrimination laws of the United States of America and the State of Wisconsin, except where age, sex, or physical requirements constitute bona fide occupational qualification and with proper regard for the privacy and constitutional rights as citizens, and to provide an effective career development plan for qualified employees through promotional opportunities. This applies to all employment decisions including, but not limited to, recruitment, hiring, compensation, benefits, promotions, transfers, lay-offs, discipline, termination, and other conditions of employment. (Board of Trustees Approval: 12/14/1999)

5. HOURS OF WORK.

As a general rule, the workweek will be forty (40) hours. Actual working hours and days may vary depending upon the individual department requirements and position demands. Deviations from the "normal" work schedule are permitted subject to the prior approval of the Village Administrator or the supervising committee of the Village Board of Trustees. An employee may be required to work more than forty (40) hours per week if deemed necessary by his/her supervisor to complete duties assigned

VILLAGE OF SISTER BAY – PERSONNEL HANDBOOK

Amended December 19, 2023

to the employee. In the event of overtime work, the employee will receive overtime pay or compensatory time as calculated under applicable Wisconsin law. Time spent traveling to training sessions, conferences and seminars outside Door County shall count towards hours worked in a week. (Revised 10/02/07, 08/16/22)

Overtime at the time and a half rate shall be compensable after 40 hours worked in a week; paid leave time used shall not count as time worked for overtime compensation. (Revised 12/29/14)

If an employee has to leave work for a short period of time, for example, to run a personal errand, or is late due to a scheduled personal appointment or errand, with the Supervisor's approval, the employee may flex their schedule to ensure they are completing forty hours of work that week. In the event the needed time off cannot be accommodated by a flexible schedule, the employee will be required to use accumulated compensatory time or Personal Time Off. (Amended 08/16/22)

6. CALL BACK.

A. Compensation for a call back after regular working hours shall be a minimum of two (2) hours pay.

B. All employees are always on call; that is, when emergencies require it, any and all of them may be recalled to work at hours during which they are normally off duty. "On Call" will refer to the order in which employees are contacted, when the need for unforeseen work arises. The order in which employees are contacted will rotate according to a schedule set by the supervisor. The term "On Call" does not imply the need to remain constantly available for contact by phone, or the need to remain in close proximity to the work place. Compensation for calls to work during periods when the employee is at the head of the "on call" rotation will be normal overtime. In recognition of the impact that "on call" status has upon employees, the Village will provide compensation to Utilities and Parks/Public Works employees as established in the annual budget. This shall be in addition to any call-in overtime or scheduled off time. (Board of Trustees approval 11/30/04; revised 08/16/22)

B. Upon approval of the supervisor, any staff member who is called in to work for an emergency outside of their regular work schedule shall be entitled to mileage reimbursement from their home to the incident site where work is to be performed, said reimbursement rate per the Internal Revenue Service standard mileage rate. Mileage will not be paid to employees who are working the regular weekend/holiday on-call rotation in a non-emergency situation. (Amended 08/16/22)

C. In lieu of 6.B. above, Supervisors who frequently are called back to work shall be entitled to use a work vehicle to commute to and from the work site. (Amended 08/16/22)

7. STAND-BY DUTY.

"Stand-by Duty" is coverage by the employee of potential work for the employer of an emergency nature. It is the pre-selection of qualified employees who shall be available to respond to the Village's call for emergency and other work to be done after normal work hours, or on weekends and holidays. Hourly compensation will be provided for work performed pursuant to the provisions in this Personnel Handbook. In addition, the following schedule of compensation will be provided to the employee who has been designated for "Stand-by Duty"; salaried employees will be compensated for "Stand-by" periods with the appropriate number of hours in compensatory time only. (Amended by Board of Trustees: March 7, 2000)

VILLAGE OF SISTER BAY – PERSONNEL HANDBOOK

Amended December 19, 2023

Single Holiday 3 hours @ 1 ½ times hourly rate
 Weekend 5 hours @ 1 ½ times hourly rate
 Three-Day Weekend 7.5 hours @ 1 ½ times hourly rate
 (Approved by the Board of Trustees: December 14, 1999)

8. OVERTIME COMPENSATION.

Employees who work in excess of forty (40) hours per week may be compensated at a premium rate, straight time rate, or not at all depending upon their employment status and the provisions of the Federal Labor Standards Act (FLSA). An employee has the option to elect to take overtime pay in the form of compensatory time. If he or she chooses to accept overtime pay as compensatory time, he or she must make that choice during the week in which the time is earned. Bonuses will not be paid to Village employees. Overtime shall be distributed as equally as practicable among employees in their respective job classifications within each department. (Revised 10/02/07)

9. COMPENSATORY TIME OFF.

- A. Compensatory time off shall be figured at a rate not less than one and one-half hours for each hour of employment for which overtime compensation is required. Compensatory time off shall be paid at the {regular/overtime} rate earned by the employee in the year in which the overtime was worked.
- B. An employee who has accrued compensatory time off shall, upon termination of employment, be paid for the unused compensatory time at the wage rate in effect during the year in which the compensatory time was earned.
- C. An employee who has accrued compensatory time off may request the use of such time so long as it does not unduly disrupt the operations of the Village.
- D. Compensatory time taken as a cash payout rather than as paid leave time shall not count towards the 40-hour work week.
- E. At the end of each calendar year after 2014, any earned but unused compensatory time ["Comp Time"] will be paid out in cash at the hourly rate at which it was earned.
- F. Compensatory time balances existing as of 12/31/14 must be used or paid out within two years (by December 31, 2016) at the pay rate in effect in December of 2014.

10. JURY DUTY/SUBPOENAS.

During any period of jury service, or if subpoenaed for business concerning the Village, an employee shall be paid the difference between the employee's regular rate of pay and any compensation received. Employees are to indicate jury, court or deposition hours on their time cards. The employee will receive his or her regular paycheck and shall endorse any check or other payment for jury, court or deposition appearance to the Village.

11. VIOLATIONS OF LAW

Employees whether on or off-duty, shall obey the laws of the United States and of any state and local jurisdiction in which they are present. A conviction for a violation of criminal law (felony) shall constitute evidence of a violation of this section. If there is a connection between the conviction and the employee's job assignments, such conviction shall be grounds for discipline, up to and including termination.

12. ON/OFF DUTY CONDUCT

VILLAGE OF SISTER BAY – PERSONNEL HANDBOOK

Amended December 19, 2023

Employees may be disciplined, up to and including termination, for possession, consumption, not being free of, being under the influence of, or use of any drugs, drug paraphernalia, intoxicants, alcohol, narcotics, or any other controlled substance, on or about Village premises at any time.

Any medication that affects an employee or could affect an employee's performance should be brought to the supervisor's attention. Such prescription drugs must be given under medical supervision and may not interfere with the performance of job duties.

Under certain circumstances, the Village may require an employee to undergo a drug and/or alcohol test when the Village has a reasonable suspicion that the employee is violating this rule. The employee will be referred to a certified testing laboratory for completion of the test. Depending on the seriousness and circumstances of the offense, and at the Village's sole discretion, an employee who tests positive for drugs and/or alcohol may be referred to counseling, rehabilitation or an employee assistance program. Refusal to cooperate may result in discipline, up to and including termination. This shall not restrict employees from having alcohol in sealed containers in their private vehicles.

15. GIFTS AND GRATUITIES.

No full time or part time Village employee shall solicit or accept for himself/herself or another person any gift, campaign contribution, gratuity, favor, services, promise of future employment, entertainment, loan, or any other item of monetary value from a person or entity who has or is seeking business activities from, or which are regulated by, the Village. Upon review of all of the circumstances, a final determination on employment will be made.

C. The Village may require a medical examination for an employee by a medical practitioner selected and paid for by the Village whenever the Village shall deem it necessary for the safety and welfare of the residents of the Village and the maintenance of standards within the Department. If the results of the examination would affect the employee's ability to work, then the employee may have a second opinion at his/her expense by a medical practitioner of his/her choice. If there is a difference of opinion by the first two medical practitioners, the employee may be examined by a medical practitioner mutually agreeable to the Village and the employee paid for by the Village consistent with the terms of a collective bargaining agreement.

27. RESERVED.

28. APPEARANCE AND DEMEANOR.

All Village employees have contact with people in the community who are either residents or visitors and will create lasting impressions with them by their interactions and by the observations of their work performance. All Village employees are encouraged to present a positive image and demonstrate an interest in their work. All employees are expected to be neat and clean in appearance and to dress

29. CONFIDENTIALITY.

No Village employee shall use or disclose privileged confidential information gained in the course of work or by reason of the employee’s official position or activities, unless authorized by law. No confidential information concerning any citizen may be released to an unauthorized person or agency without the signed consent of the citizen.

30. PERFORMANCE EVALUATIONS.

All employees shall have an annual review of performance, usually to coincide with Village budget dates and/or salary review. The person conducting the review shall be an immediate supervisor or the Village Administrator. The review shall be completely documented on the Village’s performance evaluation form as established by the Human Resources Manager. After completion of the review, each review shall be signed by the supervisor and the employee before being provided to human resources to acknowledge completion of the review, but not necessarily employee agreement with the review. The reviews will be included in the employee’s personnel file.

In the case of the Village Administrator, the Board of Trustees shall complete evaluations of the Administrator. The Chairperson of the Personnel Committee shall review the evaluations completed by all trustees and use their comments and ratings to complete one consolidated evaluation. The evaluation may be reviewed with the full Board of Trustees in executive session to ensure trustees are in agreement that the evaluation is fair and complete. If executive session is used, the meeting must be properly noticed. The employee has the right to demand that the session be held openly. The trustees may choose to complete the evaluation as a full board in-person with the Administrator in an executive session or they may choose two representatives to complete the evaluation with the Administrator in a separate setting. The evaluation shall be signed by the Administrator and all trustees present during the presentation of the evaluation to acknowledge completion but not necessarily agreement with the evaluation. The evaluations completed by all trustees, as well as, the final evaluation that is presented to the Administrator must be provided to human resources and become part of the Administrator’s personnel file.

Performance evaluations in which the employee has achieved an overall performance rating of “Meets Expectations” or better shall mean the employee is eligible for a step increase during the following budget year in accordance with the established compensation schedule.

All compensation schedules are eligible for review by the Personnel Committee and Finance Committee of the Village Board and are eligible for across-the-board cost of living adjustments.

31. APPROVAL OF REQUESTS.

32. CLOTHING POLICY

- A. This Clothing Policy is established for all field employees of the Public Works and Utilities Departments. Each employee shall have an amount divided equally for all full-time employees, set aside in the annual budget for work-related clothing. In addition, a smaller amount must be budgeted for part-time employees by the Supervisor. Each employee is expected to manage their purchases to cover their needs for the entire year. If an employee elects to use a clothing service, then the cost of that service shall count towards the total annual allocation.
- B. Employees subject to this policy are urged to purchase clothing as groups or departments through Village-approved vendors to avoid paying for sales tax. The department head shall approve all purchases including colors and materials. The department head shall review the balance in each employee's account twice a year with the employee. Each employee is expected to dress appropriately for work each day in clean clothing that is free from rips and stains. Only shirts and outerwear with that are ANSI Class III compliant shall be worn. Employees must wear or carry identification cards identifying themselves as being Village Employees.
- C. The following items are eligible for purchase under this program:

 - Sweatshirts, coats, and related items
- D. The following items are eligible for reimbursement subject to the restrictions as follows:
- Safety shoes subject to reimbursement up to \$200 per year. Shoes other than safety shoes may only be worn while performing approved activities.
 - Prescription safety glasses subject to reimbursement up to \$150 every other year.
- E. The Village will provide the following items beyond the allocation above:
- Logos to be placed on items of clothing
 - Work gloves
 - Coveralls
 - Hard hats and other safety gear
 - Boots and rain gear for working in wet environments
 - Hats
- F. The employee is responsible for the regular cleaning of all items. If an employee has used all of their allocation for work clothing and items are damaged or worn out, they shall be replaced at the employee's expense. It shall be at the discretion of the department head to replace at Village expense any approved clothing item that is damaged by an accident, not normal wear, or tear while the employee is working.

33. EMPLOYEE BENEFITS (revised 08/16/22)

- A. Eligibility: An employee who is considered full-time (works 30 or more hours per week) is considered eligible for benefits as soon as that person has completed the new hire waiting period, which means the employee is eligible for benefits starting the first of the month following their start date. Wisconsin Retirement System (WRS) benefits for rehires must follow WRS rules regarding eligibility. Some benefits may require evidence of insurability and the Village's human resources manager will consult policies regarding that requirement. An

employee's dependents are eligible once the employee is eligible for benefits. Dependents are defined by each specific insurance policy but are generally defined as an employee's lawful spouse; any child or stepchild who is less than 26 years of age; and any child 26 years or older, unmarried, primarily supported by the employee, and incapable of self-sustaining employment by reason of mental or physical handicap. Changes to benefits described below are generally made upon eligibility or during annual open enrollment and cannot be made outside of those times unless the employee has a qualifying life event, and it is within 30 days of said event. The human resources manager will consult specific policies regarding changes in life events.

B. Employees currently on Family Medical Leave shall be offered continuing coverage for up to a period of four (4) weeks through an alternate plan, such as COBRA, subject to eligibility requirements. The Village will contribute, at its regular contribution rate, towards COBRA, medical, dental, vision, disability and life insurance premiums.

C. Deferred Compensation: The Village of Sister Bay offers the Wisconsin State Deferred Compensation Program to supplement an employee's retirement income. Participation in the program is voluntary and 100% funded by the employee through payroll deduction in the amount authorized by the employee.

D. Employee Assistance Program (EAP): The EAP is offered to all full-time employees at no cost to them. It is a completely confidential counseling program that offers support through short-term counseling issues.

E. Flexible Spending Accounts (Section 125 Plans or FSA): Eligible employees can elect to take part in flexible spending plans. This plan allows the employee to pay for qualified benefits. Payments and contribution amounts are subject to procedures, rules, and regulations of the plan. Plan details are set forth in a separate document issued when an employee becomes eligible to participate and each year during open enrollment.

F. Health and Dental Insurance: The Village provides group health and dental insurance to eligible employees. Plan details are set forth in a separate document issued when an employee becomes eligible to participate and during an annual enrollment period. The Village reserves the discretion to determine what insurance and what level of benefits to offer. Employees are required to contribute toward the cost of the monthly premiums as established by the Village and contributions will be payroll deducted.

G. Health Savings Account (HSA): An HSA is a type of savings account that allows the employee to set aside money on a pre-tax basis to pay for qualified medical expenses. By using untaxed dollars in an HSA to pay for deductibles, copayments, coinsurance, and other expenses, the employee is able to lower their overall health care costs. For employees who have a high deductible health plan, the Village will contribute funds toward all employees' HSAs each year (contributed funds may be pro-rata depending on hire or retirement date). The employee is also able to deduct additional pre-tax money from their paycheck to add to their HSA up to the annual IRS maximum limit. An HSA is a savings account that continues from year to year; there is no "use it or lose it" requirement.

H. Life Insurance: The Village offers life insurance through the Wisconsin State Employer Trust Funds life insurance program. The Village covers the cost of basic life insurance up to one time the employee's annual earnings (as reported through WRS). Employees can purchase additional life insurance up to five times their annual earnings. Smaller benefits can also be purchased for dependents.

VILLAGE OF SISTER BAY – PERSONNEL HANDBOOK
Amended December 19, 2023

I. Long-term Disability Insurance: This benefit is fully paid by the Village. Claimed benefits continue if the employee is disabled until their normal retirement age. The benefit covers a portion of earnings up to a monthly maximum after a defined elimination period.

K. Payment in Lieu of Benefits: Employees have the option to elect to not participate in the health or dental insurance programs. Employees will receive 50% of the savings from the waiver of benefits. Payments will be included with the employee's regular payroll twice per month. While payments will be taxable, payments will not be included for the computation of wages including, but not limited to, WRS eligible wages, COLA, overtime, or other pay.

L. Retirement: Eligible employees shall be covered under the State of Wisconsin Retirement System (WRS). The contribution percentage is determined annually by the Employee Trust Funds (ETF) and is paid by both the employee via payroll deduction and matched by the Village. Information regarding the WRS plan can be found at <https://etf.wi.gov/>.

M. Supplemental Insurance: If the employee chooses to have additional insurance coverage, they can participate in Aflac insurance and the Village will facilitate the payment of the premium with paycheck deductions.

N. Vision Insurance: The Village provides vision insurance to eligible employees. Premiums are paid by the Village. Plan details are set forth in a separate document issued when an employee becomes eligible to participate and during an annual enrollment period. Vision insurance offerings will begin January 1, 2023.

If the results of the examination would affect the employee's ability to work, then the employee may have a second opinion at his/her expense by a medical practitioner of his/her choice. If there is a difference of opinion by the first two medical practitioners, the employee may be examined by a medical practitioner mutually agreeable to the Village and the employee paid for by the Village consistent with the terms of a collective bargaining agreement. We need a legal interpretation to see if this is still legally allowed.

5. You may not use any alcohol within 8 hours following an on-duty accident.
6. You must comply with requirements for treatment, after care, and return to duty, if applicable.
7. The Village may request you to voluntarily take a blood test to verify the presence or absence of alcohol or drugs in your bloodstream.
8. The Village reserves the right to perform routine, random drug and alcohol testing to ensure

Village owner vehicles, equipment and property are not being operated by employees under the influence of alcohol, illicit drugs, or non-prescribed controlled substance. Said test shall be administered at the Door County Medical Center and paid for by the Village, at a date and time selected by the Village. Any employee refusing to submit to a drug and/or alcohol test when directed to do so, under circumstances consistent with this policy, they will immediately be placed on suspension pending investigation. You may not engage in any conduct that prevents completion of a test, or provide false information when tested, or attempt to falsify a test result.

Employee Assistance Program (EAP)

Employees are encouraged to voluntarily seek professional, confidential assistance for alcohol and drug issues. Contact and other information for the EAP provider is located in the Village Administration Office, by contacting the Benefits Administrator, or by reviewing your benefits information provided at time of hire. You are also encouraged to utilize any programs offered by our insurance programs.

Testing

We may require drug and/or alcohol testing under the following circumstances:

1. Pre-Employment: As part of the evaluative procedure for new or returning employees, including seasonal employees, whether fulltime or parttime, or, employees transferring between departments. Said testing may be conducted upon a conditional offer of employment.
2. Reasonable Suspicion: Required if there is a reasonable suspicion that you are impaired, under the influence of, or have drugs or alcohol in your system. "Reasonable suspicion" means observations of objective facts sufficient to lead a prudent person to conclude that you may be under the influence or have a prohibited substance in your system. **I don't believe this is legal.**
3. Post-Accident/Work Related Incident: We may require drug or alcohol testing following a work-related incident/accident.
4. Random: Drug testing may be required on a random, routine basis for those in any safety sensitive positions.
5. Return-to-Duty: Any employee found to have violated this policy and who is allowed to return to work may be required to test prior to returning to duty, **and then randomly thereafter, for a one-year period.** Notwithstanding any provision herein, this policy will be enforced at all times in accordance with applicable laws.

DRIVING REQUIREMENTS AND PRACTICES

The following policies cover operation of all Village of Sister Bay vehicles and personal vehicles used while performing your job duties. We reserve the right to make specific decisions regarding your ability to drive based on the particular circumstances of the situation.

1. Employees assigned Village of Sister Bay-owned vehicles are to use those vehicles for official business only; we do not permit personal use of Village property.
2. Any employee using a Village owned vehicle, or equipment that can be driven on a public road, shall follow safe driving practices and will comply with all federal, state and local laws governing operation of motor vehicles and rules of the road. This includes taking all steps to ensure your total concentration and safe operation of vehicles.
3. Smoking and vaping is prohibited in any Village of Sister Bay vehicle; there are no exceptions.
4. You will not manipulate radios, telephones, tablets, or other equipment while the vehicle is moving. You will not talk on cell phones while the vehicle is moving, unless using a hands-free device or an emergency renders the use of such device impractical.
5. You will not take your eyes off the road while the vehicle is moving.
6. You will not operate a vehicle when your ability to react is impaired.
7. You will not text in any manner on a cell phone, smart phone, tablet, or other device.
8. You must keep headlights and seat belts on at all times.
9. You must abide by all provisions of the Drug-Free and Alcohol-Free Policy in this handbook, meaning if alcohol or substances are still in your bloodstream from the previous evening, you may be legally impaired and may not be able to legally operate the vehicle or equipment.
10. You must maintain an acceptable driving record to drive for your job. You must report all infractions or violations incurred while driving, whether during work time or personal time, to your supervisor. We may check driving abstracts through the Department of Motor Vehicles.
11. If you use your personal vehicle to perform your job duties, you must carry insurance coverage as required by Wisconsin law.
12. You must notify a supervisor immediately when a Village of Sister Bay vehicle is inoperable, unsafe, or damaged.
13. You are responsible for the cleanliness of all Village of Sister Bay vehicles that you operate.
14. You shall not permit any non-employee to drive Village vehicles or equipment , nor can any unauthorized person ride in the vehicle.
15. If you are involved in an accident, you must:
 - a. Stay at the scene and turn on the four-way flashers.
 - b. Immediately contact law enforcement and your supervisor, or the Administrator if your supervisor is unavailable.
 - c. When requested, give your name, address, Village of Sister Bay affiliation and show your driver's license and proof of insurance to the other party and law enforcement personnel. It is the supervisor's responsibility to ensure proof of insurance is maintained in the vehicle at all times.
 - d. Upon return to work, obtain and complete all necessary worker's compensation and incident report forms required by the village. See your supervisor for the required paperwork that needs to be completed, return it to the supervisor, and the supervisor will file it with the Administration Office.

HOURS OF WORK, ATTENDANCE AND PAY POLICIES

Work Hours

For most full-time staff, the regular work week will be 40 hours, excluding meal periods, performed in five, eight-hour workdays Monday through Friday. Specific hours of work shall be decided by your supervisor. A supervisor may set a rotational schedule for Utilities Department and Parks and Streets Department employees to ensure routine weekend work is addressed, such as cleaning restrooms in the parks; said rotation schedule may result in overtime hours worked beyond the normal 40-hour work week, but time worked shall be the minimum required to perform the rotational duties to minimize overtime. Rotational hours are not considered “call back”, rather they are set to complete anticipated routine work to be performed.

- Supervisors may authorize variations in your work schedule to accommodate your or departmental needs, or to eliminate or reduce overtime.
- Hourly employees cannot perform any work during their unpaid lunch period without specific authorization from your supervisor; if work is authorized, then the entire lunch period must be included as hours worked on your timecard. Unless for official business, employees may not leave the workplace (i.e. return to their homes) except during their unpaid lunch period and may not use a municipal vehicle. Unpaid time begins when the employee leaves the worksite.
- Exempt Employees. We expect exempt employees to work a normal full-time 40-hour work week and any additional hours required by your workload, which can include special and regular meetings and events outside of normal hours. In return, you may occasionally take time off without using time from your accrued leave banks when the workload of your office permits, provided you let your supervisor know. This flexibility is not an accrued benefit nor does it constitute compensatory time; use of personal time on an hour-for-hour basis for time worked in excess of a 40-hour work week is not permitted by exempt employees.

Call Back

All employees are always on call; that is, when emergencies require it, any and all of them may be recalled to work at hours during which they are normally off duty. “On Call” will refer to the order in which employees are contacted, when the need for unforeseen work or an emergency arises. The order in which employees are contacted will rotate according to a schedule set by the supervisor. The term “On Call” does not imply the need to remain constantly available for contact by phone, or the need to remain in close proximity to the workplace. Compensation for calls to work during periods when the employee is at the head of the “On Call” rotation will be normal overtime, but no compensation will be paid in wages or compensatory time for “on call” periods during which no calls to work are made except for Utilities Department employees. In recognition of the impact that “On Call” status has upon Utilities employees, the Village will pay \$25 per day for an employee “On Call” for Saturday, Sunday and on holidays. This shall be in addition to any call-in overtime actually worked, which is paid in accordance with standard overtime pay policies identified herein.

Time-Keeping for Non-Exempt Employees, Including Part-time, Seasonal and Casual Employees

Non-exempt staff shall maintain a daily attendance record in the format we provide. This record shall reflect daily your start and end times, including start and end times of your lunch period, overtime hours worked, “On Call” time, and all absences for vacation, illness, holidays, use of compensatory time, etc.

You must keep an accurate record of your time. If manual time-keeping is required, you must certify the accuracy of your time report by signing it and submitting the documentation to your supervisor, or by forwarding it by email for approval to your supervisor; the supervisor must sign the completed time reporting form to verify the hours claimed. If an electronic time-keeping process is implemented, you must accurately input your time; any errors or deviations from the time reported shall be discussed with your supervisor, and if warranted, the supervisor may make changes to the electronic report. If any corrections or modifications are to be made, both you and your supervisor must verify the accuracy of the changes by initialing the record at the time or by email to verify you are aware a change has been made.

- Reportable hours include any work performed in or out of the office, or outside of normal work hours, including but not limited to, texting necessary for your duties, checking email or doing other job-related computer work or phone calls. Supervisors are not to knowingly permit you to perform work without recording the time. Failure to record time worked violates wage and hour laws and our policies and could lead to disciplinary action. Improper time reporting may be viewed as the dishonest reporting of time and the individual may face disciplinary action or involuntary termination; gross inaccurate reporting may be viewed as theft of taxpayer dollars and appropriate action may be pursued.
- However, you must get permission from your supervisor before working in excess of any scheduled hours or overtime. Failure to obtain advanced approval in excess of the scheduled hours or overtime may result in disciplinary action.
- Accrued paid leave, if applicable to the employee, must be used if you are absent from work during your normal work hours. You may only take time off unpaid with approval from your supervisor; you will not be allowed an unpaid absence for the purpose of avoiding the use of accrued paid leave.
- Altering, falsifying, or tampering with time records, or recording time on behalf of another without authorization from a supervisor, is prohibited and will lead to disciplinary action.

Time-Keeping for Exempt Employees

Exempt employees must report use of accrued and personal time taken using an exception report form or by utilizing an electronic time-keeping process, if implemented. If an electronic time-keeping process has not been implemented, such time must be reported in paper format and signed by you, and approved by the Administrator.

Attendance

We require regular attendance of all employees. Excessive absenteeism and tardiness interfere with the delivery of services and is prohibited.

- Reporting Absences/Tardiness. If you will be absent from or late for work you must notify your supervisor prior to the normal start of your work day. You must indicate a reason and an expected return to work. If the return to work date changes, you must notify your supervisor of the new date as soon as possible.
- Whenever your supervisor believes that a work release from your doctor is needed to ensure your ability to safely return to your job, or if your return will include certain restrictions that may require accommodation, you will be asked to provide a doctor's report. We may also request a doctor's report or fitness for duty certification in cases of suspected sick leave abuse or to determine fitness for duty when needed.
- Leaving During Work Hours. You must get permission from your supervisor prior to leaving during work hours, unless there is an emergency.
- Seniority and the employment relationship shall be ended if you:
 - Are absent from work without notification to your supervisor or other member of

- management (unless you cannot notify us for a valid reason).
- Fail to report for work at the termination of an authorized leave of absence.

Overtime

We do not permit overtime without prior authorization from your supervisor. If you work overtime hours without pre-authorization, you will be subject to disciplinary action. Supervisors shall assign overtime work only as necessary and when circumstances prevent the accommodation of additional work through reassignment of work priorities or the rescheduling of hours within the same work week. In an effort to reduce overtime, in the event weekend work is required, the supervisor may adjust the employee's normal work schedule to accommodate the weekend work.

Non-exempt employees shall receive overtime pay for any hours worked over 40 hours in a work week. Our work week begins at 12:00 a.m. on Sunday and ends at 11:59 p.m. on Saturday. We use only hours worked in calculating overtime and do not calculate time spent travelling to perform the duties required for rotational work. Time spent traveling for call back work or work-related activities (attending training sessions, conferences, etc.) count towards hours worked. Paid time off does not count towards hours worked. Overtime will be calculated separately in each work week of the pay period. We pay overtime at 1.5 times your regular rate of pay.

Compensatory Time

Non-exempt full-time employees may elect compensatory time instead of overtime pay subject to the provisions of this section. This selection must be made within the week in which the time is earned.

- You will receive compensatory time at the rate of 1.5 hours for each 1 hour of overtime worked. No more than 240 (this is the max allowed under FSLA – do we want to reduce this?) hours of compensatory time, herein referred to as the “Maximum Accumulation Cap”, may be accumulated in your bank per calendar year. Any overtime hours worked beyond the maximum will be paid as overtime compensation. Unused compensatory time will be paid out at the end of the calendar year at the rate at which it was earned; compensatory time does not carry forward to the subsequent year.
- You must seek permission to use compensatory time from your supervisor. You may use such time within a reasonable period after making the request if use of the time does not unduly disrupt the operations of the department. Likewise, supervisors may require you to use compensatory time within a reasonable period after receiving notice to do so.
- An employee who has accrued compensatory time off shall, upon voluntary or involuntary termination of employment, be paid for the unused compensatory time at the wage rate in effect during the year in which the compensatory time was earned.

Resignation/Retirement/Final Pay

- Notice and Return of Property. Should you decide to leave employment, please provide your supervisor with at least 2 weeks' notice prior to your last day on the job. If you are retiring, please notify your supervisor at least 30 days prior to retirement or as far in advance as possible. Employees who provide the requested notice will be considered to have resigned in good standing.
- The village requests all employees meet with the Administrator to complete an Exit Interview. Said interview information shall be kept confidential, if requested by the employee. Confidential

information may be generalized and entered into a summary of all information obtained in exit interviews to address concerns raised by the employee. Information obtained from the interview is used to review operations and policies and make adjustments as needed.

- You must turn in all Village of Sister Bay property prior to your last day on the job.
- Pay at Termination (whether voluntary or involuntary). We will pay you all earned wages, earned compensatory time, and earned vacation time when you leave employment.

TIME OFF AND LEAVE OF ABSENCE POLICIES

Holidays

The following paid holidays will be granted to all full-time benefited employees and the Village of Sister Bay offices will be closed on these days.

1. New Year's Day
 2. Memorial Day
 3. Independence Day
 4. Labor Day
 5. Thanksgiving Day
 6. Day after Thanksgiving
 7. Christmas Day
- Whenever one of the above-designated holidays occurs on a Saturday, the Friday immediately preceding shall become the official holiday. Whenever a designated holiday occurs on a Sunday, the Monday immediately following shall become the official holiday.
 - Whenever it is necessary as determined by the supervisor or Administrator for a non-exempt employee to work on a holiday, as part of their rotational schedule to continue essential services, compensation for the actual hours worked shall be at the rate of 2 times your regular rate of pay.

Paid Time Off (PTO)/Sick Time

PTO is available to all full-time employees. PTO includes vacation, sick leave, personal time, emergency or bereavement leave, and time off to care for dependents. Paid Time Off (PTO) is earned bi-weekly on the following basis:

Completed Years of Service	Accrual Rate	Max Accumulation
0-4.99 years	20 days (6.15 hours/pay period)	40 days
5-14.99 years	26 days (8 hours/pay period)	40 days
15+ years	31 days (9.53 hours/pay period)	41 days

Employees continuously employed full time by the Village of Sister Bay beginning prior to 2015 earn PTO on the following basis*:

Completed Years of Service	Accrual Rate	Max Accumulation
8-14.99 years	29 days (8.92 hours/pay period)	40 days
15+ years	34 days (10.46 hours/pay period)	44 days

*Sick leave balances will be put into an account to be used to fund the Long-Term Disability elimination period (or as allowed by the Village-paid Long-Term Disability Policy) or for up to 5 days of emergency leave. Upon termination, up to 30 days of remaining sick leave may be converted to cash at 50% of the hourly rate in effect in December 2014 by full-time employees who have completed 20 or more years of service.

Time off must be scheduled in advance in increments of at least one hour and approved by your supervisor except for illness and emergencies. Approval of PTO requests will be based on seniority, staffing needs, and workload.

A supervisor may require a doctor's note from the employee for leaves due to illness that last for more than 3 days.

Long-term disability must be applied for when illness is expected to last more than seven days. PTO may be used to fund the elimination period (or as allowed by the Village-paid Long Term Disability Policy). Upon termination, 10 days of PTO will be deducted if two weeks' notice is not given. Any remaining balance earned but unused up to the maximum accumulation will be paid out upon termination or retirement.

Personal Days

Annually all full-time employees shall be provided 24 hours of personal time to use at their discretion. Personal time shall be scheduled and approved by the supervisor. Any personal time not used by December 31st of the year shall be paid to the employee in the subsequent pay period or as accounting practices dictate.

Military Leave

We support the military obligations of employees and grant leave for uniformed service under applicable state and federal laws. If you need time off for uniformed service, immediately notify your supervisor who will provide details regarding the leave. If you cannot provide notice before leaving for uniformed service, a family member should notify your supervisor as soon as possible. Upon return from military service, we will grant you seniority, pay, and benefits as required by applicable state and federal laws. We will consider failure to report for work within the prescribed time periods a voluntary termination of employment.

Jury or Witness Duty

If you are directed by a court of law, or compelled by subpoena, to perform jury duty or to appear as a witness in a legal proceeding on a scheduled workday, you shall be granted time off without loss of pay to cover your regular work hours. We will consider you to be a witness only where you are not a party and are compelled to attend by subpoena. Your status for the purpose of determining seniority, status, responsibility, and salary shall be unaffected by jury duty or witness leave.

- Should you be required by subpoena to appear as a witness in any legal proceeding that arose out of or is related to your job duties with us, you will be paid for such time, even if that time is outside of your normal work hours.
- You must submit any stipends you receive for attendance at jury or witness duty to the Finance Director/Village Treasurer's office. You may keep reimbursements you receive for parking or mileage.
- Employees are to indicate jury, court, or deposition hours on their timecards.

Voting Leave

If you are eligible to vote, you may take up to 3 consecutive hours of leave on Election Day for the purpose of voting. You can use vacation, holiday or compensatory time, or choose to take the time unpaid. You must notify your supervisor when you intend to vote prior to Election Day.

Bone Marrow and Organ Donation Leave

The Village has opted to offer leave consistent with the Wisconsin Bone Marrow and Organ Donation Leave Act which allows an employee to substitute paid or unpaid leave consistent with FMLA for an employee serving as a bone marrow or organ donor. The employee is allowed up to 6 weeks leave in a

12-month period, provided the employee provides their supervisor with written verification they are to serve as a bone marrow or organ donor. Leave may be taken only for the time period to undergo the donation procedure and associated recovery time. For more information refer to the Wisconsin Department of Workforce Development, Civil Rights section.

Family and Medical Leave

Wisconsin's Family and Medical Leave Act (FMLA) provides unpaid leave for an employee's serious health condition, the serious health condition of a parent, child or spouse, or for the birth or adoption of a child. A serious health condition is defined as a disabling physical or mental illness, injury, impairment or condition involving inpatient care or outpatient care that requires continuing treatment or supervision by a health care provider. The Village permits an employee to take up to two weeks of leave for their own serious health condition in a *calendar* year, up to 2 weeks for the serious health condition of a parent, child or spouse, and up to 6 weeks for the birth or adoption of a child. The leave may be taken as needed in blocks or intermittently as needed by the employee. During the leave period, the employee's health insurance remains in effect as it existed prior to the leave. The employee is not paid during the leave but may use accrued PTO. When the employee returns from leave, they are guaranteed their same position or an equivalent position. The village does require the employee to provide a medical certification of the need for the leave; the employee shall make all reasonable attempts to notify their supervisor, in writing, of the request for the planned leave in advance or as reasonably and practical as possible. More information is available from the Wisconsin Department of Workforce Development, Civil Rights.

The Federal Family and Medical Leave Act (FMLA) is slightly different and provides for 12 weeks of leave in a *12 month period* for the birth of a child and to care for the newborn child within one year of birth; adoption or foster care for a newly placed child within one year of placement; care for the employee's spouse, child or parent with a serious health condition; serious health condition that makes the employee unable to perform the essential duties of the job; or any qualifying event under the Federal FMLA Act. Also covered is 26 work weeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness if the eligible employee is the service member's spouse, son, daughter, parent or next of kin (considered military caregiver leave). In order to qualify for federal FMLA the employee must have actually worked 1250 hours during the 12 months prior to the start of leave. More information is available from the U.S. Department of Labor, Wage and Hour Division.

Be educated about FMLA and what it covers – it may cover your anxiety, depression, postpartum depression, and other conditions, if they meet the definition of a "serious health condition".

Wisconsin and Federal FMLA coverage runs concurrently with the employee entitled to the protections provided by the law which affords them the most favorable terms.

All paid PTO or other leave offered by the village runs concurrently with the FMLA leave. If an employee on FMLA leave exhausts all their leave balances, other Village employees can donate up to 24 hours of PTO each in a calendar year to the person on leave.

EMPLOYEE BENEFITS & RIGHTS

In an effort to attract and retain employees, the Village offers an attractive benefits package to eligible employees (eligibility is determined by each program). An employee can enroll for the benefits at time of hire, and effective date of the benefit varies by program. Annually the village offers an open enrollment period when an employee can change their coverage. A qualifying event, such as a marriage, divorce, etc. would make an employee eligible to change their coverage outside of the open enrollment period. The Village contracts with an HR Consultant to administer the Village's benefits; for questions about your benefits ask the Village Administrator, who in turn will connect you with the Benefits Administrator.

There are also well-known civil rights laws incorporated into this Handbook, such as anti-discrimination laws, equal opportunity laws, harassment laws and laws for Americans with disabilities, but there are laws the Village wants to share with their employees to guarantee employees are treated fairly and given the greatest environment for success; those rights are included below with the list of benefits offered to employees.

COBRA

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives you and your qualified beneficiaries the opportunity to continue insurance coverage under our plans when a "qualifying event" results in the loss of coverage. Under COBRA, you or your dependents pay the full cost of coverage at the group rates, plus an administration fee.

The employee who has had their hours reduced or employment terminated for any reason other than gross misconduct may continue their group coverage up to 18 months; during this period any spouse or dependent previously covered remains covered. A spouse and the dependents may opt to continue coverage up to 36 months upon the death of the employee, divorce or loss of dependent status due to age or the employee's eligibility for Medicare. For more information contact the Wisconsin Office of the Commissioner of Insurance, or the Wisconsin Department of Employee Trust Funds, who oversees many benefits for employees and our retirees.

Deferred Compensation

We offer the Wisconsin State Deferred Compensation Program to supplement your retirement income. Participation in the program is voluntary and 100% funded by you through payroll deduction in the amount you authorize.

Employee Assistance Program (EAP)

The EAP is offered to all employees at no cost to them. It is a completely confidential counseling program that offers support through short-term counseling issues.

Flexible Spending Accounts (Section 125 Plans) [Remove?](#)

Eligible employees can elect to take part in our Section 125 plan. This plan allows you to pay for qualified benefits, such as health insurance premiums, medical expenses not covered by the insurance plans, and dependent care costs, with pre-tax dollars. Payments and contribution amounts are subject to the

procedures, rules and regulations of the plan. Plan details are set forth in a separate document issued to you when you become eligible to participate and each year during open enrollment. The Village does not contribute to this account for you.

Health, Dental and Vision Insurance

We provide group health, dental and vision insurance to eligible employees. Insurance is effective on the first day of the calendar month following your start date. Plan details are set forth in separate plan documents issued when you become eligible to participate. We reserve the sole discretion to determine what insurance and level of benefits to offer. You may be required to contribute toward the cost of the monthly premiums as established by the Personnel Committee and contributions will be payroll deducted.

Health Savings Account (HSA)

A Health Savings Account (HSA) is type of savings account that lets you set aside money on a pre-tax basis to pay for qualified medical expenses. By using untaxed dollars in a HSA to pay for deductibles, copayments, coinsurance, and some other expenses, you may be able to lower your overall health care costs. For employees who choose the HSA-compatible health insurance plan, the Village will contribute 100% of the in-network deductible (pro-rata if joining mid-year) for a Single Plan HSA, and a portion of a Family Plan based on annual IRS contribution limits. The employee, based on plan type, is able to deduct additional pre-tax money from their paycheck to add to their HSA up to the annual IRS maximum. An HSA is a savings account and rolls over from year to year; there is no “use it or lose it” requirement.

Life Insurance

The Village covers the cost of basic life insurance through the State Life Insurance pool. This benefit covers 1 times the employee’s annual earnings. Employees can purchase additional life insurance up to 5 times their salary. Smaller benefits can also be purchased for spouses and children. For more information refer to the Wisconsin Department of Employee Trust Funds, who oversees many benefits for employees and our retirees.

Long-term Disability Insurance

This benefit is fully paid by the Village. Claimed benefits continue if the employee is disabled until their normal retirement age. The benefit covers 60% of annual earnings up to a monthly maximum of \$6,000 after a 60-day elimination period.

Payment in Lieu of Benefits [How to Address?](#)

Employees have the option to elect to not participate in the health, dental or vision insurance programs. Selection of this option must occur upon initial employment or annually during open enrollment. Changes cannot be made outside of those times unless the employee has a qualifying life event, and the change must be made within 30 days of that qualifying life event.

Employees will receive 50% of the savings from the waiver of benefits. Payments will be included with the employee’s regular payroll. While payments will be taxable, payments will not be included for the computation of wages including, but not limited to, WRS-eligible wages, COLA, overtime or other pay.

Pregnant Workers Fairness Act (PWFA) & Pregnancy Discrimination Act (PDA)

PWFA protects pregnant employees or eligible individuals and provides for the right to unpaid leave as a reasonable accommodation, unless such leave would create an undue hardship for the Village. It also prohibits the Village from treating employees affected by pregnancy or related conditions differently from other employees similar in their ability or inability to work.

PDA prohibits the Village from treating employees affected by pregnancy or related conditions differently from other employees similar in their ability or inability to work. Postpartum depression is a condition related to pregnancy under the PDA. The Village cannot treat an employee with postpartum depression differently from other employees.

Under the nationwide Americans with Disabilities Act (ADA), you may have the right to reasonable accommodations at work, such as a modified work schedule, transfer to a less stressful position, or work from home, for postpartum depression.

More information about your rights under the PWFA is available from the U.S. Equal Employment Opportunity Commission.

PUMP Act

The Federal Consolidated Appropriations Act of 2023, signed into law in December of 2022, introduced the Nursing Mothers Act, also known as the PUMP Act. This Act expands Pumping at Work rights for nursing employees. The employee is to be provided a reasonable break time in a private space (not a restroom) to pump at work for up to one year after their child's birth. Any employee needing time and space for pumping is to notify their supervisor.

Retirement

Eligible employees shall be covered under the State of Wisconsin Retirement System (WRS). We will pay our contribution as set by the Department of Employee Trust Funds (ETF), and you shall pay your contribution as set by ETF via payroll deduction. Contributions vary by year and are beyond the control of the Village – they are based on investment earnings and an actuarial analysis. Information regarding the WRS plan is available from the Wisconsin Department of Employee Trust Funds, who oversees many benefits for employees and our retirees.

Supplemental Insurance

If the employee chooses to have additional insurance coverage, they can participate in Aflac insurance and the Village will facilitate payment of the premium with paycheck deductions.

Unemployment Compensation Insurance

Wisconsin administers an Unemployment Compensation Insurance program. If you are laid off and meet certain program qualifications, you may be entitled to weekly benefits. If you voluntarily resign or are terminated "for cause" by the Village, ordinarily the employee will not be eligible for the benefit. For more information contact the local Employment Security Commission Office, which in Wisconsin is the Department of Workforce Development.

Worker's Compensation

All Village employees are covered by Wisconsin's Compensation Insurance (WC). WC covers those injuries sustained by employees on the job or on Village property. This program is administered by the State of Wisconsin and basically consists of the following types of benefits:

1. Medical and Hospital care
2. Disability benefits
3. Death benefits

To qualify for WC, an employee who is injured on the job must strictly follow the Village's accident reporting procedures, including immediate notification to a supervisor or the Village Administrator that an accident has occurred. All legal requirements established by the State and Federal Governments must be followed. The time lost from work for a worker's compensation accident shall not be charged against an employee's accrued sick time.

The Village will attempt to provide an employee with light duty work if the employee is able to return to work but unable to perform his or her regular assignment.

The Village's first and foremost objective is to do all that can be done to prevent injury by providing safety awareness, specific safety related skill training, and by continually encouraging each employee's active participation in the mutual quest for a safe workplace.

EMPLOYEE EXPENSES

Clothing Allowances and Expectations (Applicable to Utilities Department and Parks and Streets Department Employees)

- A. This policy is established for all the employees of the Parks and Streets Department and the Utilities Department. Each department shall annually budget \$400 per department *position* to provide a clothing allowance for workplace clothing for all staff employed throughout the year to fill those department positions. The budgeted amount shall be divided equally amongst full-time department staff and set aside in the annual budget for work-related clothing. The amount to be budgeted shall not exceed \$400 *per position*. Each employee is expected to manage their purchases to cover their needs for the entire year. If an employee elects to use a clothing service then the cost of that service shall count towards the total annual allocation. Part-time employees may receive an allocation, as budgeted by their supervisor, provided the allocation does not exceed 50% of the allowance made for a full-time employee. To plan for resignations and new hires, it is recommended the supervisor restrict purchases in increments to maintain an adequate balance for new employees and their anticipated clothing needs.
- B. Employees must purchase clothing through the Village Administration office to avoid paying sales tax. The supervisor shall review the balance in each positions 'account' twice a year with the employee hired to perform the duties of that position to ensure purchases do not exceed the allocated amount.
- C. The supervisor shall approve all purchases, including sizes, brands, colors and materials. Only shirts and outerwear that are ANSI Class III compliant shall be worn. Hats shall bear the Village logo, with the logo provided by the Village. Employees must wear or carry business or identification cards identifying themselves as being Village Employees. Each employee is expected to dress appropriately for work each day in clean clothing that is free from rips and stains.
- C. The following items are eligible for purchase under this program:
 - Long sleeve and short sleeve shirts
 - Pants and shorts (shorts to only be worn while performing approved activities)
 - Sweatshirts, coats and related items
 - Winter Hats
- D. The following items are eligible for reimbursement subject to the restrictions as follows:
 - Safety shoes subject to reimbursement up to \$200 per year
 - Shoes other than safety shoes may only be worn while performing approved activities
 - Prescription safety glasses subject to reimbursement up to \$150 every *other* year
- E. The Village will provide baseball hats with logos and logos for clothing. The Village will also provide the following items beyond the allocation above, said items to be considered Village property and to remain with the Village upon the employee's termination so they can be used by other employees, as needed:
 - Work gloves
 - Coveralls
 - Hard hats and other safety gear
 - Boots and rain gear for working in wet environments
- F. The employee is responsible for the regular cleaning of all items. If an employee has used all of their position's allocation for work clothing and items are damaged or worn-out they shall be replaced at the employee's expense. It shall be at the discretion of the supervisor to replace at Village expense any approved clothing item that is damaged by an accident, not normal wear or tear while the employee is working.

Job-Related Training

You may be permitted to attend, with pay, work-related meetings, conferences, trainings, institutes, and seminars, and appropriate State of Wisconsin courses or examinations for continued certification related to your position and approved by your supervisor, provided the costs are included in the approved budget. We will pay you for this time under applicable state and federal laws.

Mileage

When you must use your personal vehicle to travel as part of your duties from the workplace to a destination other than home or place of employment, you will be reimbursed for authorized travel at the current rate established by the Internal Revenue Service (IRS). Reimbursement requests must be submitted to your supervisor along with your record of time worked. Reimbursement requests made outside the pay period in which they were made shall not be reimbursed prior to approval of the oversight committee.

Travel Reimbursements

Meals and Lodging. If we require you to travel outside the Village of Sister Bay, we will reimburse you for meals and necessary overnight lodging. Reimbursements are paid after submission of a Travel Expense Form along with receipts for meals and lodging and any out-of-pocket expenditures. Failure to submit a reimbursement request outside the pay period in which they were made shall not be reimbursed prior to approval of the oversight committee and may cause denial of the reimbursement.

- Lodging reimbursement is limited to the rate for a single room/single person at a licensed hotel or motel. When possible, you must make advance reservations. It is the employee's responsibility to make sure charges reflect proper tax exemption.
- Reimbursement for meals is set at the levels used by the State of Wisconsin. You must submit an itemized copy of your meal bill(s). A credit card receipt is insufficient. Alcoholic beverages will not be reimbursed. Reimbursable meal expenses are for employees only.

Other Travel Expenses and Requirements

Other expenditures that qualify for travel reimbursement include parking, tolls, baggage handling, and necessary equipment rental. Receipts for fees must be attached to the Travel Expense Form. Tickets for driving infractions, unauthorized parking or other violations will not be paid or reimbursed.

Out-of-State Travel

Travel outside the State of Wisconsin shall only be made and any expenses reimbursed only if budgeted and approved by the respective oversight committee.

GENERAL INFORMATION

Bulletin Boards

We use bulletin boards to inform you of important developments and legal rights. They are used only for official notices or announcements. You must familiarize yourself with the information communicated on the bulletin boards.

Emergency Closings

When an emergency, such as severe weather, fires, power failures, etc., requires the closing of a Village of Sister Bay facility, you may elect to use accrued leave time to cover lost hours. If you choose not to use accrued leave time, or if you do not have any accrued time, the hours missed will be unpaid. If you cannot report to work due to weather, you may substitute accrued time to compensate for hours not worked, otherwise, the time off will be unpaid. Employees in essential service functions may be required to work when operations are closed. If you are unable to come to the office or facility stationed, your supervisor may assign work that can be completed remotely.

Employee Information

It is important that you notify the Administrator of any change in your personal information, including any changes in name, mailing or email address, phone number, marital status, dependents, beneficiary designations, and emergency contact information.

Employment of Family Members or Close Friends

Departments can hire relatives, domestic partners, and close friends of employees, but not if they would be in a direct supervisory relationship, or where such employment would otherwise create potential problems, safety or security concerns, or where a potential conflict of interest is deemed by us not to be in the best interest of the department or the Village of Sister Bay.

Medical Privacy Policy

We strive to protect personal and medical information of our employees and have adopted the following practices:

- We keep medical information in your Personnel File in a locked file cabinet devoted only to your confidential information.
- Only Administration maintains employee personnel information, including medical records.
- Medical record access is limited to the Administrator and Finance Director/Treasurer.
- Medical records are not to be kept in any other location and are not to be kept by individual supervisors. All medical documentation is to be sent to the Administrator, and no copies are to be retained in paper or electronic formats by any other person or department.
- Disclosure is limited to legitimate business purposes, such as administration of benefits, reasonable accommodation decisions, and medical leave determinations, and any other purpose mandated by law.
- We limit disclosure of medical information to supervisors on a need-to know basis when necessary to disclose a staff member's need for time off, work restrictions or needed accommodations.

- Under Wisconsin Statutes § 103.13, employees can request to see their medical records in accordance with the provisions outlined in that section.

Personnel Records and Employment References

Personnel records are the property of the Village of Sister Bay and we restrict access to them, in accordance with Wisconsin Statutes. Access to your personnel records is governed by Wisconsin Statutes 103.13. Should you want to review your record under Wis. Stats. 103.13, you must contact the Administrator. All requests from sources outside the Village of Sister Bay for personnel information or employment references concerning applicants, current employees, and former employees shall be forwarded to the Administrator and will be addressed in accordance with Wis. Stats. 19.36 (10)(10).

Performance Assessments

Performance evaluations will be conducted on an annual basis, coordinated with the Village budgeting process. These are an important opportunity to let you know how you are performing, how performance can improve, and to receive input from you concerning training, supervision, job difficulties and other valuable feedback. In addition, performance directly relates to our annual compensation decisions; a successful evaluation results in advancing to the next step in our compensation schedule (aka wage schedule). For employees that have completed one year of employment with the village, annual step increases occur the first paycheck of the year.

For non-exempt employees, your performance evaluation shall be made by your immediate supervisor; exempt employees are evaluated by the Village Administrator. In the case of the Village Administrator, the Board of Trustees shall complete the performance evaluation. Each supervisor shall utilize the Village Performance Review Form, often referred to as the Personnel Evaluation Form.

Municipal Property

Personal use of the Village of Sister Bay resources, such as equipment, tools, physical spaces or buildings, and other items for personal reasons is prohibited. If you are contemplating the personal use of a Village of Sister Bay resource for a reason that you believe is justified, you must get the written permission of the Administrator prior to using the resource.

Open Door Policy

Your opinions, suggestions and questions are important to us. Talk with your immediate supervisor about issues at work that concern you or conflicts that you are having with a co-worker. We will attempt to provide straightforward responses to your questions and comments. If you/your supervisor cannot resolve your issues, please contact the Administrator.

Outside Employment

We expect all regular employees to place the responsibilities and obligations of their positions with us first. You may engage in outside, non-Sister Bay employment, subject to the following conditions:

1. There is no conflict of interest between your secondary employment and your work with us and/or the work we do.
2. We may request you to cease any outside work or end your employment in the event of a

refusal to surrender the secondary employment, if such work is affecting the efficiency, quality, and effectiveness of your work with us or a potential conflict of interest develops.

3. There shall be no professional consulting work or side job by employees within the Village of Sister Bay limits where such work would pose a conflict of interest with your job duties or the work we do.
4. No outside employment or consulting work shall be carried on during your work hours with us, nor shall our vehicles, equipment, supplies, machines, or other property be used for your secondary work.
5. We will require you to provide us with a list of your outside employment annually on the proper form.

Personal Communications and Internet Usage

Personal communications including calls and texts using village resources (village resources includes paid time and/or village owned equipment such as a phone or computer), and internet searches for non-work websites and the browsing on that site, in general are not allowed during work hours or on village owned equipment. We do realize, however, for efficiency purposes an employee must make a personal phone call or use village equipment, and must do so while working, but such usage shall be kept to a minimum and be only on rare occasions. Personal phone calls, texts and web browsing should occur during lunch hours and breaks.

Personal Property

We reserve the right to conduct searches and inspections of employees, their personal items, and Village of Sister Bay provided property when a business need, probable cause or reasonable suspicion exists in our opinion. We may conduct searches and inspections without notice.

Public Records/Media Contact

Only our designated records custodian(s) may respond to a public record request. Should you receive a request, please forward it to the Village Clerk, who is our custodian. Only the Administrator or his/her designee will serve as the authorized media spokesperson for the organization. Any requests for comment or interviews regarding official business must be directed to the Administrator.

Safety

Job safety is very important to all of us. We require safe work practices of all employees and expect you to conduct yourself carefully and safely at all times. You are expected to observe all safety procedures and rules, and use required personal protective equipment (PPE) as outlined in your department's Safety Handbook.

All work areas must be kept clean and free from debris and clutter. Tools and equipment must be kept clean and in good repair. Any accident, hazard, or unsafe condition or equipment is to be corrected and reported to a supervisor. If you are involved in or witness an accident while working, you must report it immediately to a supervisor. Supervisors must maintain a safe work environment, enforce safety rules, and train staff.

A copy of your department's Safety Handbook is distributed separately from this handbook to each

employee. You must familiarize yourself with these rules and abide by them. If you have questions about one or more of the rules, contact your supervisor.

Social Media I need to do more work on this to make sure it complies with recent law

We encourage use of social media to further our goals and the mission of our departments. Departments may use social media to conduct departmental business, provided they follow the policies outlined below.

1. Social media sites must be approved by the Administrator prior to implementation. Unless approved otherwise, departmental use of social media will be for one-way communication only.
2. Social media sites are subject to the State of Wisconsin public records laws. Any content maintained in social media format that is related to our business, including a list of subscribers and posted communications, is a public record. Social media sites shall clearly indicate that any articles and other content posted or submitted for posting are subject to public disclosure.
3. Our website and citizen portal shall remain the Village of Sister Bay's primary and predominant Internet presence. Social media is used to disseminate time-sensitive information as quickly as possible, and to increase our ability to communicate with the widest audience. Where possible, content posted to social media sites will be posted to our website/citizen portal.
4. Social media sites shall comply with all other applicable policies and standards, including but not limited to the technology policy, ethics policy, and anti-harassment and discrimination policy contained herein this Handbook.
5. Personal Use. Personal use of social media sites is prohibited during work hours. You should have no expectation of privacy in use of social media accessed during work hours and/or via Village-owned technology resources. The Village of Sister Bay may monitor employees' social media activities during work hours and/or on Village owned resources.

Tobacco Usage

Smoking, including electronic cigarettes, and use of tobacco products, is prohibited in any Village of Sister Bay buildings, vehicles, while operating any equipment, or inside any roofed, permanent structures in Sister Bay parks. Smoking will be permitted only outside of Village of Sister Bay buildings and vehicles/equipment in designated areas, during designated work break times, and in accordance with Wisconsin law.

Weapons

We intend to promote a safe environment for employees and other individuals who interact with our employees.

1. A "weapon" is any device designed as or intended to be a weapon and capable of producing death or harm to another person including, but not limited to, firearms, handguns and explosive devices.
2. We strictly prohibit the possession, control, use, or threatening the use of a weapon in the course of employment whether on or off our premises. This prohibition does not apply to law enforcement officers performing their official duties.
3. Weapons stored in your personal vehicle while the vehicle is on our property or while the vehicle is being used in the course of your employment must be in accordance with Wisconsin law and kept and secured in the vehicle.

Workplace Violence

We will not tolerate any threatening or abusive conduct or acts of violence by an employee, or against an employee, supervisor, committee member, trustee or the public, in the course and scope of employment or at function that we sponsor. You must report to any member of management any threats or violence that you have suffered or witnessed. Even without a specific threat, you should report any behavior you have witnessed that could be perceived as threatening or violent or that could endanger the health and safety of another person. We will take steps to protect you from retaliation or intimidation for making a report or participating in an investigation.

Any reported act or threat of violence will be taken seriously and investigated promptly. To the extent possible, we will keep any such report confidential; however, we cannot guarantee absolute confidentiality. Any person reported to have made threats, exhibited threatening behavior or engaged in violent behavior will be removed from the premises as quickly as safety permits and shall remain off our property pending the outcome of an investigation.

Any violation of this policy by an employee may result in disciplinary action or involuntary termination. We reserve the right to take any legal steps needed to protect our employees and third parties including involving law enforcement.

GRIEVANCE PROCEDURE

This policy is not intended to create a legally binding contract or change at-will nature of employment.

1. This grievance procedure applies to employees; since this handbook is for employees, it does not apply to elected officials or persons appointed to serve on boards, commissions or committees.
2. This grievance procedure applies only to issues concerning workplace safety, discipline, and involuntary termination.
 - a. For purposes of this policy, “workplace safety” means conditions of employment affecting physical health or safety, safe operation of workplace equipment and tools, personal protective equipment, and workplace violence. “Workplace safety” does not include general working conditions unrelated to physical health and safety, such as hours, overtime, leaves of absence, work schedules, breaks, vacation, performance reviews, compensation, etc.
 - b. For purposes of this policy, “involuntary termination” does not include layoffs, workforce reductions, voluntary terminations including resignations and retirements, job abandonment, end of employment because of disability, lack of qualifications or licensure or other inability to perform job duties, and any other cessation of employment not involving involuntary termination.
 - c. For purposes of this policy, “employee discipline” shall include any employment action that results in an unpaid disciplinary suspension, disciplinary reduction in pay or benefits, or disciplinary demotion; it includes verbal and written warnings. It shall not include plans of correction or performance improvement, performance evaluations or reviews, documentation of employee acts and/or omissions, counseling, coaching, meetings, or other pre-disciplinary action, administrative suspension with pay, administrative suspension without pay pending investigation of alleged misconduct or nonperformance, non-disciplinary wage, benefit or salary adjustments, or any other action taken for non-disciplinary reasons.
3. Every reasonable effort should be made by supervisors and employees to resolve questions, problems, and complaints together. Thus, you should first discuss any issues concerning the subjects covered by this grievance procedure with your immediate supervisor.
4. If the complaint is not resolved by your immediate supervisor, or is about your supervisor, you may file a written grievance with the Administrator no later than 7 workdays from the date that you first knew, or should have known, of the condition or circumstance giving rise to your grievance. If the grievance is about the Administrator, the grievance shall be filed with the Chairperson of the Personnel Committee. It is not uncommon for a series of grievances to go unreported until they have accumulated to a point of intolerance – in such case the 7 workday filing may not be possible and a special exception may be made by the Administrator.

The written grievance must include your name, job title, a statement of the grievance, the date of the event or circumstances giving rise to your grievance, identification of the policy/procedure/rule that is being challenged, your signature and date; grievance forms are available from Administration.

Upon receipt of the grievance, the Administrator may determine a third party is necessary to investigate the grievance. If such is the case, you will be notified the matter has been referred to a third party investigator.

5. If the matter has not been referred to a third party investigator, the supervisor or Administrator may schedule a meeting with you and other relevant parties, but this meeting must occur within 10 workdays of the supervisor or Administrator’s receipt of the grievance. The supervisor or

Administrator will provide a written response within 10 workdays of receiving the grievance or within 10 workdays of the meeting. The written decision of the department head shall be final unless you file a written request for review with the administrator no later than 5 workdays of the date of the written decision. The Administrator may schedule a meeting with you and other relevant parties, but this meeting must occur within 10 workdays of receiving the request for review. The Administrator will provide a written response within 10 workdays of either receipt of the request for review or the date of the meeting, whichever is later. If the administrator has already reviewed the matter as set forth above, the provisions of this paragraph do not apply and the next step is before an impartial hearing officer.

6. The written decision of the supervisor, Administrator or third party investigator shall be final unless you file a written request with the Personnel Committee no later than 5 workdays after the date of the written decision, requesting a hearing before an impartial hearing officer (IHO) selected by us. The IHO shall not be a Village of Sister Bay employee. The hearing shall be held as soon as practicable.
 - a. The hearing shall be transcribed only if one or both parties agree to bear the cost. Witnesses may provide oral information if they are present, but written witness statements in lieu of a personal appearance are prohibited. Written documents may be submitted.
 - b. The IHO will determine which witnesses may speak and which documents will be accepted. The hearing is to be informal and the rules of evidence do not apply; however, no factual finding can be based solely on hearsay. There shall be no discovery. The IHO may request oral or written arguments. The IHO may also decide that a hearing is not necessary, and that he or she can make a decision solely on submission of written documents.
 - c. The sole question to be answered by the IHO is whether our decision was arbitrary and capricious. The grievant shall bear the burden of proof. The IHO must sustain or deny our decision; the IHO does not have the authority to modify the decision, nor to grant, in whole or part, the specific request of the grievant. The IHO shall provide a written decision within 30 calendar days of the hearing date or final submission of written documents.
7. The decision of the IHO shall be final unless the grievant or the Village of Sister Bay files with the Clerk's office a written request for review by the Village Board no later than 5 workdays of the date of the IHO's written decision. The Village Board shall review the matter as soon as practicable. Only the issues raised before the IHO may be appealed and considered by the Board. The Board shall not hear from any witnesses or take any additional documents or any other evidence, but rather will limit its review based on the written record before the IHO. The Board is not to substitute its judgment for that of the IHO, but rather will limit its determination to whether a rational basis exists for the IHO's decision. A simple majority vote of the Board shall decide the appeal. The Board decision shall be final and not subject to any further review.
8. Failure of the grievant to process a grievance within the time limits, or pursuant to agreed-upon written extensions, shall constitute a termination of the grievance; it shall not be processed any further and cannot be re-filed. Our failure to meet the timelines shall cause the grievance to automatically move to the next step.
9. All expenses incurred by either party in investigating, preparing, presenting or responding to a grievance shall be borne by the party incurring the expense. The cost of the IHO shall be borne by us.

DISCIPLINE

To ensure compliance with this Handbook, the village may terminate your employment with us; however, in most cases we prefer to follow a discipline process. The severity of the infraction will determine whether the employee receives discipline or is terminated.

Corrective Action Plan/Self-Improvement Plans

The purpose of corrective action plans, often referred to as self-improvement plans, are to eliminate inappropriate conduct, violation of policies, improper behavior or performance problems. Corrective action plans are not considered a form of discipline, rather they are a means to improve behavior or correct a deficiency.

Disciplinary Action

If there are violations of this Handbook, you may face discipline. Discipline may include, but is not limited to, oral or written warnings, suspensions without pay, work restrictions, job transfers, involuntary termination or any other form of discipline, counseling or correction deemed necessary under the circumstances. The specific measures taken will depend upon the nature and severity of the conduct and the surrounding circumstances.

ACKNOWLEDGEMENT

I have received the Employee Handbook. I understand that it is my responsibility to read and to comply with the policies contained in it and any revisions made to it. I also understand that if I have any questions about the content of the Handbook, I can speak with the Administrator for answers to my questions.

I understand the Village of Sister Bay has the right to change any provision in this Handbook at any time and that I will be bound by any such change. Every attempt will be made to make you aware of the revision to this Handbook.

I acknowledge that nothing in the Employee Handbook constitutes a guarantee of employment or an employment contract of any kind. I understand that my employment is "at-will" unless otherwise provided by Civil Service, applicable law or ordinances, or a collective bargaining agreement. Where employment is "at-will," I understand that it can be terminated at any time for any reason, with or without cause or notice.
