Kevin called the meeting to order at 5:30, welcomed everyone and noted the purpose of the meeting was to accept the proposed update to the Town Plan.

Michael, as PC Chair, explained the process – the PC started in 2022, but due to several factors and change of staff at RRPC, work was delayed. The current version is complete, but will have amendments proposed in the coming year to further update certain sections which include the EEP (Enhanced Energy Plan), telecommunications, scenic resource protection, aging in place, river and stream bank corridor protection, and updating the historic map.

Michael also noted that the PC is a dedicated group with nine members who meet consistently with full attendance.

Melody moved and Kevin 2nded to accept the proposed Town Plan, all voted in favor. The Board then set a hearing date of Monday, December 1st at 5:00 to gather public input.

In other business, the Board moved its regular November 13th meeting to Tuesday the 11th as all members are planning on attending a special event for local leaders - a Reimagining Rural Capacity Summit on Thursday the 13th in Randolph.

Meeting adjourned at 5:42 pm.

Respectfully submitted,

Gail Fallar, Select Board Assistant
