

AMBERG TOWN BOARD MEETING

Community Center Tuesday, June 20, 2013 6:00 pm

Chairman Sagan called the meeting to order at 6:00 with Supervisor Campbell, Supervisor Magley, Clerk Boshen and two community members present.

The board interviewed Shawn Sagan Jr. to fill the vacancy left by Verlyn Giguere. He has obtained his temp CDL, will finish classes and give notice to his current employer and be ready to begin work full time after the 10th of July. There are no part-time benefits. Full time benefits to be determined after a probationary period. Part time wage is currently \$13.00. Full time will be \$18 during probation after 90 days and schooling completed will increase. Supervisor Campbell motion to hire Sagan full time with second by Supervisor Magley.

Amending the budget: Shawn has been talking to Lisle about transferring money from tax money market account. Amend the budget to \$150,000 for surfacing down town roads, \$20,000 for loader , \$2500 to crack seal and seal coat community center parking lot. Additional \$172,500 on top of current budget to give a little wiggle room on top of roads etc. Have about \$90,000 left out of budgeted after Nutt Rd and gravel crushing. Doesn't include sand/salt mix, additional patching, loader repairs, etc. If we raise the budget this much we can do the down town streets, and in front of shop/fire dept., Hancock, and Amberg St past rr tracks to Dutton and Cty V to Dutton. About \$125,000 for downtown through Northeast Asphalt. (Barker road would not get done this year.)

Supervisor Campbell made a motion to transfer \$172,500 from Tax money market act to amend the town budget to do the seal coating of parking lot, down town road etc as stated above with a second by Magley (need to confirm bids). Passed unanimously. Can't count on other funding until it is received. Supervisor Campbell motion to do specific down town roads with NE Asphalt with hot mix this year with second by Magley. \$80 grant to replace election envelopes since redesigned and can no longer be used. Magley motion to Bell Crossing, ground, staked, etc. Some road work done. Richland doing work Supervisor Campbell second. Jodi/Ron Adjourn meeting at 6:31
