

AMBERG TOWN BOARD MEETING

Community Center Tuesday October 10th, 2023 6:00 pm

Chairman Sagan called the meeting to order at 6:00 pm with all board members except Lisle Suzawith and 20 citizens present. The Pledge of Allegiance was recited and Chairman Sagan opened the floor to the citizens. No citizens took the floor.

Ron Magley brought up that Troop 8842 wanted to be added the November agenda as they would like to put up a window library and would like us to think about where to put it.

George said the Christmas trees will be going up before Veterans Day.

Patty read the clerks report which Jodi made a motion to accept and Ron seconded,

Patty read the treasurer's report in Lisle's absence that Jodi made and motion to accept and Ron seconded it.

Fred Smeester gave the plans commission report. He is working on getting us the minimum requirement for roads that the Town of Amberg would take. Fire Dept report is on file in the clerk's office.

Wausaukee Rescue Squad only had 15 calls last month and the budget is not going up next year. New squad might be here by end of the month,

Finally finished two roads In town and just need to shoulder. Nutt Rd and Bell Crossing were supposed to be done that week but the way the weather was looking it could be the following week Loader is fixed and warranty is on it. Gravel is getting crushed. Ron asked if we have to sign off on the bridge report. Patty had a citizen ask about striping downtown but it won't be done.

Shawn asked for 3 year plan on roadwork Ron told us about Ag Arip grant that we could use for Dow Dam Rd. Would rather get this 90/10 grant than do it

beforehand. There are two other grants, the TRIP and LRIP that we should go after. We need to keep filling them out. The guys have been filling pot holes as best they can, Shawn said we have to spend double the \$28,446.68 for LRIP and has to be filled out by November 1st. This is guaranteed money. It will be filled out for Barker Rd from highway to Wontor Rd for the first year grant. Dow Dam will be second year and year three will be Marquis Rd. The beaver dam is back and needs to be taken care of.

Paul Kauntenburg said there is about 13 people confirmed participating in the Trunk and Treat. Pretty much done with the planning and need to finish the pavilion. Could use some volunteers if anyone is interested. He wants to get some survey lines at the ball diamond for future development to include bathrooms and new playground equipment. Wants to know status of taking security tape down in Veterans Park and Mosquito Park.

Something needs to be done with the trees at the ballpark as the roots are damaging the road. Ron motioned to have Hugh Guy do a survey to see where our land is and then have a few logging people give us estimates on taking them down and the ones along the back so that could be nice too. See what we could get for them. Jodi seconded the motion for the survey.

Shawn Sagan Jr goes to \$20 an hour as of 10/10. Ron motioned to approve it and Jodi seconded it,

Bob Grandaw's new building inspector contract was approved as Jane Meissner is stepping down.

Ron made a motion to adjourn the meeting and Jodi seconded it. Meeting was adjourned at 6:39.
