Parks Committee Meeting Notes
Tuesday, November 7, 2023 at 5:30 pm @ Bristol Town Hall

- I. Call to Order - Tamara and Kim present call to order at 5:35, Scott in at 5:55 pm
- II. Review and approval of minutes from August 1, 2023 meeting - Tamara motions. Motion passes.
- III. Review and discuss proposed Scottish Highland park upgrade - Tim Sherven was present and presented ideas. The retention pond on the south side of Scottish Highlands has docks built by local residents. Should we set up guidance? Is that area owned by the township? There are apparently small fish in there. How can we make that more usable? What are the safety requirements? There have been 2 docks built with pallets. Someone is mowing around the pond to make easier access. Could we set up a trail? The water is always there and can be around six feet deep. This is on the south side of the soccer park. There are a lot of invasive species. Could we make it prairie setting and dock? **UPDATE: the property is owned by the surrounding subdivision. NO ACTION NEEDED.**
- IV. Review and discuss placement of the donated Little Library - Bristol Ridge where the new playground and pavilion are. Tamara motions. Motion carries.
- V. Discuss plans for ice rink maintenance this winter - Tamara will follow up with Krista and the neighborhood to determine the crew to care for the rink.
- VI. Public Comment/Questions items not on agenda - Scottish Highlands has issue with motorcycles. That seems to have passed. We did not apply for more wildflowers.
- VII. Review and Approve the long term park plan - Scott motion to approve. Motion passes.
- VIII. Next meeting: January 30th with the condition that Tamara follow up with emails around the ice rink.
