

MINUTES - BROOKLYN PLAN COMMISSION MEETING - DECEMBER 5, 2024

Member present - Glen Schapfel, Vonn Roberts, Kurt Wilkins, Tom Penfield, Mark Lindquist, Sue McConnell

Excused - Mike Jankowski, Don Strobel

Meeting was called to order at 6:00 p.m.

Minutes from Nov. 7 meeting approved, Vonn - 1st; Glen - 2nd

Discussion took place on the upcoming GL Cty. Farmland Preservation committee. The committee will be forming in the next weeks, participants have been chosen by Matt Kirkman, head of the P&Z department. Committee will have about 12-14 members active in the farm community & several county ag representatives. No outside citizens have been selected to participate on the committee.

Meetings will be held on the last Monday of January, February & March. Meetings will be open to the public, and will allow for some participation, questions & comment. Dates are: Monday, Jan. 27; Monday, February 24; March 31. No time has been set that has been published. Will look for notice in newspaper & on County meeting schedule.

We looked at the October 2024 Building & Inspection report.

We learned that Brooklyn has filed a complaint on the S&L Holding property just south of Hwy. 23. The violation states that conditions #1, 2, & 10 are in violation of the proposed CUP for the property. Wood piles have appeared, along with heavy equipment. No outside storage is allowed. Owner was given until Dec. 5 to remove the piles. This did not happen. The County will hold a public hearing on Feb. 6.

There is a second CUP in process, for the old Dartford hotel property across from our recycling center. This will be on our agenda as well.

Green Lake County is also beginning to work on an ordinance to allow small scale wind farms in the county. The meeting packet from January 2, 2025 meeting has a draft ordinance. You can see it on-line under archived meetings for GL County P&Z.

Meeting was adjourned at 7:00 p.m.

Next meeting will be held Thursday, January 9, 2025 at 6:00 p.m.
