3. Approve minutes of the June 10, 2025, meeting.
4. Monthly Financial Review:
 - a. Treasurer's report – The main bank account is not balancing by \$179.83, possibly due to a voided check. Working with Work Horse to resolve the issue. The background checks have been attributed to the wrong budget account and will be corrected by next month. Once the taxes are received from the County they will be applied to the budget which will change the budget comparisons for “budgeted” and “actual” amounts.
 - b. Clerk's report – Retail Licenses have been reported to the Department of Revenue. There is an entity called the Sunlight Report which has issued a request to all municipalities in Wisconsin asking for board meeting agendas. To be in compliance with state statutes we have added them to the agenda distribution list, however, there have also been reports of malware attached to emails this company is sending. Diagnostics have been run and it does not look like we have been affected by anything. No further emails have been received from them and future emails will be handled with caution.
5. Library Report – Report was received and read.
6. Building Inspector's Report – Report was received and read.
7. Fire Commission Report – Ron Triemstra – There was inquiry regarding the high volume of calls made for the City of Green Lake verses the Town. It was determined that many of the calls are for fall assists or general health. This past month there were 24 calls to the City of Green Lake and 6 calls for the Town of Brooklyn; 119 calls were made county wide.
8. County Board Supervisor Report – *
9. Chairperson Reports:
