Public Comment: None

Permits submitted:

Sedlacek, Craig, Norwegian Road .6 miles north of intersection w/ Singer Road; Driveway Permit. Temporary logging driveway onto Swanke property. Susan Mayer said it had already been created w/o the permit. Discussion included that the logger has done this before and the Town Board and reprimanded him that time. Question if a fine has been established for driveway infractions. [Susan Mayer/Dave Vohs motion to recommend Town Board deny permit on basis that work has been done w/o a Town permit. Motion passed.](#)

Harelstad, Jordan & Megan; W11171 Bennor Road; Building Permit. County has already given a building permit. [Dave Vohs/Roger Roehl motion to recommend Town Board issue permit. Motion passed.](#)

Update on Canfisco LLC permit:

No activity.

Member Comment:

Dave Vohs said we need to impress on on people that we need them to provide proper documentation. The Harelstad permit was the county's copy since they hadn't sent any forms to the town.

Dave Vohs also noted that the Commission's membership on the town website is incorrect and includes former members and does not include new members.

Roger Roehl noted that the town website has not been updated to a flat \$60 penalty for permits though this has been approved by the Town Board.

[Motion to adjourn by Susan Mayer/David Vohs. Motion passed.](#)

Meeting adjourned at 7:28 p.m.
