The Clerk summarized Dominion ICX electronic machine defective issues during April 2nd Spring Election. All four municipalities in Buffalo County experienced similar issues. These machines were updated with the December maintenance and new issues occurred now. Command Central is working on all now. The option to upgrade to the ICE Tabulator machine is not an option due to size and weight to transport for elections.

ROADS: Sendelbach is planning to do spring grading next week since needed rain has recently fallen. With the mild winter and little frost all roads are in good conditions. The spring road inspection with Buffalo County is pending per Chairman Speltz. Bid work notice will be published this week for LRIP Foegen Road project and Seal Coating next week. Bid Opening for all will be at 7:00 PM May 14th Regular Meeting.

Chairman Speltz has discussed with Scenic Landscape Services 2024 mowing work. Cost for 2024 work will remain the same as last year – Shed - \$30 and Boat Landing - \$60. Both bids include trimming.
