- b. Update on Wake Boat ordinance
 - Update from Attorney Bitar: Plaintiff filed an amended complaint, trying to beef up their allegations on standing and their federal claims. They have done this before in related case. We will be renewing the motion to dismiss, due by 8/11. As we noted recently, the federal court recently rejected their other suit on standing ground. **Centennial Committee
Update to the Town Board
September 22, 2026**

1. Our primary focus continues to be gathering stories and photos for the souvenir historical booklet that we will be publishing and selling throughout 2027. We will also be gathering audio and video interviews. Photos, stories, and interviews will all be saved digitally and uploaded to the town's history archives.
2. We applied for and were awarded a \$2296 Public Outreach and Historical Archives grant from the Boulder Junction Community Foundation this fall. The funds will be used to purchase:
 - a. Three 4' x 6' banners to be strategically placed at the three primary entrances to Boulder Junction, providing highly visible information about the Centennial and directing residents and visitors to upcoming events and activities
 - b. A one-page Centennial mailing to be sent to Boulder Junction residents, reaching approximately 369 residential mailboxes and 482 post office boxes. This mailing will provide an overview of the Centennial year and help residents understand how they can participate in the celebration.
 - c. 4" x 6" postcards to be distributed at Centennial events and included with Centennial merchandise purchases. It will provide information about the Centennial online store and instructions for purchasing commemorative merchandise online.
 - d. SD storage cards for recording oral history interviews and storytelling
 - e. A dedicated hard drive to preserve the community's growing collection of digital Centennial archives, including video interviews, audio recordings, photographs, and other digital historical materials.
 - f. A professional photography package to provide high-quality photographic documentation throughout the Centennial year.
3. Now that we are getting closer to 2027, all Centennial events are being fine-tuned and more announcements will be made in the next several months.
4. We will be putting out a call for volunteers later this year when we know the specific needs of each event. In the meantime, guests are always welcome to attend our monthly meetings to find out more about the town's big celebration!

Crew / Organization Activities

NEMSD staff were able to provide support for a race and stand-by for a successful Musky Jam in Boulder Junction. This is a great opportunity for residents and visitors to meet our staff and ask questions about our operations. Also in August, we were provided our 2nd quarter “report card” from the Coverdell Stroke Program. The data revealed that our staff either met or exceeded every metric for managing patients with a possible stroke.
