**TOWN OF BRUSSELS
TOWN BOARD MEETING MINUTES**

Wednesday, May 13, 2026 6:30pm
Brussels Community Center

The Town Board Meeting of the Town of Brussels was called to order at 6:30 p.m. by Chairman Joe Wautier, with a motion by Vandertie and seconded by Marchant.

Roll Call

Board Members Present: Chair Joe Wautier; Supervisors Mark Marchant and Austin Vandertie; Treasurer Penny Wautier; Clerk Sherri Dantoin.

Pledge of Allegiance - recited

Approval of Agenda

Destination Door County unable to attend. Motion by Vandertie, seconded by Marchant. Carried.

Approval of Town Board Minutes

Motion by Marchant, seconded by Vandertie, to approve 4/21/26 minutes. Motion carried.

Treasurer's Report

Clerk Dantoin also provided cash flow statement for the year, highlighting the unbudgeted expenses carried over from last year, including return of ARIP funding overpaid and balance of bathroom contract paid in early 2026. Motion by Vandertie, seconded by Marchant, to approve the Treasurer's Report. Motion Carried.

Public Comments/Supervisor Response - None

Liquor Licenses

Motion by Vandertie, seconded by Marchant, to approve the following licenses. Motion carried:

- St Francis/St Mary's Church, Kermis, Sept 6 – Temp Beer & Wine License
- Dean Vandertie, Belgian Delight, LLC – Class B, Beer & Liquor License
- Brussels Lions Club, Belgian Days, July 9-12 - Temporary Beer & Wine License

Building/Zoning Permits

Permits issued for April were reviewed and approved.

Shipping Container Ordinance

The Board reviewed the Shipping Container Ordinance proposed by Zoning Administrator Kyle Guilette, which is similar to ordinances recently adopted by the Town of Union and Door County. Kyle also recommended removing references to the Light Industrial (LI) and Rural Residential (RR) districts, allowing shipping containers only in the General Agriculture (GA) district. Motion by Marchant, seconded by Vandertie, to approve the ordinance as amended; effective June 1, 2026. Motion carried.

Sewer in the Town

Zoning Administrator Kyle Guilette reported that he spoke with a vendor regarding the possibility of developing sewer utilities within the Town to support future growth, particularly commercial development. The Board agreed to review a formal proposal at a future meeting.

Resolution for Rezoning Request

As a follow-up from last month's approval for rezoning the parcel on County DK owned by Alberts, the County needed a Resolution for the Rezoning request. A draft resolution was

reviewed. Motion Marchant, seconded by Vandertie to approve the Resolution Requesting Approval of a Zoning Map Amendment, Resolution No. 2026-02. Motion carried.

Consideration of Seal Coating Bids and Other Road Overlay bids

Bids for 2.44 miles of road seal coating/overlay was requested. Bids from Fahrner and Scott were opened, with Door County Highway Departments still forthcoming. With anticipated Cash Flow, approximately \$40,000 of work is being considered. Motion Marchant, seconded by Vandertie to table this discussion until next meeting, awaiting Door County Highway Department's bid.

After further review, culvert on Norm's Road does not need to be replaced, \$5,220. Motion Vandertie, seconded by Marchant, to not replace the Culvert on Norm's Road as voted upon last meeting. Motion carried.

Pot holes on Rouer Road need to be filled – Joe to call on this work.

LRIP Grant for Low Road

Grant for \$33,500 has been received, with the Town's portion estimated at \$60K

ARIP for Brussels Road

Round 2 grant has been submitted with Union. Funding is deemed unlikely due to just having received this grant last year. If awarded, this work would be scheduled for next summer.

Disposal Site Gates for Entrance

GFL has asked the Town to consider improving the gates at the Disposal Site because our current is difficult to manage. Bid was sought from ACD Welding to install 2 swinging gates. Proposal was for \$4,800 for full installation. Motion Marchant, seconded by Vandertie to approve the proposal. Motion carried. Marchant will coordinate with bidder, Estes to complete the work.

Facilities

Front Door will be looked at after the meeting, as we have been having difficult opening it. There is a work day in the park today. Local Road Improvement Program (Low Road) remains pending. All requests by Pickleball group last month were fulfilled, except blacktop crack filling, which is still outstanding pending a vendor that can do the work. Park was rolled. 2 memorial benches were added: Massart, Vogel.

Clerk's Correspondence

Dantoin shared the upcoming Recycling Event that Southern Door is hosting. See Flyer.

Payment of Bills

Two check runs were completed this month due to meeting timing, for a total of \$20,878.67. Motion Marchant, second by Vandertie to approve the Monthly salaries and administrative expenses. Motion Carried.

Next Meeting/Next Agenda:

The next regular monthly meeting is scheduled for June 10, 2026, at 6:30 p.m.

There will be a special meeting of the Board June 3, 8:30pm, following BOR, to finalize Road Seal Coating and Overlay work for this summer

Agenda Items: Roads, Jessica Hatch-Broadband, Sewer proposal(?)

Adjournment

Motion by Marchant, seconded by Vandertie, to adjourn the meeting. Motion carried.

**Town of Brussels Plan Commission meeting
May 28, 2026
Brussels Community Center**

The meeting was called to order at 6:28 pm by Chairman Mark Marchant.

Quorum was established, with the following members present:

Mark Mark Marchant, Chairman	Joel Daoust	Kyle Guilette
Matt Phillips	Austin Vandertie	Bill Vandertie

Agenda for Consideration of a Conditional Use Application was approved; motion Daoust, seconded by B. Vandertie:

Parcel #0040003262441A6 and #0040003262441A5, 1716 Ullman Court
To create 18 storage condominiums to complete the proposed development and complement the existing mini-storage building and storage building on site.

The Plan Commission reviewed the conditional use application of David Allen. David presented his site concept plans which would integrate the existing two buildings already existing on the site. Timeline for development would be to first build units labeled 3, 4, 5 on the attached, then based on demand and funding proceed to phase 2, which would need to be the detention pond, and then finally completing the project by building the rest of the units as warranted by demand and funding. There would eventually be electrical run to each building and internal gravel roads among them. There is no initial intent to add bathroom facilities to any of these units.

Kyle Guilette shared that the presented plan meets zoning code compliance, however, the parcels need to be combined into 1 taxable parcel.

The Commission and Mr. Allen then agreed on the following conditions:

-Color scheme of the additional units is to stay consistent with that of the existing mini storage building, which runs parallel to the highway.

-No port-a-potties are to be placed on the site, other than during construction, but must be removed immediately following the active construction phase

-Site must be maintained at a "nicely groomed" level or better, with grass and landscaping installed, as a part of the initial development phase, between units 3, 4, 5 and the highway. The expectation is that the site will be mowed, or kept cut, on a regular basis into the future. *Additionally, Mr Allen agreed to extend this grass/landscaping installation to the area in front of the existing mini-storage building as well.*

Motion to approve the plans as submitted, along with the agreed upon conditions as identified above, forwarded to the Town Board as a recommendation; Motion Daoust, seconded by B. Vandertie carried unanimously on a voice vote.
