TOWN OF BRUSSELS
RESOLUTION 2026-03

Resolution Authorizing an Adjustment to the Town Levy Limit for the
Increases in Charges Assessed by the B.U.G. Fire District

WHEREAS, an adjustment to the town levy limit is allowed for increases in charges assessed by a joint fire department organized under Wisconsin Statute 66.0602(3)(h) for each governing body served by the joint department, and

WHEREAS, the allowable adjustment may not exceed the following:

The difference in the total charges assessed by the joint fire department for the current year increase, relative to the total charges assessed by the joint fire department for the previous year, multiplied by the Consumer Price Index for urban customers, U.S. City average, as determined by the U.S. Department of Labor for the preceding 12 months ending on September 30 in the year of the levy, plus two percent; and

WHEREAS, each governing body served by the joint department must adopt a resolution in favor of exceeding the limit, and

WHEREAS, the Town of Brussels is a governing body served by the Brussels, Union, and Gardner Fire Department;

NOW, THEREFORE, BE IT RESOLVED, the town board of the Town of Brussels, Door County, Wisconsin, approves an adjustment to the tax levy limit for increases in charges assessed by the Brussels, Union, and Gardner Fire Department as determined above for the 2027 tax levy and all future tax levies until determined otherwise.

Dated this 11h day of November, 2026

TOWN OF BRUSSELS
BOARD MEETING MINUTES

Monday, October 19, 2026 – 6:30 p.m.
Brussels Community Center
1366 Junction Road, Brussels, WI 54204

Call to Order: Meeting called to order at 6:30 p.m. by Chairman Joe Wautier.

Pledge of Allegiance: Recited.

Approval of Agenda: Motion by Marchant, seconded by Vandertie, to approve the agenda. Motion carried unanimously.

Approval of Town Board Minutes: Motion by Marchant, seconded by Vandertie, to approve the September 14, 2026 Town Board Meeting minutes. Motion carried unanimously.

Public Comments: Joe Bader was present to discuss ditch conditions following completion of both contracted roadside cuttings. He reported that stones and branches are sometimes removed from fields and pushed into the ditches, and that tires have also been disposed of in the ditches. These items create hazards for the crews performing the cutting. The right-of-way areas need to be kept clear and maintained as Town property. When crews encounter items that have clearly been pushed into the ditch, they are moving them back into the field.

Mr. Bader also noted concerns raised about the cattails at the corner of County Highways XC and J, which create a visibility and safety concern for road users. Because this is a County road, maintenance of that area is the County's responsibility. Chairman Wautier will pass the concern along when communicating with the County on other matters. Mr. Bader indicated that crews can remove tires they encounter and bill the Town at the regular maintenance rate of $10 per tire. The Clerk and Treasurer will work together to include a reminder in the tax insert regarding keeping Town right-of-ways clear of debris and other obstructions.

DC Coop Commercial Account Safety Acknowledgement: The Board reviewed the safety acknowledgement required in connection with the propane tank at the Disposal Site. Motion by Vandertie, seconded by Marchant, to approve the acknowledgement. Motion carried. Chairman Wautier signed the document, and the Clerk will return it.

BUGFD/EMR Update: The proposed resolution to add $100,000 to the Fire Department base budget did not pass in the Town of Gardner. A revised budget has been prepared excluding the proposed increase and has been incorporated into the current Town of Brussels budget.

2027 Town Budget Report: The Clerk presented reports showing projected 2026 balances and the proposed working budget for 2027. Notable proposed expenditures include $19,000 for the zoning ordinance update with Bay-Lake Regional Planning Commission, following completion of the Comprehensive Plan update currently underway, and $11,500 for improvements to the basketball portion of the Town Park court. The Brussels Lions Club has committed $5,500 toward the court project.

Building/Zoning Permits: The permit report was reviewed. The Plan Commission is scheduled to meet Monday, October 26, to continue work on the Comprehensive Plan.

Town Roads: No road work or other needs were reported.

Community Center: The front doors at the Community Center continue to deteriorate and are increasingly difficult to lock and unlock. The doors also continue to leak. Clerk Dantoin will contact LaForce to request a proposal for repairing or replacing the doors.

Town Park:

Snow Removal: The Board reviewed a snow removal proposal from DK Property Services. The proposal is similar to last year's agreement, with a $5 increase per service visit. Motion by Marchant, seconded by Vandertie, to approve the proposal. Motion carried unanimously.

Park Signage: Signage prohibiting motorized vehicles in the park has been installed. A directional arrow sign at Pioneer Pantry directing visitors to the main park entrance has also been installed, along with signage clarifying that the area behind the Massart residence is not a park entrance, as requested by the property owner.

Park Maintenance: The park water has been shut off for the season. Gerald Rouer confirmed his interest in continuing to maintain the park, as long as his health permits. The Clerk also noted that Brussels General again donated all of the fuel used for park maintenance this summer. A thank-you will be sent on behalf of the Board.

Clerk's Correspondence: Clerk Dantoin thanked the Board for its support in allowing her to attend the Wisconsin Towns Association Conference. She reported that it was a worthwhile conference, particularly the election module.

Treasurer's Report: The Treasurer's Report was approved. The motion and second were not fully recorded in the meeting notes.

Payment of Bills: Monthly bills, salaries, and administrative expenses were addressed. The meeting notes did not include the motion or vote details.

Next Meeting/Next Agenda: The next regular monthly meeting is scheduled for Wednesday, November 11, 2026. Anticipated agenda items include a Door County Trails presentation and the 2027 budget.

Wisconsin Towns Association Unit Meeting: The Town will host the Unit Meeting on Thursday, November 12, 2026, at 6:00 p.m. at the Brussels Community Center. Door County Highway Commissioner Matt Decur has confirmed his attendance. Linda Wait is expected to distribute the agenda and RSVP information. Once the final attendance count is available, it will be provided to Supervisor Marchant for food planning.

Adjournment: Motion by Marchant, seconded by Vandertie, to adjourn. Motion carried. The meeting adjourned at 7:36 p.m.

Respectfully submitted,

Meeting Minutes

Monday, October 26, 2026 | 5:30 p.m.
Brussels Community Center

Call to Order
Chairman Mark Marchant called the meeting to order at 5:30 p.m.

Establish Quorum
Present: Mark Marchant, Matt Phillips, Joel Daoust, Austin Vandertie, Sherri Dantoin (Town Clerk), and Brandon Robinson (Regional Planning). Billy Vandertie was not present. A quorum was established.

3. Approval of Agenda
The agenda was approved.

4. Comprehensive Plan Review – Brandon Robinson
Brandon presented a revised draft of the Town's Comprehensive Plan, which has been condensed from the previous version into a more concise, user-friendly format. The Commission reviewed the Goals and Objectives section, focusing on the Town's vision for future land use and development. Brandon also shared maps comparing previously planned and current land use.

Commission members generally agreed that additional development is important to expanding the Town's tax base and sustaining services into the future. However, limited land availability was identified as a significant barrier to growth. Brandon encouraged the Commission to consider potential obstacles and solutions, including possible zoning changes.

The Commission also discussed opportunities to gather public input on future development and potential solutions. Brandon will update the community discussion flyer presented at the previous meeting to encourage residents to provide feedback through the Town's website. The flyer will be distributed during the November election. An additional public meeting may be considered depending on community interest.

Brandon noted that the Town of Union is currently undertaking a similar comprehensive planning process on approximately the same timeline.

Commission members were asked to review the revised draft prior to the next meeting.

5. Next Meeting
The Town Clerk will coordinate with Brandon and Commission members to schedule the next meeting, tentatively planned for January 2027.

6. Adjournment
The meeting adjourned at 6:20 p.m.

Have your voice heard! Town of Brussels Comprehensive Plan update needs YOUR input!

What is a Comprehensive plan?

A comprehensive plan outlines the community's vision for the future and develops a long-range, 20-year plan to reach that vision.
There are several elements covered in the plan including, but not limited to:

- Community and Neighborhood Development
- Public Health and Housing
- Environmental Resources
- Cultural Resources
- Economic Development
- Parks and Recreation
- Public Utilities/Facilities/Services
- Intergovernmental Cooperation
- Transportation
- Technology
- Land Use

Why should you get involved?

The participation and engagement of community members provides a range of viewpoints, local knowledge, and a sense of ownership to the planning process. There will be several opportunities to share your input, including participating in community surveys or workshops and attending Town Plan Commission meetings, public open houses, and the public hearing. Visit the project website below and let us know your thoughts on the following:

- **Should there be more residential or business development in the Town? If so, what types?**
- **Should ordinances be relaxed to foster more growth? or should the preservation of farmland and natural areas be the priority?**
- **Are Town roads well maintained?**
- **Is the quality of life in Brussels improving, declining, or staying the same?**
- **Share anything else you'd like us to know about Brussels**
