Discussion on Possible UTV/ATV use Town Roads

The committee agreed upon the following officers: Steve Swantz, vice-chairman and Jake Isaacson as secretary.

The committee began their discussion of the town allowing UTVs/ATVs on town roads. The committee discussed several topics including possible routes, signage, regulations for operation, and what types of vehicles to allow.

There was a consensus on several items: Golf carts would not be addressed at this time; the ordinance should provide definitions of allowable ATVs and UTVs, including vehicles with 4 or more wheels; open intoxicants would not be allowed; drivers should have a valid driver's license; and restricted hours of 5:00AM – 11:00PM.

Naber will review approved roads in Kenosha County for route options. She will also draft an ordinance based on the discussion. Isaacson will review signage needed.

The next meeting will be held on Monday, January 12, 2026 at 6:30PM in the town hall auditorium.
