

Town of Caledonia Town Board Meeting Minutes

June 15, 2026

In attendance: Chairperson Abba, Supervisor Bosquez, Supervisor Knuth, Clerk|Treasurer Snyder, and 4 guests. Excused: Deputy Clerk|Treasurer Kircher
Chairperson Abba called the meeting to order at 6pm

Public Forum:

Renee Hosket introduced herself as a candidate for Waupaca County Clerk of Circuit Courts

Old Business:

- .gov website: Snyder explained that the town is looking into getting a .gov website to add legitimacy to the website, as is recommended by the elections commission. The federal government oversees .gov registration. Due to the number of Caledonia's in WI, we would need to have the website address of: townofcaledoniawaupacacountywi.gov which is prohibitively long. Snyder will look into a wi.gov website through the state and see if we can get a website address that is more viable. If not, we'll continue to use our townofcaledonia.com address.

Action Items:

- Motion to approve minutes of the 5/18/2026 Town Board Meeting. Motion carried.
- Discussed reducing the Cut Off Rd speed limit from 55 to 45 in the Caledonia maintenance sections. Per DOT rules, this is allowed with justification. Bosquez will take lead on this. Also discussed reducing the speed on Steinberg Rd from 45 to 35. This is a more complex process that requires the DOT to approve the change. Knuth will take the lead.
- Snyder explained the need for a Town Amazon Prime account. Motion to approve the account carried.
- Discussed a plan for replacing light bulbs at the Town Hall. Motion to approve proceeding with a small test batch before ordering for the entire town hall. Motion carried.
- Motion to approve liquor licenses as presented. Everyone is paid, trained, and background checked. Motion carried.
- Motion to approve the building inspector report. Motion carried.
- Motion to pay expenses and payroll as presented. Motion carried.
- Driveway permits - one

Chairperson's Report

Chairperson Abba provided updates on:

- Gruetzmacher Park community center will be completed in August. Pickleball and playground are on track as well. Grand opening still on scheduled for September. Wohlt grant has a fall timeline for when they accept applications.
- Dogs: When a dog attack happens in town, the situation is handled by the county sheriff. The Town has no authority. The Town handles licensing and strays.
- Abba explained lifetime improvement value as related to the flooded areas.
- Kanaman Bridge - a decision on the state grant is expected in July. If we don't receive it, we will apply for a county grant.
- EMS vehicle for Dale should be ready in the fall.
- Road mowing is started. We'll do the full double pass now and a single pass at a later date.
- Woodland Hills: the developer is moving forward with marketing the lots with homes constructed on them. This will hopefully allow for faster development of the subdivision.
- Extra patrols for Class B and speed have been ordered for Brehmer Rd.
- A shrub will be removed from by the front door to clean up the entrance and prepare for the overhang.
