Business:

1. Rex Avenue – Vacate
 - Chairman Stemp went through a visual of the survey to discuss what the Rex Avenue vacate will look like now that the survey and everything is complete. He read through the Resolution 2006-001. After various discussions in regard to how and why the vacate started; introduced by one landowner, what constituted the two surveys that were needed, the benefits to the landowners, and the town, and the costs involved; which were not 100% addressed up front, so moving forward an ordinance would be established to clarify this type of situation moving forward, there were no residents who had concerns.

2. Adjournment – 6:52 pm

NOTE: Agenda items may or may not be taken up in the order listed. Discussion and action may be taken on the listed issues.
