5. Citizen input

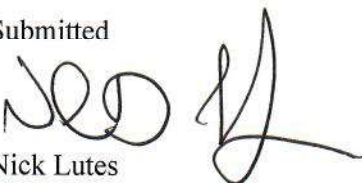

Town member Charlene Warner submitted a request for the Anthony School which is looking to add a new board member to any town person interested. She also presented information on the school, students, and their capabilities for community service.

A board member brought up that the minutes from last year's annual meeting needed to be approved. Due to an oversight by the new clerk, this was not on the agenda and the minutes were not available for this meeting. Directly after the monthly board meeting which immediately followed the annual meeting, the minutes were found and presented. Nicholas Lutes made a motion to approve, it was seconded by Joe Becker, motion carried.
