Citizen Input: Burt - Town of York has signed onto the new EMS district – will not have a seat on the EMS board because they will be a contract service. All four units are staffed 24/7. Out the doors in 2 minutes. Sue Ann? - How does Town of York joining benefit us? Rick – revaluation? Road shouldering? There are many sections with gravel washed out on Hillcrest and Dohm Dr. Ted - Patrolman spends half summer mowing. He is aware of gravel wash outs. Rick- Do the ditches need to be mowed four times a year?

Ivan Reeb electric will meet to go over electrical at park – estimate for light near pickle ball $4,000, $7,000 for parking lot and small shelter for a total of $11,000.00. Overhead electrical is not an option for Reeb. Rick - What is the bid amount for us to need more than one bid? Ted - $25,000.00. Rick – trash cans and recycle container?

Why was this tabled? Ted - More cans more trash and who will empty them? Diane – should we get more trash cans? We have money in the park fund. Rick – Why is the committee second-guessed? Maybe we should not have a park committee. Kent – we have money for garbage cans; we should get two. Ted – the board has been getting rid of trash for seventeen years. Sue Ann? – Will we have to hire staff to pick up trash after the board turns over? Rick – the park committee would like a shed to store supplies for the entire summer and enlarging the basketball court (new asphalt, two hoops). Sue Ann – the shed would help me out, so the supplies for the car shows are not at my house. Diane – I have given Dawn the information on the garbage can. **Motion to purchase one garbage can and one recycling can (KB/MG)**, all in favor, approved.
