MUNICIPAL ELECTRONIC RECYCLING

FACT SHEET

SINCE 1995: EWASTE+ has been a trusted partner for municipalities, counties, towns, villages, and public agencies that operate ongoing or recurring e-waste collection sites for residents.

PARTNER WITH US TO:

- Keep transfer stations and municipal sites clear with fast, reliable pickups
- Ensure complete data security and environmental compliance
- Manage unpredictable resident volumes with scalable, on-demand service
- Support sustainability goals, community responsibility, and keep e-waste out of landfills
- Strengthen public accountability with certified, transparent recycling practices
- Access proper materials and guidance to ensure safe, compliant equipment handling

RECYCLE RESPONSIBLY. REDUCE WASTE. FREE AND SIMPLE.

QUICK FACTS:

- **A Benefit For Your Community:** Our program for towns and villages allows you to offer residents a year-round, environmentally responsible solution for electronics recycling — without adding cost or complexity for your staff.
- **Free Program Setup and Infrastructure:** From free program setup and infrastructure to hands-on pickup and packaging assistance, we handle everything. We supply all containers and materials at no cost and ensure every collection is performed with care, efficiency, and minimal disruption.
- **Regularly Scheduled Pickups:** Our sizable fleet of trucks are in your area on a routine basis, ensuring reliable service and clean, organized collection areas.
- **Dedicated Account Management:** Each municipal partner is assigned a single point of contact for coordination, consistent communication, and prompt support.
- **Guaranteed Data Security:** EWASTE+ adheres to strict industry certifications that require all data-bearing devices to be wiped or destroyed as part of our standard process—ensuring personal information is securely and permanently removed every time.
- **Collection Sites are NYS DEC-Registered,** designed for convenience and long-term community benefit.
