After Meeting Action Items

For Next Meeting

Discuss finances and future purchases at the next meeting. Need to use village funding, come to the table with some wishlist items.

Kyle

→ Reply to Leila, saying we'd like to proceed with her sculpture proposal.

Lauren

→ Post on FPF about the community stain day Saturday, September 26th at 1PM - 3PM.

7:02 | Call to Order & Adjustments

Kyle calls the meeting to order at 7:02PM and asks for any additions or adjustments to the agenda, there are none. Last meeting minutes were approved.

7:05 | Sculptures

- Leila Bandar reached out and showed examples of the artwork she had in mind for possible location at the railtrail. Discussed another possible location in the green patch near RR bridge.
- She has her own funding, so we don't need to seek any grants for payment.
- Want to make sure that we are considerate of possible climbing hazards.
- Kyle to reach back out to Leila and proceed with further communication to get this going.

7:25 | Community Stain Day

- Plan to stain the picnic benches around town and invite the community to join us on Saturday, September 26th at 1PM - 3PM. Lauren to post on FPF.

7:50 | Plants

- Want to try mini sunflowers in the Welcome to Johson sign. Possible ask if Joey would grow us some specifically for that sign.

- Plants at the food shelf are looking good. Could use another layer of possible phlox.
