To Bayfield County Sheriff's Office:

Per your request by letter dated April 18, 2013, the following is what I found on file:

1/8/71 Motion passed that the Town allow snowmobile travel at snowmobiler's own risk, per request of a local snowmobile club. The club agreed to post the Town roads.

7/1/86 Motion passed that the Town roads currently open to snowmobiles also be open to registered ATVs; the Town not being responsible for any accidents or damage.

If you think there is more we should do please let me know and I will bring it before the Board.

Sincerely,

Mark Dryer, Clerk
