The Open Meeting Statement and Verification Media Notice given by Hassey.

The Town Board met to hold a hearing upon a proposed action to commence discontinuance of the following described roads initiated by Resolution 2024-03 by the Lincoln Town Board, specifically: Portion of Adams Road (1,110 feet), Portion of Agof Road (300 feet), Portion of Croker Road (792 feet), Town Road 50 (634 feet) and Town Road 72 (317 feet).

The Town of Lincoln has the aforementioned roads in their inventory. They are maintained by the adjacent property owners and the town board feels that they should belong to those property owners. The Town of Lincoln has not maintained them for over 10 years and has the right to discontinue them as town roads.

Property owners from Agof Road and Adams Road presented questions for the town board. Concerns were expressed about how the Adams Road discontinuance would be handled and any future needed maintenance. The town board believes that there will be a gate installed to stop traffic/ATV travel on that section of the road right of way. Travel would be limited to foot only beyond the gate. The adjacent property owners and those having easement would have a key to the gate. The board to reach out to the Vilas County Forestry Department for more clarification on how everything is handled in this situation.

A motion to adjourn was made by Marshall, seconded by Simac, all in favor, motion carried. The meeting was adjourned at 6:29 p.m.

Shelly D. Sauvola, Clerk/Treasurer
