Supervisor Alex Palmer called the meeting to order at 6:45 p.m.

Present at roll call were Supervisors Zimmerman, Livingston, Leith, Palmer, Chairman Weiss excused also present were Clerk Morris and Administrator/Treasurer David Zimmerman.

Discussion and possible action on the following:

2026 John Deere 330 P-Tier Skid Steer Loader:

Leith/Zimmerman motioned to approve the purchase of this piece of equipment of the 2026 John Deere 330 P-Tier Skid Steer loader for the price not to exceed $74,300.80 to be taken out of the *new* Highway Capital GL. Motion Carried.

Administrator David Zimmerman stated this was the skid steer suggested for purchase from the highway superintendent to replace the broken down one. The price was only good until this Thursday October 29 and did not include a trade in. Highway Superintendent Matt Wittum confirmed that the one being presented was the one he reviewed. Supervisor Palmer wanted to know where the funding would come from. After reviewing the GL account, the Board determined the best GL to use would be from the new highway capital. Clerk Morris did inform the Board that when they review the check run, they will see two checks for the skid steer one was for the deposit of $10k and the second one will be the remainder of the purchase price. Matt Wittum stated that the sprayer for the new plow truck still needed to be purchased out of the new highway capital GL and that will be about $15,000.

Leith/Zimmerman motioned to adjourn at 6:52 p.m. Motion Carried.

Respectfully submitted,

Alyson Morris
