county sent letters to the property owners and they have until May 1, 2025 to meet steps spelled out in the letter.

Chairman Stuessel also said that the county had originally included Camp Ave in their proposal to the Source Energy (owner of Sandmine) to be included in seal coating. Source Energy denied. They will put out their own bids. Agreement states this must be completed this year.

Chairman Stuessel states he was contacted by Town of Lafayette chair Gordy Isensee. Gordy states they have 3 miles of gravel road and was wondering if the town will grade it for them. Kevin Schober, Town patrolman stated he will and will work with Town of Lafayette on this. Chairman Stuessel also stated he was asked by Lafayette, if the county ever stopped plowing their roads if the Town of Little Falls would be willing to plow for them? This matter was discussed but since this is not an issue at this current time nothing was decided.

Chairman Stuessel states information was received from Dave Ohnstad, Monroe County Highway Commissioner regarding Tri County ATV club wants to open up Highway 162 between Sommers Rd and Candle Rd. This is just information and nothing the town needs to discuss at this point in time.

Chairman Stuessel states he has received two interested parties to work at the Recycle Center. Pete Borden and Sarah Winchel.

Review of Bills. Alan McCoy made a motion to approve bills. Second by Tom Stussel Motion carried.
