Melissa Mecca

Steve Klinker

Meeting Opening, Agenda, and Minutes Approval

- October Board meeting called to order.
- Agenda approved motion made by Supervisor Thiel and seconded by Supervisor DiMarco.
- Correction noted on LRIP amount given to the Town from September meeting minutes.
- September meeting minutes approved with correction motion made by Supervisor DiMarco and seconded by Supervisor Thiel.

Public Comments and Conditional Use Permit Discussion

- Conditional use permit for Mr. Mecca approved; no town objections; Board of Adjustment meeting in October.
- Phragmites control focused on north end; web map available for updates.

Roads, LRIP/Elric Funding, and Project Planning

- Dispatch center must be notified before road closures for emergency coordination.
- Koeppel Lane road project completed; bill pending.
- Road project supported for supplemental funding; application deadline October 31.
- WISLR road ratings must be updated for state compliance.
- Road projects must meet state specifications and require full documentation for grant disbursement.

IT, Social Media, and Administrative Issues

- Intersection project at Goodwin and Q considered; groundwork required if elevation raised.
- Decision on email provider and social media use tabled until next month after more vendor research.
- LRIP application due by end of October; documentation must be sent to Geri for record-keeping.

Budget, Fire Department, and Capital Planning

- Watermain repairs ongoing; some leaks fixed, sinkhole reported, no current plan to extend up 15th Street.
- Budget process requires fire departments to document use of funds; state mandates proof for audits. Both Rockwood and Silver Creek are interested in driveway length signs. Silver Creek also adding a generator to their fire station.
- New garage construction on South 10th Street.

Constable Report, Supervisor Updates, and Closing

- Discussion on implementing driveway length markers on address signs for emergency response; examples from Maribel and Cooperstown.
- Budget planning underway for road projects; need for ballpark figures and prioritization of roads like Primrose and Goodwin.
- Constable addressed property maintenance complaints and continued work on 911 signage.
- Upcoming events: emergency management webinar (tomorrow), Wisconsin Town Association Convention (next week), Christmas party (Dec 4); next meeting Nov 10, 7 PM.
