Review May 12, 2025, Special and Annual Town Meeting Warrants

There were no materials to review.

The Board asked Town Counsel procedural questions related to potential reconsideration of Article 1 on the Annual Town Meeting warrant. Mr. Reich stated that a motion to reconsider is traditionally made only by a voter that voted on the prevailing side. A second motion to reconsider can be made but the Moderator has the discretion to disallow this motion, particularly if no new information is being brought to light to warrant the reconsideration.

The Moderator joined the meeting to inform the Board that Tracy Stewart had submitted to her two motions for Annual Town Meeting Article 1 that Ms. Stewart intended to put forward on town meeting floor. The first one would require the project to be postponed until it could be considered by the Capital Improvement Planning Committee and the Planning and Economic Development Board. Mr. Reich stated the decision to add this project to the warrant rests with the executive body; it is not within the purview of town meeting to dictate. The second amendment would require the project to be reviewed by the Board of Health and the Conservation Commission. Counsel stated that the project is either within the purview of these boards or it is not; town meeting cannot compel either to consider a project not within their jurisdictions.

Mr. Crowley asked Ms. Stewart, who had also joined the meeting, if she intended to still bring these to town meeting floor. She answered she did not know.

At 6:45PM, Mr. Crowley moved to adjourn. Mr. Alessandri seconded. No discussion. VOTE: 5-0-0.
