Review May 11, 2026, Special and Annual Town Meeting Warrants

The Board reviewed the Special & Annual Town Meeting Warrants

Mr. Boynton opened the discussion by noting that he anticipates resident questions regarding Article 1 but assured the Board that Town Moderator, Tina Oster, has prepared a strong introduction for the Article. He also noted that questions regarding the FY27 budget should be expected. Mr. Rossi expressed confidence that numerous Town Committees and Boards will voice their support for Article 1. Ms. Potter confirmed that Sarah Raposa will represent the Community Preservation Committee to formally voice their shared support for the purchase of the Shady Oaks property.

The conversation then shifted to potential community concerns. Mr. Alessandri raised awareness about a recent social media post that might be brought up by residents at the Town Meeting. Mr. Trindade clarified that while some online concern had been voiced regarding the PILOT agreement for the Medway Energy Center, the other residents that commented on said post appeared to lean more toward support than opposition. Additionally, Mr. Trindade suggested that the Board clearly explain the long-term plan for the Shady Oaks property, specifically emphasizing the Town's intent to preserve it as open space and keep it out of the hands of developers.

Mr. Trindade Motion to Adjourn at 6:40 PM seconded Ms. White. VOTE 5-0-0.

Respectfully submitted,
