Jeff Roy and Michael Soter, Massachusetts State Representatives, presented the Declaration of Independence to the Select Board. Mr. Roy stated that it is great to present this document to all Massachusetts towns and cities at the cusp of the 250th anniversary. They obtained a printer similar to the one used in 1776 and will distribute copies of the document to the 351 communities in the Commonwealth. He added that the document is printed on linen similar to the original from 1776. Mr. Roy stated that it is an honor to present this document to the Town of Medway.

Discussion/Vote: Medway Community Farm License Agreement Renewal

There are no associated backup materials

Mr. Rossi notes that this license agreement is needed for the farm to receive a recent grant award for a new refrigerated truck. Mr. Boynton explains that there is one year left before the current license expires, but the grant terms require a license of at least 5 years. There are no changes to the license terms. He adds that Mr. Crowley requested that an action item be added for the Medway Community Farms to come before the Board for this license agreement in April 2027. Mr. Rossi asks whether they can place the Medway Community Farm logo on the sides of the trucks, including this refrigerated truck. Mr. Trindade replies that they are already working on this task.

**Mr. Trindade moved that the Board vote to approve the Renewal of the Medway Community Farm Fund license agreement for a period of 5 years, effective July 1, 2027, seconded by Mr. Rossi.
VOTE 3-0-0.**

Mr. Trindade motioned to adjourn at 8:53 am. Seconded by Ms. White. VOTE 3-0-0.
